Gary,

Attached in paragraph 21 is the 40 foot green belt area we discussed. As you can see, this has been recorded.

Also attached is the Road Maint. Agreement. You will need to take this to a title company and have it recorded as affecting your property, only in the event that a road is constructed across the easement serving your property and Cimarron Lane. Once recorded, have a copy sent to me.

After receiving your building permit, I will contact PSE.

After Tim talks to the PUD, we will confirm an assessment for water to your property.
