

# 2016 Skagit County Comprehensive Plan Update

Skagit County is hosting four community workshops as part of the 2016 update to the Skagit County Comprehensive Plan and development regulations.

The County is conducting this periodic review and update to ensure consistency with local conditions, state laws, and population and employment projections for the next 20 years.

The County must complete the current update by June 30, 2016.

## Share your thoughts on what goals and policies should be emphasized in the Comprehensive Plan update

Join with fellow residents and members of the Skagit County Planning Commission in helping to shape the future of your community!
