MULTIPLE DWELLING UNIT SERVICE AGREEMENT

THIS AGREEMENT (this "Agreement") dated as of September 20th, 1999 is made and entered into by and between TCI Cablevision of Washington, Inc. ("Company"), and Rebecca Garcia ("Owner"), which owns or has control over certain real estate and improvements commonly known as Westview Manor located at 205 N Norris St. in Burlington, Washington (the "Premises"), in Section _____, Township _____, Range _____, W.M., consisting of 29 units plus any units added or constructed in the future. A legal description of the Premises is attached hereto as Exhibit A (Page _____). Parcel or Tax Account Number(s): _____.

Company owns and operates a cable television system in Burlington, Washington (the "System") pursuant to a franchise agreement, permit or other authority to operate the System (as extended or renewed from time to time, the "Franchise"). Owner and Company desire to provide for Company's access to the Premises in order to **install** the equipment necessary to provide multi-channel video programming and any other **communications and information services** that Company may lawfully provide (the "Services") to the Premises, on the terms and conditions provided herein. Therefore, the parties agree as follows:

1. EASEMENTS; ACCESS. Owner hereby grants, bargains and conveys to Company an irrevocable easement in gross across, under and over the Premises as necessary or desirable for the routing, installation, maintenance, service and operation of the Equipment (as hereinafter defined), **and any of Owner's equipment used in connection with provision of the Services**, and the marketing and provision of the Services. Owner agrees that Company may from time to time enter into various agreements or arrangements with its approved designees, agents or authorized vendors (collectively, the "Agents") and access to the Premises granted by Owner pursuant to this Section will extend to such Agents. Owner will cause its designated representatives to accompany employees or agents of Company into any unoccupied residential unit for the purpose of wiring such residential unit, if such wiring is required. After the Premises have been wired for the provision of Services, Owner will provide Company's employees and agents access to the Premises at reasonable times for the exercise of its easement rights hereunder. In addition to the other rights granted by Owner hereunder, upon termination of this Agreement, Owner hereby grants, bargains and conveys to Company the right to enter the Premises in order to remove the Equipment from the Premises if Company so desires.

2. TYPE OF ACCOUNT; PROVISION OF SERVICES.

Company will provide the Services to the Premises as follows:

(Check one)

(X) Individual Rate Account: Company, or the Agents, will market and contract with individual residents of the Premises for all Services, and all arrangements for connecting, serving and billing residents of the Premises for the Services will be made directly between Company and such residents.

() Bulk Rate Account: Company will market and contract with the Owner for certain of the Services in accordance with a Bulk Rate Addendum to be signed by Company and Owner. Company, or the Agents, will market and contract with individual residents of the Premises for all other Services, and all arrangements for connecting, serving and billing residents of the Premises for such other Services will be made directly between Company or the Agents, and such residents.

The Services will initially be provided as set forth above. During the term of this Agreement, the method of billing may be changed (i.e., from a bulk rate to an individual rate account and visa versa) without in any way affecting the validity of this Agreement.

3. **OTHER SYSTEMS.** In consideration of Company's investment in the Equipment and other valuable consideration, for a period of time ending upon the earlier of (a) the date of termination of this Agreement or (b) the 7th (seventh) anniversary of the effective date of this Agreement, **and to the extent allowable under Federal law**, Owner will not, without the prior written consent of Company, operate or install or permit the operation or installation of any other antenna, receiver, converter, cable or other signal amplification system on the Premises for use in connection with television or radio equipment.

4. **TERM.** This Agreement will be effective on the date hereof and continue for a period of 15 years (the "Initial Term"), and **will** automatically renew for terms of 5 (five) year(s) (**each a "Renewal Term"**), unless either party gives the other written notice at least six months prior to the end of the Initial Term or then-effective Renewal Term, as appropriate.

COMPANY AND OWNER AGREE TO THE ADDITIONAL TERMS AND CONDITIONS APPENDED HERETO. THE PARTIES HAVE EXECUTED THIS AGREEMENT BY THEIR DULY AUTHORIZED REPRESENTATIVES.
