

A RESOLUTION OF THE COMMISSION OF PUBLIC UTILITY DISTRICT NO. 1 OF SKAGIT COUNTY, WASHINGTON, APPROVING AND CONFIRMING THE ASSESSMENTS AND ASSESSMENT ROLL OF PANORAMA LOCAL UTILITY DISTRICT NO. 20, WHICH HAS BEEN CREATED AND ESTABLISHED FOR THE PURPOSE OF ACQUIRING, CONSTRUCTING AND INSTALLING A WATER MAIN AND APPURTENANCES WITHIN THE DISTRICT, AS PROVIDED BY RESOLUTION NO. 1651-94, AND LEVYING AND ASSESSING THE COST AND EXPENSE THEREOF AGAINST THE SEVERAL LOTS, TRACTS, PARCELS OF LAND AND OTHER PROPERTY SHOWN ON THE ROLL, AND PROVIDING FOR THE COLLECTION THEREOF

WHEREAS, the assessment roll levying the special assessments against properties located in Local Utility District ("LUD") No. 20 in Public Utility District No. 1 of Skagit County, Washington (the "District"), has been filed with the Secretary of the Commission of the District as provided by law; and

WHEREAS, notice of the time and place of hearing thereon and making objections and protests to the roll was duly published at and for the time and in the manner provided by law, fixing the time and place of hearing thereon for March 13, 1996, at 7:00 p.m., local time, in the District's Aqua Room, 1415 Freeway Drive, Mount Vernon, Washington, and further notice thereof was duly mailed by the Secretary of the Commission to each property owner shown on the roll; and

WHEREAS, at the time and place fixed and designated in the notice, the hearing was held for the purpose of hearing all persons appearing at the hearing who had filed a written protest and who wished to be heard, and the Commission, sitting and acting as a Board of Equalization for the purpose of considering the roll and the special benefits to be received by each lot, parcel and tract of land shown upon such roll, including the increase and enhancement of the fair market value of each such parcel of land by reason of the improvement

(1) considered the protest of one property owner believing two lots would be aggregated by current zoning ordinance resulting in only one lot buildable and the Commission denied the request to remove such assessment (Roll #32 & 33, 350533-1-001-1604 and 350533-1-001-1703) due to documentation from Skagit County Planning and Permit Center that two building lots exist under current ordinance;

(2) considered the protest of one property owner stating that two lots had been aggregated and could not be separated by current zoning ordinance and the Commission denied the request to remove such assessment (Roll #36, 350533-0-001-0103) due to documentation from Skagit County Planning and Permit Center that two building lots exist under current ordinance;

(3) considered the protest of one property owner to the financial burden of the assessment and the Commission denied the request to lower or remove such assessment (Roll #11, 350533-1-001-1406)

Being fully informed, after due consideration;

NOW, THEREFORE, BE IT RESOLVED as follows:

Section 1. The amendment recited above should be and hereby is made and carried out, and the assessments and assessment roll of LUD No. 20, which has been created and established for the purpose of acquiring, constructing and

installing a water main and appurtenances within the District, as provided by Resolution No. 1651-94, as the same now stand, shall be and the same are approved and confirmed in all things and respects in the total amount of \$461,488.04.

Section 2. Each of the lots, tracts, parcels of land and other property shown upon the assessment roll is determined and declared to be specially benefited by this improvement in at least the amount charged against the same, and the assessment appearing against the same is in proportion to the several assessments appearing upon the roll. There is levied and assessed against each lot, tract, parcel of land and other property appearing upon the roll the amount finally charged against the same thereon.

Section 3. The assessment roll as approved and confirmed shall be filed with the Skagit County Treasurer for recording and the District Treasurer for collection, and the District Treasurer is authorized and directed to publish notice as required by law stating that the roll is in his hands for collection and that payment of any assessment thereon or any portion of such assessment can be made at any time within thirty days from the date of first publication of such notice without penalty, interest or cost, and that thereafter the sum remaining unpaid may be paid in twenty (20) equal annual installments. The interest rate on the installments of assessments is stated to be 6.75% per annum, with the exact interest rate to be fixed in the resolution authorizing the issuance and sale of the water revenue bonds authorized to be issued by Resolution No. 1651-94. The first installment of assessments shall become due and payable during the thirty-day period succeeding the date one year after the date of first publication by the District Treasurer of notice that the assessment roll is in his hands for collections, and annually thereafter each succeeding installment shall become due and payable in like manner. If the whole or any portion of the assessment remains unpaid after the first thirty-day period, interest upon the whole unpaid sum shall be charged at the rate as determined above, and each year thereafter one of the installments, together with interest due on the unpaid balance, shall be collected. Any installment not paid prior to the expiration of the thirty-day period during which such installment is due and payable shall thereupon become delinquent. Each delinquent installment shall be subject, at the time of delinquency, to a charge of 12% penalty levied on both principal and interest due upon that installment, and all delinquent installments also shall be charged interest at the rate above. The collection of such delinquent installments will be enforced in the manner provided by law.

ADOPTED by the Commission of Public Utility District No. 1 of Skagit County, Washington, at a regular open public meeting thereof this 9th day of April, 1996.
