Order No.: A19650

6. Easement provisions contained on the face of said plat, as follows:

An easement is hereby reserved for and conveyed to the City of Anacortes, Puget Sound Energy, GTE Telephone Company, Cascade Natural Gas Company, and TCI Cable Television company and their respective successors and assigns under and upon the exterior ten (10) feet of front boundary lines all lots, tracts and spaces within the plat lying parallel with and adjoining all street(s) in which to construct, operate, maintain, repair, replace and enlarge underground pipes, conduits, cables and wires all necessary or convenient underground or ground mounted appurtenances thereto for the purpose of serving this subdivision and other property with electric, gas, telephone and other utility service, together with right to enter upon the streets, lots, tracts and spaces at all times for the purposes herein stated.

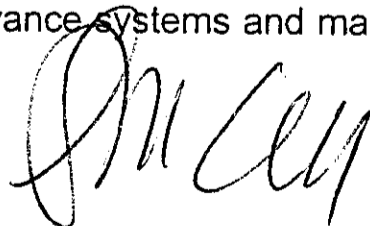

TOGETHER WITH the 5 feet on the Easterly boundary.

7. Easement provisions contained on the face of said plat, as follows:

A Native Growth Protection Easement (NGPE) is hereby dedicated to the public for Tract "A", including a 15' easement on lots 16, 19 and 20 measured from the wetland boundary as shown on the plat drawing for the beneficial interest in the land within the easement. This interest includes the preservation of a native vegetation for all purposes that benefit the public health, safety and welfare, including control of the surface water and erosion, maintenance of slope stability, visual and rural buffering, and protection of plant and animal habitat. The NGPE imposes upon all present and future owners and occupiers of the land subject to the easement obligation, enforceable on behalf of the public by the City of Anacortes, to leave undisturbed all trees and other vegetation within the easement. The vegetation within the easement may not be cut, pruned, covered by fill, removed or damaged without express permission from the City of Anacortes, which permission must be obtained in writing from the City of Anacortes Planning Department.

Before and during the course of any grading, building construction, or other development activity on a lot subject to the NGPE, the common boundary between the easement and the area of development activity must be fenced or otherwise marked to the satisfaction of the City of Anacortes.

The above tracts contain storm water conveyance systems and may require maintenance and/or repair by the City of Anacortes.
