which real property is not used principally for agricultural or farming purposes, together with all the tenements,
hereditaments, and appurtenances now or hereafter thereunto belonging or in any wise appertaining, and the rents, issues
and profits thereof.

This deed is for the purpose of securing performance of each agreement of grantor herein contained, and payment of the
sum of NINETY SIX THOUSAND SEVEN HUNDRED FIFTY AND 00/100 (\$96,750.00), DOLLARS, with interest, in accordance with the
terms of a promissory note of even date herewith, payable to Beneficiary or order, and made by Grantor, and all renewals,
modifications and extensions thereof, and also such further sums as may be advanced or loaned by Beneficiary to Grantor,
or any of their successors or assigns, together with interest thereon at such rate as shall be agreed upon.

To protect the security of this Deed of Trust, Grantor covenants and agrees:

1. To keep the property in good condition and repair; to permit no waste thereof; to complete any building, structure
or improvement being built or about to be built thereon; to restore promptly any building, structure or improvement
thereon which may be damaged or destroyed; and to comply with all laws, ordinances, regulations, covenants,
conditions and restrictions affecting the property.
2. To pay before delinquent all lawful taxes and assessments upon the property; to keep the property free and clear of
all other charges, liens or encumbrances impairing the security of this Deed of Trust.
3. To keep all buildings now or hereafter erected on the property described herein continuously insured against loss by
fire or other hazards in an amount not less than the total debt secured by this Deed of Trust. All policies shall
be held by the Beneficiary, and be in such companies as the Beneficiary may approve and have loss payable first to
the Beneficiary, as its interest may appear, and then to the Grantor. The amount collected under any insurance
policy may be applied upon any indebtedness hereby secured in such order as the Beneficiary shall determine. Such
application by the Beneficiary shall not cause discontinuance of any proceedings to foreclose this Deed of Trust.
In the event of foreclosure, all rights of the Grantor in insurance policies then in force shall pass to the
purchaser at the foreclosure sale.
4. To defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary
or Trustee, and to pay all costs and expenses, including cost of title search and attorney's fees in a reasonable
amount, in any such action or proceeding, and in any suit brought by Beneficiary to foreclose this Deed of Trust.
5. To pay all costs, fees and expenses in connection with this Deed of Trust, including the expenses of the Trustee
incurred in enforcing the obligation secured hereby and Trustee's and attorney's fees actually incurred, as provided
by statute.

6. Should Grantor fail to pay when due any taxes, assessments, insurance premiums, liens, encumbrances or other charges against the property hereinabove described, Beneficiary may pay the same, and the amount so paid, with interest at the rate set forth in the note secured hereby, shall be added to and become a part of the debt secured in this Deed of Trust.

IT IS MUTUALLY AGREED THAT:

1. In the event any portion of the property is taken or damaged in an eminent domain proceeding, the entire amount of the award or such portion as may be necessary to fully satisfy the obligation secured hereby, shall be paid to Beneficiary to be applied to said obligation.
2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right to require prompt payment when due of all other sums so secured or to declare default for failure to so pay.
3. The Trustee shall reconvey all or any part of the property covered by this Deed of Trust to the person entitled thereto, on written request of the Grantor and the Beneficiary, or upon satisfaction of the obligation secured and written request for reconveyance made by the Beneficiary or the person entitled thereto.
4. Upon default by Grantor in the payment of any indebtedness secured hereby or in the performance of any agreement contained herein, all sums secured hereby shall immediately become due and payable at the option of the Beneficiary. In such event and upon written request of Beneficiary, Trustee shall sell the trust property, in accordance with the Deed of Trust Act of the State of Washington, at public auction to the highest bidder. Any person except Trustee may bid at Trustee's sale. Trustee shall apply the proceeds of the sale as follows: (1) to the expense of the sale, including a reasonable Trustee's fee and attorney's fee; (2) to the obligation secured by this Deed of Trust; (3) the surplus, if any, shall be distributed to the persons entitled thereto.
5. Trustee shall deliver to the purchaser at the sale its deed, without warranty, which shall convey to the purchaser the interest in the property which Grantor had or had the power to convey at the time of his execution of this Deed of Trust, and such as he may have acquired thereafter. Trustee's deed shall recite the facts showing that the sale was conducted in compliance with all the requirements of law and of this Deed of Trust, which recital shall be prima facie evidence of such compliance and conclusive evidence thereof in favor of bona fide purchaser and encumbrancers for value.
6. The power of sale conferred by this Deed of Trust and by the Deed of Trust Act of the State of Washington is not an exclusive remedy; Beneficiary may cause this Deed of Trust to be foreclosed as a mortgage.
7. In the event of the death, incapacity, disability or resignation of Trustee, Beneficiary may appoint in writing a successor trustee, and upon recording of such appointment in the mortgage records of the county in which this Deed of Trust is recorded, the successor trustee shall be vested with all powers of the original trustee. The trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Grantor, Trustee or Beneficiary shall be a party unless such action or proceeding is brought by the Trustee.
8. This Deed of Trust applies to, inures to the benefit of, and is binding not only on the parties hereto, but on their heirs, devisees, legatees, administrators, executors and assigns. The term Beneficiary shall mean the holder and owner of the note secured hereby, whether or not named as Beneficiary herein.

EXHIBIT "B"

RIDER TO DEED OF TRUST

This is an all-inclusive Deed of Trust, securing a promissory Note with an original principal amount of \$ 96,750.00 (hereinafter referred to as the "Note") which includes within such amount the unpaid principal amount of a promissory Note with a principal amount of \$ 40,090.00. This latter promissory Note is secured by a single Deed of Trust in favor of U. S. BANK OF WASHINGTON.

(said promissory Note and Deed of Trust hereinafter referred to as the "obligation"). At all times, the equity of the payee of this Note shall be the difference between the unpaid balance of this note and the unpaid balance of the Note secured by the first Deed of Trust and is subject to the right of offset as set forth therein.

Beneficiary does hereby agree with Grantor to discharge the "obligation" in accordance with its terms and to indemnify, defend and hold Trustor harmless from any liability resulting from the failure of the Beneficiary to so discharge the "obligation". Grantor may, at his option and regardless of any default by Beneficiary, pay and discharge the "obligation" as the same becomes due and credit any and all such payments against the payments next becoming due under the "Note".

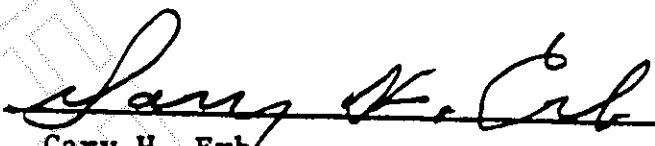

If Beneficiary defaults in his duty to discharge the "obligation" Grantor shall have the right at his option to cure Beneficiary's default by taking any action necessary to do so, including, without limitation, making any payments (including but not limited to principal, interest, penalties and attorneys fees) and, in the event of each such curing, shall have alternatively at its option, the right to credit any and all such payments (including interest at the rate of 10% per annum on such payments commencing from the date advanced) against the payments (whether principal or interest or a combination of both) next becoming due under the "Note" or the right of immediate recovery from Beneficiary of the amount of such payments (including interest thereon as specified above).

The Grantor shall not be required under the terms of this Deed of Trust to procure fire insurance in any amount in excess of \$ 96,750.00. All fire and other insurance proceeds and any award of damage for any injury to or in connection with any condemnation for public use of said property or any portion thereof received and retained by the Beneficiary under this Deed of Trust or the Beneficiary under the "obligation" shall be applied against the "obligation" and shall result in a reduction in the like amount against the indebtedness due on the "Note". In the event the Grantor prepays principal on the "Note", such prepayment shall be applied against the "obligation".

Beneficiary agrees to request, at Grantor expense, not less than annually, a beneficiary statement from the beneficiary of the "obligation" showing the unpaid balance of principal and interest under the "obligation" and to forward a copy of the same to the Grantor.

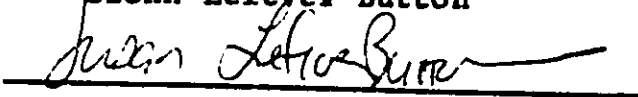

Irrespective of any provision of this Deed of Trust to the contrary notwithstanding, any claim or demand for sale delivered to the Trustee for foreclosure of this Deed of Trust shall be reduced by such unpaid balances, if any, of principal, interest and charges existing upon the "obligation" as exists at the time of the Trustee's sale upon such foreclosure, satisfactory evidence of which unpaid balance must be submitted to Trustee prior to such sale.

Executed as of the same date and year as the Deed of Trust to which this rider is attached.
