

Exhibit A

This map shows correctly the placement of pipe over Fred Houlston's property as 62' from the corner of the property as it enters, and 4' from the corner where as it exits. This supersedes the document Auditors file No. 8305250021 from 1983 easement.

approximate area of pipe & drain field

Exhibit B

Approximate area of drain field and adjacent trees, road flags, etc. in B-42 319 as approximated on other diagram.

There is a pipe next to Yellow on edge of property, north-south, that is 76' to the 14" Road.
