## Amendment to Agreement for Maintenance of Private Driveway and Utility Lines

Reference: # 9708250157 Dated August 25, 1997

We the undersigned hereby agree to amend the above referenced agreement to include Tract number 5 of Survey recorded in Volume 17 of Surveys, Page 199 (The east ten feet (10') of lot 14 and all of lots 15-17, excepting from lot 17, that portion of a segment of a cul-de-sac having a radius of fifty (50') feet and a central angle of 31 07' 51", Blk. 229, Map of the City of Anacortes, as per plat recorded in volume 2 of plats, page 4, records of Skagit County, Washington, Sec. 24, Twn. 35, Rng. 1 in SW 1/4.) in this maintenance agreement.

| Lot 4 of said Survey (being portions of | Lots 11, 12, 13 & 14 of Said Block 229)                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
