- B. Said rentals shall be paid to the Secretary in advance on the first day of the term hereof and the first day of each and every 7/1 thereafter during said term, together with any adjustments, in amounts as are set forth in Section 1. Payment is due without demand.
- C. Section 1 RENTALS

- 1.1 Lessee agrees and covenants to pay without further demand to the Secretary the rent; without offset, demand or deduction for each and every lease year during the term hereof, payable in advance and in accordance with the amounts set forth below, and thereafter annually during the term of this Lease except as hereinafter provided for the same to be adjusted. 6/1/2000 Page 2 of 11 1:45:16PM

- a. An appraiser of the Bureau of Indian Affairs, or a Washington State certified appraiser chosen and paid for by the Lessee, shall appraise the leased property to determine its fair market rental value. The appraisal shall give consideration to the economic conditions at the time exclusive of the value of the improvements or building located upon the real property, unless said improvements have been provided by and are owned by the Lessors. The appraisal report when prepared by the Lessee selected appraiser shall be reviewed by the Bureau of Indian Affairs.
- b. The appraiser shall follow the Uniform Standards of Professional Appraisal Practice (USPAP) or other generally accepted appraisal standards.
- c. Fair market rent shall be defined as the highest price in terms of money which a property will bring in a competitive and open market under all conditions requisite to a fair rent, the Lessor and Lessee each acting prudently, knowledgeably, and assuming the rent is not affected by undue stimulants.
- d. The rental shall be adjusted to be equal to the fair market rental of the leased property, as approved by the Bureau of Indian Affairs.

1.4 *e. Lessee to be given 6 month notice if increase is over 25.*
On each fifth year anniversary of the effective date of this Lease, except for the tenth (10, twenty-fifth (25) and thirty-fifth (35) anniversaries of the effective date of this Lease, the rent shall be adjusted by the cumulative percentage change in unimproved land value during the period of time following the most recent previous rental adjustment. This cumulative percentage change in unimproved land value will be determined by the Skagit County Assessor's Office preparation of its Statistical Update. Any subsequent changes to the Statistical Update as specified above all subsequent rental adjustments shall be determined following the procedures described Section 1.3 except that such adjustment shall be made every five (5) years for the duration of the lease term.

Cumulative percentage change in unimproved land value shall be determined by the valid sales in the Skagit County Assessor's property rolls in the LaConner school district. In the event that there are insufficient valid sales during the review period to justify a statistical update, then valid sales from properties with average waterfront and average marine views along all marine waterfront in Skagit County shall be included for computation of the cumulative percentage change. Rents shall be adjusted as follows:

- a. Cumulative percentage change for unimproved land with neighborhood codes for average waterfront shall be applied toward lease land with waterfront frontage.
- b. Cumulative percentage change for unimproved land with neighborhood codes for average marine view shall be applied toward leased land without waterfront frontage.
- c. The cumulative percentage change shall be determined from the Skagit County Assessor's Office Statistical Update. Such percentage change, if any, shall be applied to the existing rental as determined by the most recent fair market rental appraisal of the subject real property.

1.5 **Late Charge:** If the Lessee has not paid the full amount of any rental or other charge or payment due hereunder by the end of the thirty (30) calendar days after the date it is due, such amounts due and owing shall incur at the rate of one and one-half percent (1.5%) simple interest per month, from the date payment was due, until said payment, including all late charges, is paid.

The consent by the Lessor to any assignment or subletting shall not constitute a waiver of the necessity for such consent to any subsequent assignment or subletting. This prohibition against assigning or subletting without prior written consent shall be construed to include prohibition against any assignment or subletting by operation of law. If this lease is assigned, or if the leased premises or any parts thereof are sublet or occupied by anybody other than Lessee, no such assignment, subletting, occupancy or collection shall be deemed a waiver of this covenant, or the acceptance of the assignee, subtenant or occupant as tenant, or a release of Lessee from further performance by Lessee of covenants on the part of the Lessee herein contained; furthermore, notwithstanding any assignment or sublease, Lessee shall remain fully liable on this Lease and shall not be released from performing any of the terms, covenants and conditions of this Lease; PROVIDED, HOWEVER, that in the event the Lessor approves an assignment for the entire balance of the Lessee's term then remaining, such act shall constitute a release of the Lessee from performing any of the then remaining terms, covenants and conditions of the lease.

Any oral sub-tenancy created by Lessee for a single, nonconsecutive term of occupancy of less than nine (9) months is exempted from the requirements of consent and fees contained herein; however, the Lessee shall in such event of the creation of any oral sub-tenancy notify the Lessor and the Bureau of Indian Affairs in writing of the name, term and prior terms of such person or persons without delay. Subleases shall not relieve the sublessor from any liability nor diminish any supervisory authority of the Secretary provided for under this Lease.

- 10.2 **Consent to Mortgage:** The Lessee may from time to time, without further consent, provided the encumbrance instrument has been approved by the Secretary, assign this lease by way of mortgage and/or encumbrance to any bank, insurance company or other established lending institution for borrowing capital for the sole purposes of:
- a. The construction, maintenance, enlargement and/or betterment of the premises and/or leasehold improvements located thereupon; or
 - b. The bona fide sale or purchase of the leasehold interest and/or leasehold improvements located thereupon.

address of the mortgagee or encumbrancer to which notice may be sent, and the mortgagee, encumbrancer, or its assigns, may cause the lease, and the mortgage or encumbrance, or either of them to be recorded in the office of the Auditor of Skagit County, Washington.

If a sale or foreclosure under the approved mortgage or encumbrance occurs and the mortgagee or encumbrancer is the purchaser, he may enforce such mortgage or encumbrance and acquire title in any lawful way to the leasehold and any of the mortgaged or encumbered improvements placed thereon and assign the leasehold interest without the approval of the Secretary or the consent of the other parties to the Lease, PROVIDED that the assignee accepts and agrees in writing to be bound by all the terms, conditions and covenants of this Lease. If the purchaser is a party other than the encumbrancer, approval by the Secretary of any assignments will be required, and such purchaser will be bound by the terms of this Lease and will assume in writing all the obligations hereunder.

10.3 **Standards for Consent:** The following standards applicable to lease assignments or subletting as specified in Section 10.1, among other such reasonable ones, may be considered by Lessor in determining whether or not to approve a requested assignment or subletting of all or any part of the leased premises as specified in Section 10.1:

- c. The conformity of the proposed use of the leased premises by the proposed assignee or subtenant with the use permitted herein.

10.4 **Procedure:** No such assignment or sublease shall be effective to transfer any interest in this Lease unless the Lessor, Tribal Realty Office and the Secretary shall have first received true executed copies of such proposed transfer, assignment or sublease, and all papers, documentation and other materials relating to the transfer of any interest in improvements located upon the leased premises, including the gross sales price or other consideration or value of the transfer of any interest of the Lessee in the leased premises and improvements located thereon. If consent is refused, then upon the request of the Lessee, the Lessor and/or Secretary will give its reasons for such refusal.

The time periods to cure shall be computed from the date of receipt by said beneficiary by certified mail of such notices from the Lessor, or if returned unclaimed, the date the certified mail is returned to the Superintendent of Puget Sound Agency, Bureau of Indian Affairs.
- 11.3 In the event of the cancellation of this Lease pursuant to the provisions in this Section (11), the Lessor shall have any rights to which it would be entitled in event of the expiration or sooner cancellation of this Lease.

The Lessee shall assist the Lessor in perfecting such personal property security interest by executing when required by Lessor all necessary financing statements.
