  - (a) The difference between the property tax paid as "Farm and Agricultural Land" and the amount of property tax otherwise due and payable for the seven years last past had the land not been so classified; plus
  - (b) Interest upon the amounts of the difference (a), paid at the same statutory rate charged on the delinquent property taxes.

  - (e) Official action by an agency of the State of Washington or by the county or city within which the land is located which disallows the present use of such land.
  - (f) Transfer to a church and such land would qualify for property tax exemption pursuant to RCW 84.36.020.
