Jeff & Shawna Archambault purchased Tract 33 of Bacus Hill Survey described as the N1/2 NE1/4 NW1/4 of Section 12, Township 35 North, Range 5 East, W.M., Skagit County, containing 20+/- acres in 1995. The property address is 2731 East Elk Run, Sedro Woolley, WA 98284. Mr. & Mrs. Archambault plan to have a single family residence constructed on a 1 acre homesite at sometime in the future. A garage-shop is currently located on the 1 acre homesite. A well has been drilled and a pump house constructed. There are 19 acres growing a stand of merchantable native tree species. This acreage was logged about 1988 and has reforested naturally with Red Alder with scattered older native Maple and Red Cedar.

The goal of the owner is to retain the integrity of the property by maintaining a stand of trees. This will provide for wildlife habitat, watershed management and recreational activities. The object is to provide for a future return on the investment through good forest management.

The current Skagit County Zoning for the property is Secondary Forest. This means that one (1) single family home can be constructed on the property.
