UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges.

Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance upon notice from Lender to Borrower requesting payment. shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any particular type of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Lender's option and Borrower's expense. Lender is under no obligation to purchase any coverage, at Lender's option and Borrower's expense. Lender may obtain insurance in connection with the review of any flood zone determination resulting from an objection by Borrower.

Borrower shall flood zone determination and certification services and subsequent charges each time remappings or charge for flood zone determination, certification and tracking services; or (b) a one-time charge for unreasonableness. Lender may require Borrower to pay, in connection with this loan, either: (a) a one-time subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised during the term of the loan. The insurance carrier providing the insurance shall be chosen by Borrower periods that Lender requires. What Lender requires pursuant to the preceding sentence can change any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the period of the Property insured against loss by fire, hazards included within the term "extended coverage", and unless Borrower shall keep the improvements now existing or hereafter erected reporting service used by Lender in connection with this loan.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or satisfy the lien or take one of more of the actions set forth above in this Section 4.

Notice identifying the lien. Within 10 days of the date on which notice is given, Borrower shall subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a subordinate to the lien to this Security Instrument. If Lender determines that any part of the Property is proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender operate to prevent the enforcement of the lien while those proceedings are pending, but only until such good faith by, or defends against Borrower's performance of the lien in, legal proceedings which in Lender's opinion acceptable to Lender, but only so long as Borrower is performing such agreements; (b) consents the lien in unless Borrower: (a) agrees in writing to the payment secured by the lien in a manner 3.

To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. attributable to the Property can attain priority over this Security Instrument, lessorhold payments or 4. Charges; Liens, Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment secured by the lien in a manner referred to Borrower any funds held by Lender.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments. Shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in escrow, as defined under RESPA, Lender to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a shortage in escrow, as defined under RESPA, and Borrower shall pay as defined under RESPA, Lender shall notify Borrower as required by RESPA. If there is a shortage of Funds held in escrow, Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall give to Borrower, without whiting, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without requiring to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in making or applying or applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or applicable Law permits Lender to pay the Escrow Items, unless Lender pays Borrower annually analyzing the escrow account, or verifying the Escrow Items, unless Lender holds the Funds, time specified under RESPA. Lender shall not charge Borrower for holding Funds no later than the instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured), or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the current account with Applicable Law.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

Lender all Funds, and in such amounts, that are then required under this Section 3. repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for

condemnation or forfeiture, for enforcement of a Lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property, and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property, and rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property (c) paying reasonable attorney fees to protect its interest in the Property and/or rights under this Security instrument, including its secured position in a bankruptcy proceeding. Securing the Property doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower if this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merging in writing.

10. Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage ceases to be available from the mortgagelisted payee, until alternative mortgage insurance is selected by Lender, Borrower shall continue to pay the cost of an equivalent coverage in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such a loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance ends in accordance with any written agreement between Lender's requirement for Mortgage Insurance and Borrower's obligation to pay a non-refundable loss reserve, until required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance evaluated risk on all such insurance in force from time to time, and it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Further: As a result of these agreements, Lender, any purchaser of the Note, another insurer, any insurer, any other entity, or any affiliate of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing the mortgage insurer's risk of reducing losses.

If such arrangement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "capture reinsurance". It is such arrangement for modifying the mortgage insurer's risk, or reducing losses.

Borrower will owe for Mortgage Insurance, and any entity will not entitle Borrower to any refund. Mortgagelisted, or any other terms of the Loan. Such agreements will not increase the amount

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to termination.

The Mortgage Insurance may include the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance premiums that were unearned at the time of such cancellation or

refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

as Trustee; and WASHINGTON FEDERAL SAVINGS as Beneficiary/Lender.

1. OCCUPANCY OF THE PROPERTY BY BORROWER.

There are two alternative covenants stated below which refer to occupancy of the Property by the Borrower, and only one alternative shall be a part of this Addendum. Lender has determined which alternative is a covenant of the Borrower by checking below the appropriate box opposite the paragraph immediately preceding the paragraph Lender has determined to be applicable to Borrower, and Borrower has agreed to this chosen alternative by executing this Addendum to the Security Instrument and pursuant to the terms of Lender's loan commitment.

Occupancy of Property by Borrower Required. Uniform Covenant 6 of the Security Instrument is amended by substituting the following language:

"Borrower shall occupy, establish and use the Property as Borrower's principal residence within sixty (60) days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless lender otherwise agrees in writing and in its sole discretion; provided, however, that if the loan evidenced by the Security Instrument is a 'custom' construction loan as defined by a Construction Loan Agreement between Lender and Borrower, then Borrower shall begin to occupy, establish and use the Property as Borrower's principal residence within sixty (60) days after receipt of Certificate of Occupancy, or similar official document, from the applicable governmental authority, unless Lender in its discretion agrees in writing to waive any governmental requirement. Borrower acknowledges that Uniform Covenant 6, as here amended, is required by Lender in consideration of Lender extending Borrower an 'Occupancy Note Rate' which is less than the prevailing 'Non-Occupancy Note Rate'. If Borrower shall default on the terms of occupancy as stated above, Lender may elect, at its option and notwithstanding any other terms of the Security Instrument to the contrary, any of the following remedies: (a) Lender may accelerate the terms of the Note and, upon fifteen (15) days notice, call the loan immediately due and payable in full, and if Borrower fails to make payment in full, Lender may thereafter exercise any remedy permitted by the Security Instrument, including suit on the Note or foreclosure upon the Security Interest and the Property; or (b) Lender may adjust the interest rate on the Note (and any monthly payment occasioned by such adjustment) to Lender's 'Non-Occupancy Note Rate' which existed as of the date of the Note and Security Instrument and require further consideration for not calling the loan immediately due and payable, including but not limited to (i) having Borrower convey to Lender a Fannie Mae Multistate 1-4 Family Rider (Assignment of Rents) and (ii) having Borrower pay any amount of principal on the loan necessary (if at all) to make the loan conform to whatever loan-to-value ratio conditions Lender would have required of a 'Non-Owner-Occupied Loan' on the Property as of the date of the Note and Security Instrument."

- G. **Hazard, Property, or Flood Insurance.** Without affecting the language contained in Covenants 3, 5, and 7 of the Security Instrument and paragraph D above, Borrower is advised as follows:

WARNING

Unless Borrower provides Lender with evidence of the insurance coverage as required by the deed of trust or loan agreement, Lender may purchase insurance at Borrower's expense to protect Lender's interest. This insurance may, but need not, also protect borrower's interest. If the collateral becomes damaged, the coverage Lender purchases may not pay any claim Borrower makes or any claim made against Borrower. Borrower may later cancel this coverage by providing evidence that it has obtained property coverage elsewhere.

Borrower is responsible for the cost of any insurance purchased by Lender. The cost of this insurance may be added to the loan balance. If the cost is added to the loan balance, the interest rate on the underlying loan will apply to this added amount. The effective date of coverage may be the date the prior coverage lapses or the date Borrower fails to provide proof of coverage.

The coverage Lender purchases may be considerably more expensive than insurance Borrower can obtain on its own and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.

- H. **Late Charges and Other Fees.** Lender may, at Lender's option, either require Borrower to pay any late charge for overdue payments or NSF/returned item fees related to any payments under the Note, or add the amount of any such charges or fees to the remaining principal balance of the loan. If these charges and/or fees are added to the loan, then they shall become additional debt of Borrower secured by this Security Instrument and shall bear interest at the Note rate and shall be payable in accordance with the terms of the Note.
- I. **Assignment of the Loan.** If Lender transfers its interest in or a right to receive loan payments under the Note secured by the Security Instrument, this Addendum, or any part of it, may be cancelled at the option of Lender and without advance notice to Borrower, and Lender may make and record any instrument, without signature of Borrower, which may be necessary to give record notice of such cancellation.
