The described real property is not used principally for agricultural purposes (which is defined as an operation to produce crops, livestock or aquatic goods), together with all the tenements, hereditaments, and appurtenances now or hereafter thereunto belonging or in any wise appertaining, and the rents, issues and profits thereof.

This deed is for the purpose of securing performance of each agreement of grantor herein contained, and payment of the sum of **SIXTY THOUSAND AND NO/100 (\$60,000.00) DOLLARS**, with interest, in accordance with the terms of a promissory note of even date herewith, payable to Beneficiary or order, and made by Grantors, and all renewals, modifications and extensions thereof, and also such further sums as may be advanced or loaned by Beneficiary to Grantors, or any of their successors or assigns, together with interest thereon at such rate as shall be agreed upon. The term "Grantor" as used in this agreement includes the "Borrower" as defined in RCW 61.24, if the Borrower is a person or entity other than the Grantor.

To protect the security of this Deed of Trust, Grantor covenants and agrees:

1. To keep the property in good condition and repair; to permit no waste thereof; to complete any building, structure or improvement being built or about to be built thereon; to restore promptly any building, structure or improvement thereon which may be damaged or destroyed; and to comply with all laws, ordinances, regulations, covenants, conditions and restrictions affecting the property.
2. Grantors shall not cause, conduct or permit any nuisance nor commit, permit, or suffer any stripping of or waste on or to the property or any portion of the property. Without limiting the generality of the foregoing, Grantors will not remove, or grant to any other party the right to remove, any timber, minerals (including oil and gas), soil, gravel, or rock products without the prior written consent of Lender.

To keep all buildings now or hereafter erected on the property described herein continuously insured against loss by fire or other hazards in an amount not less than the total debt secured by this Deed of Trust. All policies shall be held by the Beneficiary, and be in such companies as the Beneficiary may approve and have loss payable first to the Beneficiary, as its interest may appear, and then to the Grantors. The amount collected under any insurance policy may be applied upon any indebtedness hereby secured in such order as the Beneficiary shall determine. Such application by the Beneficiary shall not cause discontinuance of any proceedings to foreclose this Deed of Trust. In the event of foreclosure, all rights of the Grantors in insurance policies then in force shall pass to the purchaser at the foreclosure sale.
6. To defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, and to pay all costs and expenses, including cost of title search and attorney's fees in a reasonable amount, in any such action or proceeding, and in any suit brought by Beneficiary to foreclose this Deed of Trust.

8. Should Grantors fail to pay when due any taxes, assessments, insurance premiums, liens, encumbrances or other charges against the property hereinabove described, Beneficiary may pay the same, and the amount so paid, with interest at the rate set forth in the note secured hereby, shall be added to and become a part of the debt secured in this Deed of Trust.
9. The Grantor shall not remove any timber or gravel from the described real property without the prior written consent of the Beneficiary. In the event that the Beneficiary provides such consent, a sum equal to one-half of the net proceeds from the timber shall be applied to reduction of the principal balance due on the Note which is secured by this Deed of Trust. In the event that the Beneficiary consents to the removal of gravel from the described real property, the net proceeds from the sale of such gravel shall be applied to reduction of

2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right to require prompt payment when due of all other sums so secured or to declare default for failure to so pay.

3. The Trustee shall reconvey all or any part of the property covered by this Deed of Trust to the person entitled thereto, on written request of the Grantor and the Beneficiary, or upon satisfaction of the obligation secured and written request for reconveyance made by the Beneficiary or the person entitled thereto.

- a. Default in Indebtedness: Failure of Grantors to make any payment when due on the indebtedness.

5. Upon occurrence of any event of default and at any time thereafter, all sums secured hereby shall immediately become due and payable, at the option of the Beneficiary. In such event and upon written request of Beneficiary, Trustee shall sell the trust property, in accordance with the Deed of Trust Act of the State of Washington, at public auction to the highest bidder. Pursuant to RCW 62.9-501(4), if this deed of trust encumbers both real and personal property, the trustee is authorized to sell all or any portion of the grantor's interest in the real and personal property at the trustee's sale. Any person except Trustee may bid at Trustee's sale. Trustee shall apply the proceeds of the sale as follows: (1) to the expense of the sale, including a reasonable Trustee's fee and attorney's fee; (2) to the obligation secured by this Deed of Trust; (3) the surplus, if any, shall be distributed to the persons entitled thereto. With regard to any personal property, fixtures, assignments of choses, such security may be foreclosed as provided herein, or as may otherwise be provided by law.

The costs of such receivership shall be added to and become a part of the debt secured by this Deed of Trust.

7. Trustee shall deliver to the purchaser at the sale its deed, without warranty, which shall convey to the purchaser the interest in the property which Grantor had or had the power to convey at the time of his execution of this Deed of Trust, and such as he may have acquired thereafter. Trustee's deed shall recite the facts showing that the sale was conducted in compliance with all the requirements of law and of this Deed of Trust, which recital shall be prima facie evidence of such compliance and conclusive evidence thereof in favor of bona

8. The power of sale conferred by this Deed of Trust and by the deed of Trust Act of the State of Washington is not an exclusive remedy; Beneficiary may cause this Deed of Trust to be foreclosed as a mortgage.
