Public comments:

Jane Vilders, President of League of Women Voters:

We are here because we would like to express appreciation to the Elections Office staff for providing secure, equitable elections for our community. We are blessed to have such a phenomenal group of folks in this office. We recognize this is a very stressful election season and requires a lot of extra energy and time. Some of us have been here as observers, to drop off a ballot, or to ask questions. Every time I come in, everybody is wonderful, pleasant, and handles all questions with grace and respect. We appreciate all of you. I have recently gotten to know Gabrielle Clay because she's done some wonderful community events at the League's request. She has done presentations on ballot basics, worked with Breaking Free Club of Skagit Valley, and with the women's voter club project, students involved in the justice system. She came down and explained how the [voting] system works. They were very grateful for the information. I also brought Girl Scouts into the [Elections] office and they couldn't stop talking about it after they left. We just really appreciate you and want to say thank you.

No further business.
