TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property".

BORROWER COVENANTS that Borrower is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal and Interest; Prepayment and Late Charges.** Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. **Funds for Taxes and Insurance.** Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items". Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974, as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall perform all of Borrower's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over this Security Instrument, including Borrower's covenants to make payments when due. Any default by Borrower under any such mortgage, deed of trust or other security agreement shall be a default under this Security Instrument and the Note. Borrower shall pay or cause to be paid all taxes, assessments and other charges, fines and impositions attributable to the Property which may attain a priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or, if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph 4. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, any insurance proceeds shall be applied first to reimburse Lender for costs and expenses incurred in connection with obtaining any such insurance proceeds, and then, at Lender's option, in such order and proportion as it may determine in its sole and absolute discretion, and regardless of any impairment of security or lack thereof: (i) to the sums secured by this Security Instrument, whether or not then due, and to such components thereof as a Lender may determine in its sole and absolute discretion; and/or (ii) to Borrower to pay the costs and expenses of necessary repairs or restoration of the Property to a condition satisfactory to Lender. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, Lender may collect the insurance proceeds. Lender may, in its sole and absolute discretion, and regardless of any impairment of security or lack thereof, use the proceeds to repair or restore the Property or to pay the sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

If Borrower obtains earthquake insurance, any other hazard insurance, or any other insurance on the Property and such insurance is not specifically required by Lender, then such insurance shall (i) name Lender as loss payee thereunder and (ii) be subject to the provisions of this paragraph 5.

6. Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest.

Borrower shall, at Borrower's own expense, appear in and defend any action or proceeding purporting to affect the Property or any portion thereof Borrower's title thereto, the validity or priority of the lien created by this Security Instrument, or the rights or powers of Lender or Trustee with respect to this Security Instrument or the Property. All causes of action of Borrower, whether accrued before or after the date of this Security Instrument, for damage or injury to the Property or any part thereof, or in connection with any transaction financed in whole or in part by the proceeds of the Note or any other note secured by this Security Instrument by Lender, or in connection with or affecting the Property or any part thereof, including causes of action arising in tort or contract and causes of action for fraud or concealment of a material fact, are, at Lender's option, assigned to Lender, and the proceeds thereof shall be paid directly to Lender who, after deducting therefrom all its expenses, including reasonable attorneys' fees, may apply such proceeds to the sums secured by this Security Instrument or to any deficiency under this Security Instrument or may release any monies so received by it or any part thereof, as Lender may elect. Lender may, at its option, appear in court and prosecute in its own name any action or proceeding to enforce any such cause of action and may make any compromise or settlement thereof. Borrower agrees to execute such further assignments and any other instrument as from time to time may be necessary to effectuate the foregoing provisions and as Lender shall request.

Borrower shall also be in default if, during the loan application process, Borrower gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender is not required to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate in effect from time to time and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. The holder of the Note and this Security Instrument shall be deemed to be the Lender hereunder. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Borrower shall be solely responsible for, shall indemnify, defend and hold harmless Lender, its directors, officers, employees, attorneys, agents, and their respective successors and assigns, from and against any and all claims, demands, causes of action, loss, damage, cost (including actual attorneys' fees and court costs and costs of any required or necessary repair, cleanup or detoxification of the Property and the preparation and implementation of any closure, abatement, containment, remedial or other required plan), expenses and liability directly or indirectly arising out of or attributable to (a) the use, generation, storage, release, threatened release, discharge, disposal, abatement or presence of Hazardous Substances on, under or about the Property, (b) the transport to or from the Property of any Hazardous Substances, (c) the violation of an Hazardous Substances law, and (d) any Hazardous Substances claims.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

21. Acceleration; Remedies. If any monthly installment under the Note or notes secured hereby is not paid when due, or if Borrower should be in default under any provision of this Security Instrument, or if Borrower is in default under any other deed of trust or other instrument secured by the Property, all sums secured by this Security Instrument and accrued interest thereon shall at once become due and payable at the option of Lender without prior notice and regardless of any prior forbearance. In such event, Lender, at its option, may then or thereafter deliver to Trustee a written declaration of default and demand for sale and shall cause to be filed of record a written notice of default and of election to cause to be sold the Property. Lender shall also deposit with Trustee this Security Instrument and any notes and all documents evidencing expenditures secured thereby. After the lapse of such time as then may be required by law following recordation of such notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Borrower, shall sell the Property at the time and place specified by Trustee in such notice of sale, or at the time to which such noticed sale has been duly postponed, at public auction to the highest bidder for cash in lawful money of the United States, payable at time to sale, except that Lender may offset its bid to the extent of the total amount owing to it under the Note and this Security Instrument, including Trustee's fees and expenses. Trustee may sell the Property as a whole or in separate parcels if there is more than one parcel, subject to such rights as Borrower may have by law to direct the manner or order of sale, or by such other manner of sale which is authorized by law. Trustee may postpone the time of sale of all or any portion of the Property by public declaration made by Trustee at the time and place last appointed for sale. Trustee shall deliver to such purchaser its deed conveying the Property so sold, but without any covenant or warranty, express or implied. The recital in such deed of any matters of fact shall be conclusive proof of the truthfulness thereof. Any person, including Borrower, Trustee or Lender, may purchase at such sale. After deducting all costs, fees and expenses of Trustee, and of this Security Instrument, including costs of evidence of title in connection with such sale, Trustee first shall apply the proceeds of sale to payment of all sums expended under the terms of this Security Instrument not then repaid, with accrued interest at the rate then payable under the Note or notes secured thereby, and then to payment of all other sums secured thereby and, if thereafter there be any proceeds remaining, shall distribute them to the person or persons legally entitled thereto.

22. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument, the Note and all other notes secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled thereto. Such person or persons shall pay all forwarding fees imposed by Lender, reconveyance fees imposed by Trustee, and all costs relating to the recordation of the reconveyance of this Security Instrument.

23. Substitute Trustee. Lender may, from time to time, by instrument in writing, substitute a successor or successors to any Trustee named in the Security Instrument or acting thereunder. Such instrument shall be executed and acknowledged by Lender and recorded in the office of the recorder of the county or counties where the Property is situated and shall be conclusive proof of the proper substitution of such successor Trustee or Trustees. Such successor Trustee or Trustees shall, without conveyance from the predecessor Trustee, succeed to all its title, estate, rights, powers and duties. The procedure herein provided for substitution of Trustees shall not be exclusive of other provisions for substitution permitted by law.

24. Request for Notices. Borrower requests that copies of the notices of default and sale be sent to Borrower's address which is the Property Address.

25. Statement of Obligation Fee. Lender may collect a fee in an amount not to exceed the maximum amount as may from time to time be allowed by law for furnishing any statement of obligation, beneficiary's statement, beneficiary's demand or any other statement or demand regarding the condition of or balance owing under the Note or secured by this Security Instrument.

26. Adjustable Interest Rate. The Note contains provisions which provide for increases and decreases in the interest rate and monthly payments. These provisions are incorporated herein by this reference.

27. Offsets. No indebtedness secured by this Security Instrument shall be deemed to have been offset or to be offset or compensated by all or part of any claim, cause of action, counterclaim or crossclaim, whether liquidated or unliquidated, which Borrower (or, subject to paragraph 17 of this Security Instrument, any successor to Borrower) now or hereafter may have or may claim to have against Lender.

28. Misrepresentation and Nondisclosure. Borrower has made certain written representations and disclosures in order to induce Lender to make the loan evidenced by the Note or notes which this Security Instrument secures. In the event that Borrower has made any material misrepresentation or failed to disclose any material fact, Lender, at its option and without prior notice or demand, shall have the right to declare the indebtedness secured by this Security Instrument, irrespective of the maturity date specified in the Note or notes secured by this Security Instrument, immediately due and payable. Trustee, upon presentation to it of an affidavit signed by Lender setting forth facts showing a default by Borrower under this paragraph 28, is authorized to accept as true and conclusive all facts and statements therein, and to act thereon hereunder.

29. Time is of the Essence. Time is of the essence in the performance of each provision of this Security Instrument.

30. Waiver of Statute of Limitations. The pleading of the statute of limitations as a defense to enforcement of this Security Instrument, or any and all obligations referred to herein or secured hereby, is hereby waived to the fullest extent permitted by law.

31. Modification. This Security Instrument may be modified or amended only by an agreement in writing signed by Borrower and Lender.

32. Captions. The captions and headings at the beginning of each paragraph of this Security Instrument are for the convenience of reference only and will not be used in the interpretation of any provisions of this Security Instrument.

33. Construction of the Security Instrument. Borrower and Lender agree that this Security Instrument shall be interpreted in a fair, equal and neutral manner as to each of the parties.

34. Miscellaneous. When used in this Security Instrument, the terms "include" or "including," shall mean without limitation by reason of enumeration. In this Security Instrument, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

35. Reimbursement. To the extent permitted by applicable law, Borrower shall reimburse Trustee and Lender for any and all costs, fees and expenses which either may incur, expend or sustain in the execution of the trust created hereunder or in the performance of any act required or permitted hereunder or by law or in equity or otherwise arising out of or in connection with this Security Instrument, the Note, any other note secured by this Security Instrument or any other instrument executed by Borrower in connection with the Note or this Security Instrument. To the extent permitted by applicable law, Borrower shall pay to Trustee and Lender their fees in connection with Trustee and Lender providing documents or services arising out of or in connection with this Security Instrument, the Note, any other note secured by this Security Instrument or any other instrument executed by Borrower in connection with the Note or this Security Instrument.

36. Clerical Error. In the event Lender at any time discovers that the Note, any other note secured by this Security Instrument, this Security Instrument, or any other document or instrument executed in connection with this Security Instrument, the Note or any other notes secured by this Security Instrument contains an error that was caused by a clerical mistake, calculation error, computer malfunction, printing error or similar error, Borrower agrees, upon notice from Lender, to reexecute any documents that are necessary to correct any such error(s). Borrower further agrees that Lender will not be liable to Borrower for any damages incurred by Borrower that are directly or indirectly caused by any such error(s).

37. Lost, Stolen, Destroyed or Mutilated Security Instrument and Other Documents. In the event of the loss, theft or destruction of the Note, any other note secured by this Security Instrument, this Security Instrument or any other documents or instruments executed in connection with this Security Instrument, the Note or any other note secured by this Security Instrument (collectively, the "Loan Documents"), upon Borrower's receipt of an indemnification executed in favor of Borrower by Lender, or, in the event of the mutilation of any of the Loan Documents, upon Lender's surrender to Borrower of the mutilated Loan Document, Borrower shall execute and deliver to Lender a Loan Document in form and content identical to, and to serve as a replacement of, the lost, stolen, destroyed or mutilated Loan Document and such replacement shall have the same force and effect as the lost, stolen, destroyed, or mutilated Loan Document, and may be treated for all purposes as the original copy of such Loan Document.

38. Assignment of Rents. As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property. Borrower shall have the right to collect and retain the rents of the Property as they become due and payable provided Lender has not exercised its rights to require immediate payment in full of the sums secured by this Security Instrument and Borrower has not abandoned the Property.

39. Legislation Affecting Lender's Rights. If enactment or expiration of applicable laws has the effect of rendering any provision of the Note or this Security Instrument unenforceable according to its terms, Lender, at its option, may require immediate payment in full of all sums secured by this Security Instrument and may invoke any remedies permitted by paragraph 21 of this Security Instrument.

40. Use of Property. The Property is not used principally for agricultural or farming purposes.

If this box is checked, the following paragraph 41 is agreed to by Borrower:

41. Owner-Occupancy of Security Property. As an inducement for Lender to make the loan secured by this Security Instrument, Borrower has represented to Lender that the Property will be occupied by Borrower within sixty (60) days following recordation of this Security Instrument and during the twelve (12) month period immediately following recordation of this Security Instrument as Borrower's primary residence. Borrower acknowledges (a) that Lender would not have agreed to make the loan evidenced by the Note or notes secured by this Security Instrument if the Property were not to be owner-occupied, and (b) that the interest rate set forth on the face of the Note and other terms of the loan were determined as a result of Borrower's representation that the Property would be owner-occupied. Borrower further acknowledges that, among other things (i) purchasers of loans (including agencies, associations and corporations created by the federal and state governments for the purchase of loans) typically require that properties securing loans acquired by such purchasers be owner-occupied, and will reject for purchase loans for which security properties are not owner-occupied, (ii) Lender's ability to sell a loan or an interest in a loan (which it often does in the ordinary course of business) will thereby be impaired where a security property is not owner-occupied, (iii) the risks involved and the costs of holding and administering a loan are often higher in the case of a loan in which the security property is not owner-occupied, and (iv) if and when Lender makes a loan on the security of non-owner occupied property, Lender typically makes such a loan on terms different from those of loans secured by owner-occupied properties. Accordingly, in the event that (a) within sixty (60) days following recordation of this Security Instrument the Property is not occupied by Borrower as Borrower's primary residence, or (b) Borrower does not continuously live in the property for at least twelve (12) months immediately following recordation of this Security Instrument, Lender may declare all sums secured by this Security Instrument to be immediately due and payable. The rights of Lender hereunder shall be in addition to any rights of Lender under this Security Instrument or allowed by law.

42. Riders to this Security Instrument. If checked below, the riders so indicated are executed by Borrower and are attached to, constitute a part of and are recorded together with this Security Instrument, and the covenants and agreements of each such rider are incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if each such rider was a part of this Security Instrument.

RIDER A Loan Number WA012409

DATE: MARCH 17, 2000

FOR VALUE RECEIVED, the undersigned ("Borrower") agree(s) that the following provisions shall be incorporated into that certain Deed of Trust, Mortgage, Deed to Secure Debt, Security Deed or other security instrument of even date herewith (the "Security Instrument") executed by Borrower in favor of AAMES FUNDING CORPORATION, A CALIFORNIA CORPORATION, DBA AAMES HOME LOAN ("Lender"), as beneficiary or mortgagee, and also into that certain promissory note (the "Note") of even date herewith executed by Borrower in favor of Lender. To the extent that the provisions of this Rider A are inconsistent with the provisions of the Security Instrument and/or the Note, the provisions of this Rider A shall prevail over and shall supersede any such inconsistent provisions of the Security Instrument and/or the Note.

Section 5 of the Note is amended to read in its entirety as follows:

"5. BORROWER'S RIGHT TO PREPAY; PREPAYMENT CHARGE

I have the right to make payments of principal at any time before they are due, together with accrued interest. When I make a prepayment, I will tell the Note Holder in writing that I am doing so. If I make a partial prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes. If within THREE (3) years from the date of execution of the Security Instrument (as defined below) I make a full prepayment or partial prepayment(s), I will at the same time pay to the Note Holder a prepayment charge. The prepayment charge will be equal to six (6) months' advance interest on the amount of the prepayment that, when added to all other amounts prepaid during the twelve (12) month period immediately preceding the date of the prepayment, exceeds twenty percent (20%) of the original principal amount of this Note."

IN WITNESS WHEREOF, the Borrower has executed this Rider A on the 30th day of March, 2000.
