11. To execute any instrument deemed necessary by the Mortgagee to assign, mortgage or waive such Grazing Rights to the Mortgagee; to pay all fees and charges, and to perform all acts and things necessary to preserve and keep in good standing the Grazing Rights; to take no action which would adversely affect the Grazing Rights; to procure renewals of the Grazing Rights upon or prior to their expiration date; to operate the lands covered by the Grazing Rights in conjunction with the other real estate portion of the Property and not to convey or attempt to convey either separately; to forward to Mortgagee copies of any notices received by Mortgagors regarding the Grazing Rights; and in the event of foreclosure of this mortgage, to waive all claims for preference in the Grazing Rights upon demand from the purchaser of the Property at foreclosure sale, or from any successor to such purchaser.

12. That if the Property is within an irrigation block and/or subject to water service contract(s) governed by the provisions of "Federal reclamation law," and the regulations issued thereunder, Mortgagors shall comply with the terms and provisions of said laws, regulations and contracts; Mortgagors, and each of them, for themselves, their heirs, successors and assigns, hereby appoint Mortgagee their attorney-in-fact to select and designate the portion of the Property to be subject to a recordable contract, in the event Mortgagors become subject to the excess land limitation; if Mortgagors fail to comply with the terms of said law, regulations or contracts, or if the delivery of water for the irrigation of the Property is discontinued in whole or in part, Mortgagors shall be in default; in the event the Bureau of Reclamation determines that continued drainage maintenance on the Property is no longer feasible, and Mortgagors purchase other lands offered as a preference purchase right (as an adjustment for wetlands), Mortgagors shall execute a supplemental mortgage on such lands in favor of the Mortgagee; and failure to execute such mortgage on demand, shall constitute an event of default.

13. That in the event of default in any of the covenants or agreements herein, or in any of the Loan Documents, Mortgagee may, at its option perform the same, in whole or in part; any advances, including, without limitation, attorney fees or costs, paid or incurred by Mortgagee to protect or enforce its rights under the Loan Documents, in bankruptcy, appellate proceedings or otherwise, shall be payable on demand and shall become a part of the indebtedness secured by this mortgage.

14. That the indebtedness and obligations secured by this mortgage are personal to the Mortgagors and are not assignable by Mortgagors; Mortgagee relied upon the credit of Mortgagors, the interest of Mortgagors in the Property and the financial market conditions then existing when making this loan; if Mortgagors sell, transfer or convey or contract to sell, transfer or convey the Property, or any portion thereof, or if the ownership of any corporation or partnership, owning all or any portion of the Property shall be changed either by voluntary or involuntary sale or transfer or by operation of law, without prior written consent of Mortgagee, or if Mortgagors default in the payment of the indebtedness, or with respect to any warranty, covenant or agreement in the Loan Documents or if a receiver or trustee for any part of the Property is appointed, or if

16. That the failure of Mortgagee to exercise any right or option provided herein, at any time shall not preclude Mortgagee from exercising any of such rights at any other time; the covenants and agreements contained herein shall be binding on and inure to the benefit of the parties and their respective heirs, successors and assigns; all rights conferred on Mortgagee are cumulative and additional to any rights conferred by law; and if any provision is found to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision hereof and the mortgage shall be construed as though such provision had been omitted.
