RE- RECORDED TO CORRECT LEGAL DESCRIPTION

RECITALS:

The undersigned grantor, Mark A. Cornett, developed a well and water system for purposes of providing water to certain parcels of land in the Southwest and Southeast Quarters of Section 29, Township 36 North, Range 4 East of the Willamette Meridian in Skagit County, Washington. He no longer owns any of the properties served by the water system and desires to convey ownership of the well, apparatus connected with the system, including pumps, pipelines and any other fixtures and equipment, and all property rights he now holds as owner of the water system, including any easements or other rights of access or use, to the association of owners of the properties now served or to be served in the future by the water system. The name of the owners' association is the Humphrey Hill Water Association.

The descriptions and tax parcel numbers of the properties now served by and/or presently intended to be served by the water system, are set forth on EXHIBIT A, attached hereto.

GRANT:

THEREFORE, the GRANTOR, MARK CORNETT, an unmarried man, for the purpose of relinquishing all interest and title to the water system described herein, and for no monetary consideration, conveys and quitclaims to THE HUMPHREY HILL WATER ASSOCIATION, all his interest in the real property described on EXHIBIT A, attached hereto, and all his interest in the water system located on any portion of the real property described on EXHIBIT A, attached hereto, including, but not limited to, the well, pump, pipes, and any other fixtures or equipment appurtenant to the water system, and together with any easements, or other real or personal property rights.
