appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property."

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.

2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; (d) yearly flood insurance premiums, if any; (e) yearly mortgage insurance premiums, if any; and (f) any sums payable by Borrower to Lender, in accordance with the provisions of paragraph 8, in lieu of the payment of mortgage insurance premiums. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a Lender for a federally related mortgage loan may require for Borrower's escrow account under the Federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 *et seq.* ("RESPA"), unless another law that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is such an institution) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If, under paragraph 21, Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied: first, to any prepayment charges due under the Note; second, to amounts payable under paragraph 2; third, to interest due; fourth, to principal due; and last, to any late charges due under the Note.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within 10 days of the giving of notice.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter

erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, Lender may, at Lender's option, obtain coverage to protect Lender's rights in the Property in accordance with paragraph 7.

All insurance policies and renewals shall be acceptable to Lender and shall include a standard mortgage clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, or applicable law otherwise requires, insurance proceeds shall be applied first to reimburse Lender for costs and expenses incurred in connection with obtaining any such insurance proceeds, and then, at Lender's option, in such order and proportion as Lender may determine in its sole and absolute discretion, and regardless of any impairment of security or lack thereof: (i) to the sums secured by this Security Instrument, whether or not then due, and to such components thereof as Lender may determine in its sole and absolute discretion; and/or (ii) to Borrower to pay the costs and expenses of necessary repairs or restoration of the Property to a condition satisfactory to Lender. If Borrower abandons the Property, or does not answer within 30 days a notice from Lender that the insurance carrier has offered to settle a claim, Lender may collect the insurance proceeds. Lender may, in its sole and absolute discretion, and regardless of any impairment of security or lack thereof, use the proceeds to repair or restore the Property or to pay the sums secured by this Security Instrument, whether or not then due. The 30-day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If under paragraph 21 the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security Instrument immediately prior to the acquisition.

If Borrower obtains earthquake insurance, any other hazard insurance, or any other insurance on the Property and such insurance is not specifically required by Lender, then such insurance shall (i) name Lender as loss payee thereunder, and (ii) be subject to the provisions of this paragraph 5.

6. Occupancy, Preservation, Maintenance and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower acknowledges that the Lender does not desire to make a loan to Borrower secured by this property on the terms contained in the Note unless the property is to be occupied by Borrower as Borrower's primary/secondary residence. Lender makes non-owner residence loans of different terms. Borrower promises and assures Lender that Borrower intends to occupy this property as Borrower's primary/secondary residence and that Borrower will so occupy this property as its sole primary/secondary residence within sixty (60) days after the date of the Security Instrument. If Borrower breaches this promise to occupy the property as Borrower's primary/secondary residence, then Lender may invoke any of the following remedies, in addition to the remedies provided in the Security Instrument; (1) Declare all sums secured by the Security Instrument due and payable and foreclose the Security Instrument, (2) Decrease the term of the loan and adjust the monthly payments under the Note accordingly, increase the interest rate and adjust the monthly payments under the Note accordingly, or (3) require that the principal balance be reduced to a percentage of either the original purchase price or the appraised value then being offered on non-owner occupied loans.

Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default and reinstate, as provided in paragraph 18, by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note, including, but not limited to, representations concerning Borrower's occupancy of the Property as a principal residence. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

Borrower shall, at Borrower's own expense, appear in and defend any action or proceeding purporting to affect the Property or any portion thereof or Borrower's title thereto, the validity or priority of the lien created by this Security Instrument, or the rights or powers of Lender or Trustee with respect to this Security Instrument or the Property. All causes of action of Borrower, whether accrued before or after the date of this Security Instrument, for damage or injury to the Property or any part thereof, or in connection with any transaction financed in whole or in part by the proceeds of the Note or any other note secured by this Security Instrument, by Lender, or in connection with or affecting the Property or any part thereof, including causes

of action arising in tort or contract and causes of action for fraud or concealment of a material fact, are, at Lender's option, assigned to Lender, and the proceeds thereof shall be paid directly to Lender who, after deducting therefrom all its expenses, including reasonable attorneys' fees, may apply such proceeds to the sums secured by this Security Instrument or to any deficiency under this Security Instrument or may release any monies so received by it or any part thereof, as Lender may elect. Lender may, at its option, appear in and prosecute in its own name any action or proceeding to enforce any such cause of action and may make any compromise or settlement thereof. Borrower agrees to execute such further assignments and any other instruments as from time to time may be necessary to effectuate the foregoing provisions and as Lender shall request.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender does not have to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate in effect from time to time and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

8. Mortgage Insurance. If Lender required mortgage insurance as a condition of making the loan secured by this Security Instrument, Borrower shall, pay the premiums required to maintain the mortgage insurance in effect. If, for any reason, the mortgage insurance coverage required by Lender lapses or ceases to be in effect, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the mortgage insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the mortgage insurance previously in effect, from an alternate mortgage insurer approved by Lender. If substantially equivalent mortgage insurance coverage is not available, Borrower shall pay to Lender each month a sum equal to one-twelfth of the yearly mortgage insurance premium being paid by Borrower when the insurance coverage lapsed or ceased to be in effect. Lender will accept, use and retain these payments as a loss reserve in lieu of mortgage insurance. Loss reserve payments may no longer be required, at the option of Lender, if mortgage insurance coverage (in the amount and for the period that Lender requires) provided by an insurer approved by Lender again becomes available and is obtained. Borrower shall pay the premiums required to maintain mortgage insurance in effect, or to provide a loss reserve, until the requirement for mortgage insurance ends in accordance with any written agreement between Borrower and Lender or applicable law.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Lender may apply, use or release the condemnation proceeds in the same manner as provided in paragraph 5 hereof with respect to insurance proceeds.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 17. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security

Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Loan Charges. If the loan secured by this Security Instrument is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge under the Note.

14. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or Lender when given as provided in this paragraph.

15. Governing Law; Severability. This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable.

16. Borrower's Copy. Borrower shall be given one conformed copy of the Note and of this Security Instrument.

17. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

18. Borrower's Right to Reinstate. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earlier of: (a) 5 days (or such other period as applicable law may specify for reinstatement) before sale of the Property pursuant to any power of sale contained in this Security Instrument; or (b) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees; and (d) takes such action as Lender may reasonably require to assure that the lien of this Security Instrument, Lender's rights in the Property and Borrower's obligation to pay the sums secured by this Security Instrument shall continue unchanged. Upon reinstatement by Borrower, this Security Instrument and the obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under paragraph 17.

19. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 14 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made. The notice will also contain any other information required by applicable law. The holder of the Note and this Security Instrument shall be deemed to be the Lender hereunder.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which borrower has actual knowledge. If Borrower learns, or

is notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law.

Borrower shall be solely responsible for, shall indemnify, defend and hold harmless Lender, its directors, officers, employees, attorneys, agents and their respective successors and assigns, from and against any and all claims, demands, causes of action, loss, damage, cost (including actual attorneys' fees and court costs and costs of any required or necessary repair, cleanup or detoxification of the Property and the preparation and implementation of any closure, abatement, containment, remedial or other required plan), expenses and liability directly or indirectly arising out or attributable to (a) the use, generation, storage, release, threatened release, discharge, disposal, abatement or presence of Hazardous Substances on, under or about the Property, (b) the transport to or from the Property of any Hazardous Substances, (c) the violation of any Hazardous Substances law, and (d) any Hazardous Substances claims.

As used in this paragraph 20, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 20, "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

ADDITIONAL COVENANTS. Borrower and Lender further covenant and agree as follows:

21. Acceleration; Remedies. If any installment under the Note or notes secured hereby is not paid when due, or if Borrower should be in default under any provision of this Security Instrument, or if Borrower is in default under any other deed of trust or other instrument secured by the Property, all sums secured by this Security Instrument and accrued interest thereon shall at once become due and payable at the option of Lender without prior notice, except as otherwise required by applicable law, and regardless of any prior forbearance. In such event, Lender, at its option, and subject to applicable law, may then or thereafter invoke the power of sale and/or any other remedies or take any other actions permitted by applicable law. Lender will collect all expenses incurred in pursuing the remedies described in this Paragraph 21, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

Trustee and Lender shall take such action regarding notice of sale and shall give such notices to Borrower and to other persons as applicable law may require. After the time required by applicable law and after publication of the notice of sale, Trustee, without demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Trustee determines. Trustee may postpone sale of the Property for a period or periods permitted by applicable law by public announcement at the time and place fixed in the notice of sale. Lender or its designee may purchase the property at any sale.

Trustee shall deliver to the purchaser Trustee's deed conveying the property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable Trustee's and attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it or to the clerk of the superior court of the county in which the sale took place.

22. Reconveyance. Upon payment of all sums secured by this Security Instrument, Lender shall release this property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs. Lender may charge such person or persons a fee for releasing the Property for services rendered if the charging of the fee is permitted under applicable law.

23. Substitute Trustee. In accordance with applicable law, Lender may from time to time appoint a successor trustee to any Trustee appointed hereunder who has ceased to act. Without conveyance of the property, the successor trustee shall succeed to all the title, power and duties conferred upon Trustee herein and by applicable law.

24. Use of Property. The Property is not used principally for agricultural or farming purposes.

25. Misrepresentation and Nondisclosure. Borrower has made certain written representations and disclosures in order to induce Lender to make the loan evidenced by the Note or notes which this Security Instrument secures, and in the event that Borrower has made any material misrepresentation or failed to disclose any material fact, Lender, at its option and without prior notice or demand, shall have the right to declare indebtedness secured by this Security Instrument, irrespective of the maturity date specified in the Note or notes secured by this Security Instrument, immediately due and payable. To the extent permitted by applicable law, Trustee, upon presentation to it of an affidavit signed by Lender setting forth facts showing a default by Borrower under this paragraph, is authorized to accept as true and conclusive all facts and statements therein, and to act thereon hereunder.

26. Time is of the Essence. Time is of the essence in the performance of each provision of this Security Instrument.

27. Waiver of Statute of Limitations. The pleading of the statute of limitations as a defense to

Loan Number: 191001900

Servicing Number: 321097-8

Date: 06/13/00

enforcement of this Security Instrument, or any and all obligations referred to herein or secured hereby, is hereby waived to the fullest extent permitted by applicable law.

28. Modification. This Security Instrument may be modified or amended only by an agreement in writing signed by Borrower or Lender or lawful successors in interest.

29. Reimbursement. To the extent permitted by applicable law, Borrower shall reimburse Trustee and Lender for any and all costs, fees and expenses which either may incur, expend or sustain in the execution of the trust created hereunder or in the performance of any act required or permitted hereunder or by law or in equity or otherwise arising out of or in connection with this Security Instrument, the Note, any other note secured by this Security Instrument or any other instrument executed by Borrower in connection with the Note or Security Instrument. To the extent permitted by applicable law, Borrower shall pay to Trustee and Lender their fees in connection with Trustee and Lender including, but not limited to assumption application fees; fees for payoff demands and, statements of loan balance; fees for making, transmitting and transporting copies of loan documents, verifications, full or partial lien reconveyances and other documents requested by borrower or necessary for performance of Lender's rights or duties under this Security Instrument; fees arising from a returned or dishonored check; fees to determine whether the Property is occupied, protected, maintained or insured or related purposes; appraisal fees, inspection fees, legal fees, broker fees, insurance mid-term substitutions, repair expenses, foreclosure fees and costs arising from foreclosure of the Property and protection of the security for this Security Instrument; and all other fees and costs of a similar nature not otherwise prohibited by law.

30. Clerical Error. In the event Lender at any time discovers that the Note, any other note secured by this Security Instrument, the Security Instrument, or any other document or instrument executed in connection with the Security Investment, Note or notes contains an error that was caused by a clerical mistake, calculation error, computer malfunction, printing error or similar error, Borrower agrees, upon notice from Lender, to reexecute any documents that are necessary to correct any such error(s). Borrower further agrees that Lender will not be liable to Borrower for any damages incurred by Borrower that are directly or indirectly caused by any such error.

31. Lost Stolen, Destroyed or Mutilated Security Instrument and Other Documents. In the event of the loss, theft or destruction of the Note, any other note secured by this Security Instrument, the Security Instrument or any other documents or instruments executed in connection with the Security Instrument, Note or notes (collectively, the "Loan Documents"), upon Borrower's receipt of an indemnification executed in favor of Borrower by Lender, or, in the event of the mutilation of any of the Loan Documents, upon Lender's surrender to Borrower of the mutilated Loan Document, Borrower shall execute and deliver to Lender a Loan Document in form and content identical to, and to serve as a replacement of, the lost, stolen, destroyed, or mutilated Loan Document, and such replacement shall have the same force and effect as the lost, stolen, destroyed, or mutilated Loan Documents, and may be treated for all purposes as the original copy of such Loan Document.

32. Assignment of Rents. As additional security hereunder, Borrower hereby assigns to Lender the rents of the Property. Borrower shall have the right to collect and retain the rents of the Property as they become due and payable provided Lender has not exercised its rights to require immediate payment in full of the sums secured by this Security Instrument and Borrower has not abandoned the Property.

33. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each such rider shall be incorporated into and shall amend and supplement the covenants and agreements of this Security Instrument as if the rider(s) were a part of this Security Instrument.

Improvements; (4) "Loan Agreement" means the agreement (if any) between Borrower and Lender for the construction of the Improvements on the Property dated the same date as the Security Instrument; and (5) "Loan Documents" means the Note, the Security Instrument, the Loan Agreement (if any), and any riders to these documents. Any capitalized terms not defined in this Rider shall have the meaning defined in the other Loan Documents.

2. **SECURITY AGREEMENT AND FINANCING STATEMENT.** To secure payment of all sums due or which become due under the Loan Documents, Borrower's performance of all other terms of the Loan Documents, and any extensions, modifications or renewals of any of the Loan Documents, to the extent permitted by law, Borrower grants Lender a security interest in (1) the Manufactured Home; (2) Borrower's right to possession and ownership of the Property; (3) any and all fixtures, machinery, equipment, building materials, appliances, and goods of every nature whatsoever now or hereafter located in, or on, or used, or intended to be used in connection with the Property or the Improvements, and all replacements of and accessions to those goods; and (4) proceeds and products of the Property. Lender's security interest shall remain in effect until Borrower has paid in full all amounts due under the Loan Documents. However, Lender is not granted, and will not have, a nonpurchase money security interest in household goods, to the extent such a security interest is prohibited by applicable law. Lender may, at its election, at any time after the delivery of the Security Instrument, sign one or more copies of the Security Instrument in order that such copies may be used as a financing statement under the applicable State laws. Lender's signature need not be acknowledged, and is not necessary to the effectiveness hereof as a Security Instrument, or (unless otherwise required by applicable law) a financing statement.

To the extent permitted by law, Borrower also authorizes Lender to sign and file, without Borrower's signature, such financing and continuation statements, amendments, and supplements thereto, and other documents which Lender may from time to time deem necessary to perfect, preserve and protect Lender's security interest in the Property. If any other documents are necessary to protect Lender's interest in the Property, Borrower agrees to sign these documents whenever Lender asks. Borrower also gives Lender permission to sign these documents for Borrower.

Borrower will pay any lawfully permitted filing or recording fees necessary for Lender to obtain and maintain in full force Lender's security interest, and any release, discharge or termination fees, after the Loan is paid in full.

3. **FUNDS FOR TAXES AND INSURANCE.** Lender hereby waives the requirements of Paragraph 2 of the Security Instrument. Lender, however, specifically reserves to itself and its successors and assigns the right to revoke this waiver at any time and reinstate and enforce the requirements of Paragraph 2 of the Security Instrument to the extent permitted by law.

4. **HAZARD OR PROPERTY INSURANCE.** The first paragraph of Paragraph 5 of the Security Instrument is amended to add a new second sentence as follows:

If and when the Manufactured Home is transported on the highway, Borrower will cause the Home to be covered by trip insurance.

Paragraph 5 of the Security Instrument is amended to add the following:

Borrower will not allow any condition to exist that would, in any way, invalidate insurance on the Property. In the event of loss or damage to the Property, Lender may require additional security or assurance of payment before Lender allows any amounts paid by the insurance company (the "Insurance

Proceeds") to be used to repair or replace the Property. Borrower authorizes Lender to adjust Borrower's losses, and sign Borrower's name to any check, draft or other papers necessary to obtain Insurance Proceeds. Borrower authorizes any insurer to pay Lender directly. If Insurance Proceeds paid to Lender do not pay off all amounts Borrower owes Lender under the Loan Documents, Borrower is responsible for the balance.

5. **OCCUPANCY, PRESERVATION, MAINTENANCE AND PROTECTION OF THE PROPERTY; BORROWER'S LOAN APPLICATION, LEASEHOLDS.** Paragraph 6 of the Security Instrument is amended to add the following.

Until all amounts owed under the Loan Documents are paid in full, Borrower promises that the Manufactured Home will be permanently affixed to and be part of the Property. Borrower will do whatever is necessary to keep Lender's claim to a first priority security interest in the Property valid and will not grant or permit any lien on the Property other than as specifically approved by Lender. Borrower will sign any additional documents or provide Lender with any additional information Lender may require in connection with Lender's claim to the Property.

Borrower will notify Lender promptly of any loss, or damage to, or confiscation of, the Property, including theft of the Home. When Lender requests, Borrower promptly will provide Lender with proof that (a) Borrower has the insurance required under the Loan Documents; (b) all taxes, both realty and personal assessed against the Property have been paid; (c) Lender's lien is the only lien against the Property; and (d) the Property is in good condition and repair.

6. **MORTGAGE INSURANCE.** Lender hereby waives the terms and conditions of Paragraph 8 of the Security Instrument.

7. **SUCCESSORS AND ASSIGNS BOUND; JOINT AND SEVERAL LIABILITY; CO-SIGNERS.** Paragraph 12 of the Security Instrument is amended to add a new second paragraph and a new third paragraph as follows:

Each Borrower who signs this Security Instrument is independently responsible to pay any amounts which are due or become due under it and to keep the other promises made in it. Each Borrower has this responsibility even if: (1) someone else has also signed this Security Instrument; (2) Lender releases or does not try to collect amounts due from another who is also responsible to make payment under the Loan Documents; (3) Lender releases any security or does not try to take back any Property; (4) Lender gives up any other rights Lender may have; or (5) Lender extends new credit, renews the Note, or modifies any other Loan Document in any other way.

Unless the law or the Loan Documents provide otherwise, Lender is not required to: (1) demand payment of amounts due; (2) give notice that amounts due have not been paid, or have not been paid in the appropriate amount, time, or manner; or (3) give notice that Lender intends to make, or is making, the Note immediately due.

8. **ACCELERATION; REMEDIES.** Paragraph 21 of the Security Instrument is amended to read as follows:

"21. Acceleration; Remedies. If Borrower is in default under the Loan Documents or if Borrower is in default under any other instrument secured by the Property, Lender has all of the remedies provided by law and the Loan Documents. Before using a remedy, Lender will send Borrower any notice required by law, and wait for any cure period that the law may require for that remedy. Lender's remedies include the following:

- a) **Entire Balance Due Immediately.** Lender may require Borrower to immediately pay Lender all amounts due under the Loan Documents.

- b) **Attorney's Fees and Other Costs.** Borrower will pay Lender's costs for collecting amounts Borrower owes Lender or defending Lender's interest in the Property, including, without limitation, court costs, reasonable attorneys' fees (if Lender refers this Loan for collection to an attorney who is not Lender's salaried employee) and costs of title examination.
- c) **Appointment of Receiver.** Lender, in any action to foreclose the Security Instrument, shall be entitled to appointment of a receiver without any special notice to Borrower. Lender may have a receiver appointed as a matter of right no matter what balance Borrower owes to Lender, and regardless of the adequacy of the Property.
- d) **Power of Sale.** Lender may invoke the power of sale and/or any other remedies or take any other actions permitted by applicable law.
- e) **Repossession.** At Lender's option to the extent permitted by law, Lender may elect to treat the Manufactured Home as personal property (the "Personal Property Collateral") Lender may repossess the Personal Property Collateral without giving Borrower any further notice. Lender may repossess peacefully from the place where the Personal Property Collateral is located without Borrower's permission. Lender also may require Borrower to make the Personal Property Collateral available to Lender at a place Lender designates that is reasonably convenient to Lender and Borrower. At Lender's option, to the extent permitted by law, Lender may detach and remove Personal Property Collateral from the real property on which it is located, or Lender may take possession of it and leave it on the real property, Borrower agrees to cooperate with Lender if Lender exercises these rights.

After Lender repossesses, in accordance with applicable law, Lender may sell Personal Property Collateral and apply the sale to Lender's reasonable repossession, repair, storage, and sale expenses, and then toward any other amounts Borrower owes under the Loan Documents.

If Lender repossesses, Lender also may take possession of any other property anywhere in or attached to the Manufactured Home. Lender agrees to return all such property to Borrower upon Borrower's request. Lender may hold the property for Borrower at Borrower's risk without liability on Lender's part. If Lender takes possession of any such property, lender will notify Borrower in writing. If Borrower does not then promptly claim and take possession of this property, Lender has Borrower's permission to dispose of it in a reasonable manner. Borrower will pay any reasonable charges that Lender may incur for storing or shipping such property.

In the event of any foreclosure sale, whether made by Trustee, or under judgment of a court, the Real Property and the Personal Property Collateral may, at the option of Lender, be sold as a whole or in parcels. It shall not be necessary to have present at the place of such sale the Personal Property Collateral or any part thereof. Lender, as well as Trustee on Lender's behalf, shall have all the rights, remedies and recourse with respect to the Personal Property Collateral afforded to a "Secured Party" by applicable state laws in addition to, and not in limitation of, the other rights and recourse afforded Lender and/or Trustee under the Security Instrument.

- f) **Suit for Deficiency.** Except when prohibited by law, Lender may sue Borrower for additional amounts if the sale proceeds do not pay all Borrower owes Lender.
- g) **Cumulative Remedies.** By choosing any one or more of these remedies, Lender does not waive Lender's right to later use one or more other remedies, except as limited by applicable law. To the extent permitted by law, exercise of any one or more remedies against one or more Borrowers will not prevent Lender from pursuing another remedy or remedies against any one or more Borrowers in the future. If Lender does not act on any default, Lender does not give up Lender's right to later treat that type of event as a default.

II. CONSTRUCTION LOAN COVENANTS

If Borrower enters into a Construction Loan Agreement in connection with the Loan, in addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

1. **CONSTRUCTION LOAN AGREEMENT.** Borrower's Note evidences Borrower's promise to pay Lender's the aggregate amount of all advances made and distributed by Lender under the terms and conditions of the Loan Agreement. The Loan Agreement provides for the construction of certain improvements (the "Improvements") on the Property. Borrower agrees to comply with the covenants and conditions of the Loan Agreement. The Security Instrument secures to Lender (a) the repayment of the debt evidenced by the Note, including the aggregate amount of all advances made by Lender from time to time under the terms of the Loan Agreement, with interest at the Note Rate, and all renewals, extensions, and modifications of the Note, (b) the performance of all of Borrower's covenants and agreements under the Loan Documents, and (c) the payment of all other sums, with interest at the Note Rate, advanced by Lender to protect the security of this Security Instrument, or to perform any of Borrower's obligations under the Loan Documents. Upon the failure of Borrower to keep and perform all the covenants, conditions and agreements of the Construction Loan Agreement, the principal sum and all interest and other charges provided for in the Loan Documents and secured hereby shall, at the option of the Lender, become due and payable.
2. **FUTURE ADVANCES.** During the construction of the Improvements (the "Construction Period"), interest will accrue on the outstanding principal balance according to the terms set forth in the Note and the Construction Loan Rider Amending Note. In the event there has been no default as defined under the Loan Documents, Lender is obligated to make advances of principal to the Borrower in accordance with the provisions of the Note and Loan Agreement up to a maximum principal amount (including present and future obligations), which is equal to the amount of the Note as set forth in the Security Instrument. Such advances shall be evidenced by the Note, made under the terms of the Loan Agreement and secured by this Security Instrument and may, to the extent permitted by law, occur for a period up to the end of the Construction Period, but in no event after (1) year from the date of this Rider.
3. **PERMANENT AFFIXATION OF THE MANUFACTURED HOME.** Notwithstanding anything to the contrary in the Security Instrument, Borrower promises that the Home will be permanently affixed to the Real Property from the time immediately prior to the final Advance under the Loan Agreement until the Loan is paid in full.
4. **ASSIGNMENT OF RIGHTS OR CLAIMS.** From time to time as Lender deems necessary to protect Lender's interest, Borrower shall, upon request of Lender, execute, acknowledge before a notary, and deliver to Lender, assignments of any and all rights or claims which relate to the construction on the Property.
5. **BREACH BY BORROWER.** In case of breach by Borrower of any of the covenants and conditions of the Loan Agreement, subject to any right of Borrower to cure Borrower's default, Lender, at Lender's option, with or without entry upon the Property (a) may invoke any of the rights or remedies provided in the Loan Agreement, (b) may accelerate the sums secured by the Security Instrument and invoke any of those remedies provided for in the Security Instrument, or (c) may do both. Lender's failure to exercise any of its rights and remedies at any one time shall not constitute a waiver by Lender of its right to exercise that right or remedy, or any other right or remedy, in the future.

Loan Number: 191001900

Servicing Number: 321097-8

Date: 06/13/00

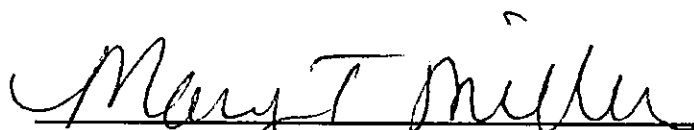

6. **PERMANENT MORTGAGE LOAN.** On the day the Construction Period ends, the Loan evidenced by the Note will be a permanent mortgage loan ("Permanent Mortgage Loan"). Beginning on the Permanent Mortgage Loan Date, interest shall accrue as stated in the Note, or as modified and monthly payments of principal and interest shall be due and payable as set forth in the Note, or as modified.

7. **PARAGRAPH 6 OF THE SECURITY INSTRUMENT.** The third sentence of Paragraph 6 of the Security Instrument hereby is amended to read as follows:

"Borrower promises and assures Lender that Borrower shall occupy, establish, and use the Property as Borrower's residence within 60 days after the end of the Construction."

All other provisions in Paragraph 6 of the Security Instrument remain unchanged.
