## ARTICLE 2. SECURITY AGREEMENT

**2.1. Grant of Security Interest.** This Deed of Trust creates a lien on the Collateral, and constitutes an absolute assignment of the Rents, Issues and Profits and of the Leases, all in favor of Lender, and includes all property now or hereafter affixed or attached to or incorporated upon the Land and Improvements, which, to the fullest extent permitted by law, shall be deemed fixtures and a part of the real property. To the extent that any part of the Collateral or Rents, Issues and Profits and Leases may be, or are determined to be, personal property, Borrower, as debtor, hereby grants to Lender, as secured party, a security interest in such part of the Collateral and Rents, Issues and Profits and Leases as is determined to be personal property, to secure payment and performance of the Secured Obligations. As to such personal property, this Deed of Trust constitutes a security agreement under the Uniform Commercial Code of the state in which the Project is located (the "*Project State*"), and terms used to describe the Collateral in Section 1 of this Deed of Trust shall have the definitions ascribed to such terms under the Uniform Commercial Code of the Project State.

**2.2. Perfection of Security Interest.** Borrower authorizes Lender to file one or more financing statements and such other documents as Lender may from time to time require to perfect and continue the perfection of Lender's security interest in any part of the Collateral or the Rents, Issues and Profits and Leases. Borrower shall pay all fees and costs that Lender may incur in filing such documents in public offices and in obtaining such record searches as Lender may reasonably require. Borrower shall cooperate with Lender in obtaining control of any portion of the Collateral that consists of Deposit Accounts, Investment Property, Letter-of-credit rights, and Electronic Chattel Paper, as such terms are defined in the Uniform Commercial Code of the Project State. If any financing statement or other document is filed in the records normally pertaining to personal property, that filing shall not be construed as in any way derogating from or impairing the declaration and the stated intention of the parties hereto that the Collateral and all components thereof are, to the maximum extent possible, real property or otherwise impair the rights or obligations of the parties under this Deed of Trust.

**2.3. Fixture Filing.** This Deed of Trust constitutes a financing statement filed as a fixture filing under the Uniform Commercial Code in effect in the Project State, as amended or recodified from time to time, covering any part of the Collateral that now is or later may become fixtures attached to the Land or Improvements.

## ARTICLE 3. ASSIGNMENT OF RENTS

**3.1. Leasing.** Borrower shall not lease the Project or any part thereof unless permitted under the Loan Agreement or by other express written consent of Lender, and then only strictly in accordance with such agreement. Notwithstanding the foregoing, however, any and all Leases at the Project, whether or not entered into with the consent of Lender, shall be subject to the provisions of this Article 3.

**3.2. Assignment.** Borrower hereby irrevocably, presently, absolutely and unconditionally assigns and transfers to Lender: (a) the Rents, Issues and Profits; (b) all Leases, and (c) any and all guarantees of any obligations of any lessee under each of the Leases (a "*Lessee*"). The assignments in this

Section are absolute assignments and irrevocable from Borrower to Lender and not merely the passing of security interests or assignments for security only.

**3.3. Grant of License.** Lender hereby confers upon Borrower a license ("*License*") to collect and retain the Rents, Issues and Profits as they become due and payable, and to administer the Leases, so long as no Event of Default, as defined in Section 6.1, shall exist and be continuing. If an Event of Default has occurred and is continuing, such License shall terminate without notice to or demand upon Borrower, without regard to the adequacy of Lender's security under this Deed of Trust.

**3.4. Collection and Application of Rents, Issues and Profits.** Subject to the License granted to Borrower under Section 3.3, Lender has the right, power, and authority to collect any and all Rents, Issues and Profits and administer the Leases. Borrower hereby appoints Lender its attorney-in-fact, coupled with an interest, to, at such times as Lender may choose in its sole discretion: (a) demand, receive and enforce payment of any and all Rents, Issues and Profits; (b) give receipts, releases and satisfactions for any and all Rents, Issues and Profits; or (c) sue either in the name of Borrower and/or in the name of Lender for any and all Rents, Issues and Profits. Lender's right to the Rents, Issues and Profits does not depend on whether or not Lender takes possession of the Project as permitted hereunder.

**3.5. Enforcement of Leases.** Borrower will (i) comply with and observe Borrower's obligations as landlord under all Leases and will do all that is necessary to preserve all Leases in force and free from any right of counterclaim, defense or set off, (ii) enforce the performance of each and every obligation, term, covenant, condition and agreement in the Leases by the tenants to be performed, (iii) notify Lender of the occurrence of any default under any Leases for non-residential use, and (iv) appear in and defend any action or proceeding arising under, occurring out of, or in any manner connected with the Leases or the obligations, duties, or liabilities of Borrower or the tenants thereunder. Without Lender's written consent, Borrower will not collect or accept payment of any Rents from the Collateral more than one (1) month prior to the due dates thereof; will not surrender or terminate any Lease for non-residential use; and will not request or consent to the subordination of any Lease to any lien subordinate to this Deed of Trust.

**3.6. Modification of Leases.** Without the prior written consent of Lender, Borrower shall not: (i) waive, excuse, condone, discount, set off, compromise, or in any manner release or discharge the tenant under any Leases for non-residential use from any obligations, covenants, conditions and agreements by tenant to be kept, observed and performed, including the obligation to pay the Rents thereunder in the manner and at the place and time specified therein; (ii) cancel, terminate, consent to or permit any surrender of any non-residential Leases; or (iii) renew or extend the term of the Leases for any non-residential use for a lesser rental unless an option therefor was originally so reserved by the tenant of the Leases for a fixed and definite rental.

**3.7. Lender Not Responsible.** Under no circumstances shall Lender have any duty to produce Rents, Issues and Profits from the Project. Regardless of whether or not Lender, in person or by agent, takes actual possession of the Project, Lender is not and shall not be deemed to be: (a) a "mortgagee in possession" for any purpose; (b) responsible for performing any of the obligations of the lessor under any Lease; (c) responsible for any waste committed by Lessees or any other parties, any dangerous or defective condition of the Project, or any negligence in the management, upkeep, repair or control of the Project; or (d) liable in any manner for the Project or the use, occupancy, enjoyment or operation of all or any part of it, except for such matters as may arise from the willful misconduct and bad faith of Lender.

**4.2.1. To the best of Borrower's knowledge, Borrower's intended uses of the Project, including but not limited to the improvements and materials to be constructed and installed on and in the Project and the work method for accomplishing such construction, comply fully with all Environmental Laws.

**4.3. No Waivers of Other Indemnifications Relating to Environmental Condition.**

Except as set forth herein or in any separate indemnity agreement executed by Borrower in connection with the Loan: (i) Borrower has not and will not release or waive the liability of any past or current owner, lessee, or operator of the Project, any party who performs work on the Project, or any party who may be responsible for the presence of or removal of Hazardous Substances on or from the Project or the Nearby Property, and (ii) Borrower has made no prior promises of indemnification to any party relating to the existence or non-existence of Hazardous Substances on the Project.

**4.4. Obligation to Comply with Environmental and Building Laws.**

Borrower shall construct, keep, and maintain the Collateral in compliance with any and all laws relating to public safety and the condition of the environment, including but not limited to the Environmental Laws and the Building Laws. Borrower covenants that, so long as Borrower owns any interest in the Project, Borrower and Borrower's agents, contractors, authorized representatives, and employees shall not engage in any of the following prohibited activities, and Borrower shall use diligent efforts to assure that Borrower's invitees and tenants, and such tenant's employees, agents, and invitees shall not: (i) cause or permit any release or discharge of Hazardous Material on the Project other than in full compliance with all Environmental Laws; (ii) cause or permit any manufacturing, storage, holding, handling, usage, placement, transporting, spilling, leaking, discharging, or dumping of Hazardous Material in or on any portion of the Project other than in full compliance with all Environmental Laws; (iii) suffer or permit any other act upon or concerning the Project that would result in a violation of any Environmental Law or require any alterations or improvements to be made on the Project under any of the Environmental Laws; or (iv) suffer or permit any other act upon or concerning the Project that would result in a violation of any Access Law or require any alterations or improvements to be made on the Project under any of the Building Laws.

**4.5.2.** If, upon giving such notice or for any other reason, one or more governmental agencies having appropriate jurisdiction requires removal or treatment of Hazardous Substances from or on the Project or the making of alterations to the Project to conform to Building Laws, or such removal, treatment, or alteration is required by Environmental Laws or Building Laws, Borrower will: (i) take all actions that are necessary or desirable to clean up any Hazardous Substances affecting the Project, including removal, treatment, containment or any other remedial action required to restore the Project to a safe condition in compliance with applicable laws and regulations, including Environmental Laws, (ii) take all actions that are necessary or desirable to modify the Project and all Improvements and marketing materials so as to achieve compliance with applicable laws and regulations, including Building Laws, and/or (iii) attempt, through appropriate legal or administrative proceedings, to appeal, contest, or obtain a stay of enforcement proceedings if Borrower believes in good faith that Borrower is not required by law to cure such Hazardous Substances condition or to make alterations to comply with Building Laws.

**4.5.3.** Except for removal or treatment of any Hazardous Substances deposited on the Project by Lender, Borrower agrees that the amelioration, treatment, containment, or removal of all Hazardous Substances that may be discovered on the Project shall be at Borrower's sole expense, reserving unto Borrower any claims for contribution or indemnity that Borrower may have against other parties who may be held liable therefor.

**4.6. Indemnification of Lender.** Borrower shall indemnify and hold Lender harmless from and against any and all claims, demands, damages, losses, liens, liabilities, penalties, fines, lawsuits and

other proceedings and costs and expenses (including attorneys' fees and disbursements) that result in actual cost and expense to Lender prior to any transfer of the Project pursuant to foreclosure proceedings or in lieu thereof, and arise directly or indirectly from or out of, or in any way connected with: (i) the inaccuracy of the representations contained herein; (ii) any activities on the Project during Borrower's ownership, possession or control of the Project that directly or indirectly result in the Project or any Nearby Property becoming contaminated with Hazardous Substances; (iii) the discovery and/or clean up of Hazardous Substances that were deposited on or were existing on the Project prior to such a transfer or that were deposited on any Nearby Property as a result of Borrower's actions or omissions; or (iv) any alleged or actual failure of any improvements now or hereafter constructed on the Project to continuously comply with all Building Laws now or hereafter enacted for any reason whatsoever. Borrower acknowledges that, as between Borrower and Lender, Borrower will be solely responsible for all costs and expenses relating to the clean up of Hazardous Substances from the Project or the clean up of any Hazardous Substances from any Nearby Property as a result of Borrower's actions or omissions and the modification and correction of any of the improvements constructed on the Project so as to comply fully with all Building Laws.

**5.2.2. Title to Personal Property.** Borrower owns any portion of the Collateral that is personal property free and clear of any security agreements, reservations of title, or conditional sales contracts, and there is no financing statement affecting such personal property on file in any public office other than in Lender's favor.

**5.2.3. Right to Encumber/Priority.** Borrower has the full and unlimited power, right, and authority to encumber the Collateral and assign the Rents, Issues and Profits and Leases. **5.2.4. Commercial Purposes.** The Loan and the other Secured Obligations were obtained by Borrower and will continue to be used for commercial or business purposes, other than agricultural, timber, or grazing purposes, and not for personal, family or household purposes.

Borrower shall also pay when due all real property taxes, assessments, levies and charges imposed by any public authority upon Lender by reason of its interest in the Collateral created hereby. All of the foregoing taxes, assessments and other charges payable by Borrower with respect to the Collateral are collectively referred to as the "*Impositions*." If requested by Lender, Borrower shall furnish Lender with receipts from the appropriate taxing authority or other proof satisfactory to Lender that all Impositions have been paid on or before the date upon which they become delinquent.

**5.4. Liens, Charges and Encumbrances.** Borrower shall not encumber or permit the encumbrance of the Collateral without Lender's prior written consent and Borrower shall immediately discharge any lien on the Collateral to which Lender has not consented in writing. Borrower shall pay or cause to be paid when due all obligations secured by or reducible to liens and encumbrances that shall now or hereafter encumber or appear to encumber the Collateral or any part thereof, all claims for work or labor performed, or materials or supplies furnished, in connection with any work upon the Project, whether the lien, charge or encumbrance is or would be senior or subordinate to this Deed of Trust; provided, however, that Borrower shall not be in default hereunder due to any such lien, charge, or encumbrance that is a Permitted Exception. Lender hereby expressly reserves the right to advance any and all funds necessary to cure any and all such obligations, and/or claims.

**5.5. Required Insurance.** Borrower shall keep the following insurance coverages in effect with respect to the Collateral: (a) Insurance against loss by fire and the hazards now or hereafter embraced by the standard "All Risk" form of insurance, in an amount equal at all times to the full insurable value of the Improvements. All such insurance coverage shall contain a "replacement cost endorsement" without reduction for depreciation, and shall also contain loss of rents and/or business interruption insurance coverage, a fluctuating value endorsement with a waiver of the co-insurance clause (or an agreed amount endorsement with an inflation guard endorsement), and shall contain such other endorsements as Lender may reasonably request. All such endorsements shall be in form and substance satisfactory to Lender; (b) comprehensive public liability insurance against claims for bodily injury, death or property damage occurring on, in or about the Land of the Improvements in amounts and on terms acceptable to the Lender; (c) flood insurance in an amount satisfactory to Lender and on terms satisfactory to Lender if the Land is located in a designated flood hazard area; and (d) insurance against such similar or other hazards, casualties, liabilities and contingencies, in such forms and amounts, as Lender may from time to time reasonably require. Each insurance policy shall be with a company and in a form acceptable to Lender. Each hazard insurance policy shall include a Form 438BFU or equivalent mortgagee endorsement in favor of Lender. Each liability insurance policy shall name Lender as an additional insured. All required policies will provide for at least ten (10) days' written notice to Lender prior to the effective date of any cancellation or material amendment, which term shall include any reduction in the scope or limits of coverage. Borrower shall furnish to Lender the original of each required insurance policy, or a certified copy thereof together with a certificate of insurance setting forth the coverage, the limits of liability, the carrier, the policy number and the expiration date. Borrower shall promptly furnish to Lender all renewal notices relating to insurance policies. Borrower shall pay all premiums on insurance policies directly to the carrier. At least thirty (30) days prior to the expiration date of each such policy, Borrower shall furnish to Lender a renewal policy in a form acceptable to Lender, together with evidence that the renewal premium has been paid. As security for the Secured Obligations, Borrower hereby assigns to Lender all required insurance policies, together with all proceeds thereof, rights thereto and all unearned premiums returnable upon cancellation.

**5.6. Insurance and Condemnation Proceeds.**

**5.6.1. Payment to Lender.** Borrower hereby absolutely and irrevocably assigns to Lender, and authorizes the payor to pay to Lender, the following claims, causes of action, awards, payments and rights to payment, together with all interest that may accrue thereon (collectively, the "Claims"):

**5.6.1.1 Condemnation Awards.** All awards of damages and all other compensation payable directly or indirectly because of a condemnation, proposed condemnation, or taking for public or private use that affects all or part of the Collateral or any interest in it;

**5.6.1.2 Warranty Claims.** All awards, claims, and causes of action arising out of any warranty affecting all or any part of the Collateral, or for damage or injury to or decrease in value of all or part of the Collateral or any interest in it; and

**5.6.1.3 Insurance Proceeds.** All proceeds of any insurance policies payable because of damage or loss sustained to all or part of the Collateral.

**5.6.2. Notice to Lender.** Borrower shall immediately notify Lender in writing if: (i) any damage occurs or any injury or loss is sustained to all or part of the Collateral, whether or not covered by insurance or warranty, or any action or proceeding relating to any such damage, injury, or loss is commenced; or (ii) any offer is made, or any action or proceeding is commenced, that relates to any actual or proposed condemnation or taking of all or part of the Collateral.

**5.6.3. Pursuit of Claims.** Borrower shall pursue recovery of all such Claims and defend its rights under any proceeding for condemnation of the Collateral or any part thereof and prosecute the same with due diligence to its final disposition, and shall cause any awards or settlements to be paid over to Lender for disposition pursuant to the terms of this Deed of Trust. Lender may, at Lender's option and in Lender's sole discretion, as attorney-in-fact for Borrower, make proof of loss and adjust and compromise any Claims, appear in or prosecute any action or proceeding to enforce the Claims, or participate in any action or proceeding relating to condemnation or taking of all or part of the Collateral, and may join Borrower in adjusting any loss covered by insurance. Borrower shall deliver or cause to be delivered to Lender such instruments as may be requested by Lender from time to time to permit Lender to take any such actions.

**5.6.4. Application of Proceeds.** All proceeds of the Claims that Borrower may receive or be entitled to receive shall be paid to Lender. Lender shall apply any proceeds received by it hereunder first to the payment of the reasonable costs and expenses incurred in the collection of the proceeds. Lender shall then apply the remaining balance of such proceeds (the "*Net Claims Proceeds*"), in its absolute discretion and without regard to the adequacy of its security: (i) to any of the Secured Obligations, notwithstanding the fact that Secured Obligations may not be due according to the terms thereof; (ii) to reimburse Borrower for the costs of reconstructing the Improvements or otherwise repairing or restoring the Collateral; or (iii) to Borrower; provided, however, that if there are no outstanding Events of Default under any of the Loan Documents and Borrower establishes, to Lender's reasonable satisfaction, that Borrower has sufficient funds, including the Net Claims Proceeds, to fully rebuild or repair the Collateral within the remaining term of the Loan and without delaying the completion date of the Project, Lender shall make disbursements of the Net Claims Proceeds for purposes of repair or restoration of the Collateral.

**5.6.5. Restoration.** If the Net Claims Proceeds are used to reimburse Borrower for the cost of reconstruction, restoration, or repair of the Collateral, the Collateral shall be promptly and diligently restored by Borrower to the equivalent of its condition immediately prior to the casualty or condemnation in accordance with the Plans or to such other condition as Lender may approve in writing, and disbursements of such Net Claims Proceeds shall be in accordance with disbursement procedures acceptable to Lender. If, after applying the Net Claims Proceeds to the Secured Obligations, Lender reasonably determines the remaining security to be inadequate to secure the remaining Secured Obligations, Borrower shall, upon written demand from Lender, repay an amount that will reduce the remaining Secured Obligations to a balance for which adequate security is present.

**5.7. Reserves for Taxes and Insurance.** If required by Lender after an Event of Default has occurred, Borrower shall deposit with Lender, in monthly installments, an amount equal to one-twelfth of the estimated aggregate annual Impositions and insurance premiums for the Project. In such event, Borrower shall cause all bills, statements, or other documents relating to the Impositions and insurance premiums to be sent or mailed directly to Lender. Upon receipt of such bills, statements, or other documents, and provided Borrower has deposited sufficient funds with Lender pursuant to this Section, Lender shall pay such amounts as may be due thereunder out of the funds so deposited with Lender. If at any time and for any reason the funds deposited with Lender are or will be insufficient to pay such amounts as may then or subsequently be due, Lender shall notify Borrower and Borrower shall immediately deposit an amount equal to such deficiency with Lender. Notwithstanding the foregoing, nothing contained herein shall cause Lender to be deemed a trustee of said funds or to be obligated to pay any amounts in excess of the amount of funds deposited with Lender pursuant to this Section. Lender may commingle said reserve with its own funds and Borrower shall be entitled to no interest thereon.

**5.8. Maintenance and Preservation of the Collateral.** Borrower covenants: (a) to maintain and preserve the Collateral in good condition and repair and in a prudent businesslike manner; (b) not to remove, demolish or structurally alter the Collateral or any part thereof, or alter, restore or add to the Collateral, or initiate or allow any change in any zoning or other land use classification that affects the Collateral or any part of it, except with Lender's express prior written consent, and except such alterations as may be required by laws, ordinances, rules, regulations, or orders of governmental authorities or by the terms hereof; (c) to comply with and not suffer violations of any existing and future subdivision laws, building codes, zoning laws and regulations, and other laws, regulations, ordinances, rules, codes, orders, directives, guidelines, building restrictions and requirements of, and all agreements with and commitments to, all federal, state, county or municipal governmental, judicial or legal authorities or agencies having jurisdiction over the Borrower or the Project, including those pertaining to the construction, sale, lease, or financing of the Improvements, and all recorded covenants and restrictions affecting the Project (the "Requirements"); (d) not to commit or permit any waste to or deterioration of the Collateral; (e) to perform all other acts that from the character or use of the Collateral may be reasonably necessary to maintain and preserve its value; (f) to perform all obligations required to be performed under the Loan Documents, and all other obligations of Borrower pertaining to the Collateral; and (g) to execute and, where appropriate, acknowledge and deliver such further instruments as Lender or Trustee may deem necessary or appropriate to preserve, continue, perfect and enjoy the security provided for herein.

**5.9. Defense and Notice of Actions; Costs.** Borrower shall, without liability, cost, or expense to Lender or Trustee, protect, preserve, and defend Borrower's fee interest in and to the Project and Borrower's interest in the Collateral, the security of this Deed of Trust, any additional or other security for the Secured Obligations, and the rights or powers of Lender or Trustee hereunder against all adverse claims. Said protection, preservation, and defense shall include, but not be limited to, protection, preservation and defense against all adverse claimants to and encumbrancers of Borrower's interest in the Collateral, whether or not such claimants or encumbrancers assert an interest paramount to that of Lender. Borrower shall give Lender and Trustee prompt notice in writing of the filing of any such action or proceeding. Borrower shall pay all costs, fees, and expenses including, without limitation, costs of evidence of title, trustees' fees, and reasonable attorneys' fees paid or incurred in any action or proceeding in which Lender and/or Trustee may appear or be made a party, whether or not pursued to final judgment, and in any exercise of the power of sale or other remedy contained herein, whether or not such sale is actually consummated or such other remedy is actually prosecuted to completion.

**5.10. Right of Inspection.** Lender, its agents, employees and representatives shall have the right to enter the Project at any reasonable time for the purpose of inspecting the Project and ascertaining Borrower's compliance with the terms hereof, and for such other purposes and in accordance with the terms specified in any of the other Loan Documents.

**5.11. Actions of Trustee.** Trustee accepts this trust when this Deed of Trust, duly executed and acknowledged, becomes a public record as provided by law.

**5.11.1. Compensation.** Borrower agrees to pay fees in the maximum amounts legally permitted, or reasonable fees as may be charged by Lender and Trustee when the law provides no maximum limit, for any services that Lender or Trustee may render in connection with this Deed of Trust. Borrower further agrees to pay or reimburse Lender for all costs, expenses and other advances that may be incurred or made by Lender or Trustee in any efforts to enforce any terms of this Deed of Trust, whether any lawsuit is filed or not, or in defending any action or proceeding arising under or relating to this Deed of Trust, including attorneys' fees and other legal costs, costs of any Foreclosure Sale (as defined in Section 6.2.8) or bankruptcy proceeding affecting the Borrower or the Collateral, and any cost of evidence of title.

**5.11.2. Exculpation.** Lender shall not be directly or indirectly liable to Borrower or any other person as a consequence of: (i) Lender's exercise of or failure to exercise any rights, remedies, or powers granted to it in this Deed of Trust or to perform or discharge any obligation or liability of Borrower under any agreement related to the Collateral or under this Deed of Trust; or (ii) any loss sustained by

Borrower or any third party resulting from any act or omission of Lender in managing the Project, unless the loss is caused by the willful misconduct or gross negligence of Lender. Borrower hereby expressly waives and releases all liability of the types described above, and agrees that no such liability shall be asserted against or imposed upon Lender.

**5.11.3. Indemnification.** Borrower agrees to indemnify Trustee and Lender against and hold each of them and their respective officers, employees, agents, and representatives, harmless from and against any and all losses, damages, liabilities, claims, causes of action, judgments, court costs, attorneys' fees, and other legal expenses, cost of evidence of title, cost of evidence of value, and other costs and expenses that either may reasonably suffer or incur: (i) in performing any act required or permitted by this Deed of Trust or any of the other Loan Documents or by law; (ii) because of any failure of Borrower to perform any of its Secured Obligations; or (iii) because of any alleged obligation of or undertaking by Lender to perform or discharge any of the representations, warranties, conditions, covenants or other obligations in any document relating to the Collateral other than the Loan Documents. This agreement by Borrower to indemnify Trustee and Lender shall survive the release and cancellation of any or all of the Secured Obligations and the full or partial release and/or reconveyance of this Deed of Trust.

**5.11.4. Payment by Borrower.** Borrower shall fulfill all obligations to pay money arising under this Section immediately upon demand by Trustee or Lender. Each such obligation shall be added to, and considered to be part of, the principal of the Note, and shall bear interest from the date the obligation arises at the rate applicable to the principal balance of the Note, as such rate may be adjusted.

**5.12. Permitted Actions.**

**5.12.1. Releases, Extensions, Modification, and Additional Security.** From time to time, Lender may perform any of the following acts without incurring any liability or giving notice to any person: (i) release any person liable for payment of any Secured Obligation; (ii) extend the time for payment, or otherwise alter the terms of payment, of any Secured Obligation; (iii) accept additional real or personal property of any kind as security for any Secured Obligation; or (iv) alter, substitute, or release all or any portion of the Collateral.

**5.12.2. Additional Actions.** From time to time Lender, or Trustee when requested to do so by Lender in writing, may perform any of the following acts without incurring any liability or giving notice to any person and without affecting the personal liability of any person for payment or performance of any of the Secured Obligations: (i) consent to the making of any plat or map of the Project or any part of it; (ii) join in granting any easement or creating any covenant or restriction affecting the Project; (iii) join in any extension, subordination, or other agreement affecting this Deed of Trust or the lien of it; or (iv) reconvey the Collateral or any part of it without any warranty.

**5.13. Partial Reconveyance.** Upon Borrower's fulfillment of all of the terms and conditions set forth in the Loan Documents, Lender agrees, at any time upon the written request of Borrower, to direct Trustee to execute and deliver a partial reconveyance releasing from the lien of this Deed of Trust each of the separate subdivision lots (or condominium units, if applicable) that collectively constitute the Land (each lot or condominium unit to be released is hereinafter referred to as a "**Release Unit**") so long as: (i) there does not exist any uncured default under any of the Loan Documents or any event which, following notice and/or the expiration of any applicable cure period without a cure, would constitute an default thereunder, (ii) the Release Unit and the real property remaining subject to the Deed of Trust shall each constitute legal and separately conveyable parcels with reasonable and adequate access to public streets and utilities, in accordance with the Plans, and (iii) Lender receives the release price established in the Loan Documents (the "**Release Price**") and all other amounts it is entitled to receive thereunder. Except as specifically provided in the Loan Documents, Lender shall not be obligated to reconvey the lien of the Deed of Trust, in whole or in part, until it has received payment in full of all amounts due Lender under any of the Loan Documents. Lender's acceptance of any payment or instruction to the Trustee to issue any partial reconveyance shall not affect Borrower's obligation to repay all amounts that remain owing under the Loan Documents or the security of this Deed of Trust regarding any Collateral that is not reconveyed. If Lender does not require satisfaction of all of the conditions set forth in the Loan Agreement

before releasing one or more Release Units, that alone shall not be a waiver of such conditions, and Lender reserves the right to require their satisfaction in full before releasing any further Release Units from this Deed of Trust.

**5.14. Full Reconveyance.** When all of the Secured Obligations have been paid in full and there exists no default under any Related Loan, Lender shall request Trustee in writing to reconvey the Collateral, and shall surrender this Deed of Trust and all notes and instruments evidencing the Secured Obligations to Trustee. When Trustee receives Lender's written request for reconveyance and all reconveyance fees, recording fees, or other fees and expenses owing to it by Borrower hereunder, Trustee shall reconvey the Collateral, or so much of it as is then held under this Deed of Trust, without warranty to the person or persons legally entitled to it. In the reconveyance, the grantee may be described as "the person or persons legally entitled thereto," and the recitals of any matters or facts shall be conclusive proof of their truthfulness. Neither Lender nor Trustee shall have any duty to determine the right of persons claiming to be rightful grantees of any reconveyance.

**5.15. Late Charge.** If Borrower commits an Event of Default in the payment of an amount due and payable under this Deed of Trust, a late charge as specified in and measured by the Note may be charged by Lender for the purpose of defraying the extra administrative expenses incident to handling such delinquent payment and the loss of the use of funds resulting from Borrower's non-payment when due. Such late charge shall be paid without prejudice to the rights of the holder of the Note to collect any other amounts provided to be paid thereunder.

**5.16. Subrogation.** Lender shall be subrogated to the liens of all encumbrances, whether released of record or not, that are discharged in whole or in part by Lender in accordance with this Deed of Trust or with the proceeds of the Loan.

**5.17. Notice of Change.** Borrower shall give Lender prior written notice of any change in: (i) the location of its place of business or its chief executive office if it has more than one place of business; (ii) the location of any of the Collateral, including the Books and Records; and (iii) Borrower's name or business structure. Unless approved by Lender in writing, all Collateral that consists of personal property (other than the Books and Records) will be located at the Project and all Books and Records will be located at Borrower's place of business, or chief executive office if Borrower has more than one place of business.

## ARTICLE 6. DEFAULTS AND REMEDIES

**6.1. Events of Default.** The occurrence of any one or more of the following shall constitute an "Event of Default":

**6.1.1. Payment Default.** Failure to make any payment or to perform an obligation to pay money that arises under the Note or any of the other Loan Documents within fifteen (15) days after the date on which such payment is due, except for obligations due on the Maturity Date of the Note, for which there shall be no 15-day grace period;

**6.1.2. Construction Defaults.** Any of the following relating to construction of the Project: (i) The filing of any mechanic's lien or any stop notice with respect to the Project that is not bonded against or released upon Borrower's discovery thereof and within thirty (30) business days after filing; (ii) Any material failure in the construction and completion of the Improvements to comply with: (a) the Plans; (b) the Requirements, or (c) the terms of this Agreement, if such failure is not cured within thirty (30) days after notice thereof by Lender, or, if such cure cannot be accomplished within such 30-day period through the exercise of diligence, the failure by Borrower to promptly commence the required cure and thereafter to continue the cure with due diligence until such default is totally cured, which must in any event occur within ninety (90) days after such default; or (iii) Borrower's failure to proceed with work on the Improvements in a diligent and workmanlike manner if such failure is not cured within fifteen (15) days after written notice thereof by Lender.

**6.1.3. Unauthorized Transfer.** A transfer, purported transfer, or change of ownership or control of Borrower in violation of Article 7.

**6.1.4. Insolvency.** Borrower or any trustee of Borrower or Guarantors: (i) files a petition in bankruptcy or for an arrangement, reorganization, or any other form of debtor relief; or such a petition is filed against Borrower or Guarantors or any trustee of Borrower or Guarantor and is not dismissed within forty-five (45) days after the date of filing; (ii) commences any proceeding for dissolution or liquidation or any such proceeding is commenced against Borrower or Guarantors and is not dismissed within forty-five (45) days after the date of commencement; or (iii) makes an assignment of all or substantially all of its assets for the benefit of its creditors.

**6.1.5. Appointment of Receiver.** A decree or order is entered for the appointment of a trustee, receiver, or liquidator for Borrower or Guarantors or any of the Collateral, and such decree or order is not vacated within forty-five (45) days after the date of entry.

**6.1.6. Money Judgment.** A final judgment, order or decree for the payment of money shall be rendered against Borrower or any Guarantor, and Borrower or such Guarantor shall not satisfy and pay the same or cause it to be discharged within 30 days from the entry thereof, or shall not appeal therefrom and secure a stay of execution pending such appeal, or there is an attachment, execution, or other judicial seizure of any portion of Borrower's assets and such seizure is not discharged or bonded against to Lender's reasonable satisfaction within thirty (30) days.

**6.1.7. Misrepresentation.** Any written representation or disclosure made to Lender by Borrower proves to be materially false or misleading when made, whether or not that written representation or disclosure is contained herein.

**6.1.8. Security Impaired.** There is an uninsured casualty with respect to any material portion of the Collateral and Borrower fails to immediately repair such damage, Borrower fails to satisfy the conditions set forth in the Deed of Trust for the release of insurance proceeds or any condemnation award, or, whether or not Lender has received and applied insurance proceeds or any condemnation award to the Secured Obligations in accordance with the Deed of Trust, Lender reasonably determines that its security is impaired by such casualty or condemnation and Borrower fails to immediately deposit in Borrower's Account an amount determined by Lender as necessary to restore such security.

**6.1.9. Defaults Under Agreements with Third Parties.** Borrower defaults in the performance of any material covenant under any permitted financing related to the Project, or under any sales agreement, lease, or other instrument assigned to Lender as security for the Loan.

**6.1.10. Other Defaults Under Loan Documents.** Borrower fails to perform any other covenant, agreement, or obligation under any of the Loan Documents, including the failure to provide any reports required to be provided to Lender, if such default is not cured within thirty (30) days after written notice thereof by Lender (or such other period as may otherwise be specified herein or in the Loan Document under which such default arises).

**6.1.11. Default Under Related Loan Documents.** An Event of Default as defined under the Related Loan Documents occurs.

**6.2. Rights and Remedies.** At any time after the occurrence of an Event of Default hereunder, Lender and/or Trustee shall have all of the rights and remedies described below, in addition to any other rights and remedies of Lender under the Loan Agreement, the other Loan Documents, or the Related Loan Documents. To the fullest extent permitted by law, all of such rights and remedies shall be cumulative and the exercise of any one or more of them shall not constitute an election of remedies:

**6.2.1. Receiver.** If an Event of Default shall have occurred and be continuing, Lender may, as a matter of right and without regard to the then-current value of the Collateral or the interest of Borrower therein, upon *ex parte* application and without notice to Borrower of anyone claiming under Borrower, apply to any court having jurisdiction to appoint a receiver for the Collateral or any portion thereof, and Borrower hereby irrevocably consents to the appointment of a receiver upon such Event of

Default. Any such receiver shall have the usual powers and duties of receivers in like or similar cases and all the powers and duties of Lender set forth in this Deed of Trust or any of the other Loan Documents. Employment by Lender shall not disqualify a person from serving as receiver.

**6.2.2. Cure; Protection of Security.** With or without notice, and without releasing Borrower from any obligation hereunder, Lender may (but shall not be obligated to) cure any breach or default of Borrower and, if it chooses to do so in its sole discretion, make such advances and do any and all other things that it may in its sole discretion consider necessary and appropriate to protect its Collateral and the security of this Deed of Trust.

**6.2.3. Entry.** Lender, in person, by agent, or by court-appointed receiver, with or without bringing any action or proceeding, may terminate Borrower's right and license to collect the Rents, Issues and Profits and to administer the Leases, and enter, take possession of, complete construction on, manage and operate, and lease or sell, all or any part of the Collateral, and may also do any and all other things in connection with those actions that Lender may in its sole discretion consider necessary or appropriate to protect the security of this Deed of Trust or that are otherwise permitted to be taken or conducted by Lender under the Loan Agreement. If Lender so requests, Borrower shall assemble any Collateral that has been removed from the Project and make all of it available to Lender at the Project site. The entering upon and taking possession of the Project, the collection of the Rents, Issues and Profits and the application thereof as aforesaid, or any of such acts, shall not cure or waive any default or notice of default hereunder or invalidate any other right or remedy that Lender may have in response to such default or pursuant to such notice and, notwithstanding the continued possession of the Project or the collection, receipt, and application of the Rents, Issues and Profits by Lender, Trustee, or Lender's receiver or agent, Trustee or Lender shall be entitled to exercise every right provided for in any of the Loan Documents or by law upon the occurrence of any Event of Default.

**6.2.4. Uniform Commercial Code Remedies.** With respect to all or any part of the Collateral that constitutes personal property, Lender shall have all of, and may exercise any or all of, the rights and remedies of a secured party under the Uniform Commercial Code in effect in the Project State.

**6.2.5. Judicial Action.** Lender may commence and maintain an action or actions in any court of competent jurisdiction to foreclose this instrument as a mortgage or to obtain specific enforcement of the covenants of Borrower hereunder, and Borrower agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy and that Borrower waives the defense of laches and any applicable statute of limitations. If this Deed of Trust is foreclosed by judicial action, and the Collateral sold at a foreclosure sale, the purchaser may, during any redemption period allowed, make such repairs or alterations on the Land as may be reasonably necessary for the proper operation, care, preservation, protection and insuring thereof. Any sums so paid together with interest thereon from the time of such expenditure at the lesser of the default rate under the Note, or the maximum rate permitted by law, shall be added to and become a part of the amount required to be paid for redemption from such sale. In addition, Lender will be entitled to a judgment providing that, if the foreclosure sale proceeds are insufficient to satisfy the judgment, execution may issue for the deficiency.

**6.2.6. Realization on Security.** Lender may resort to and realize upon or waive the security hereunder and any other security now or hereafter held by Lender in such order and manner as Trustee and Lender or either of them may, in their sole discretion, determine; which resort to such security may be taken concurrently or successively and in one or several consolidated or independent judicial actions or lawfully taken non-judicial proceedings, or both.

**6.2.7. Power of Sale.** Lender may execute a written notice of such Event of Default and of its election to invoke this power of sale to cause all or part of the Collateral to be sold to satisfy the Secured Obligations. Under this power of sale, Lender shall have the discretionary right to cause some or all of the Collateral, including any Collateral property that constitutes personal property, to be sold or otherwise disposed of in any combination and in any manner permitted by applicable law.

**6.2.7.1 Sales of Personal Property.** For purposes of this power of sale, Lender may elect to treat as personal property any Collateral property that is intangible or that can be severed from the Land or Improvements without causing structural damage. If it chooses to do so, Lender may dispose of any personal property separately from the sale of real property, in any manner permitted by the Uniform Commercial Code in effect in the Project State, including any public or private sale, or in any manner permitted by any other applicable law. Lender shall have no obligation to clean-up or otherwise prepare any such Collateral for sale. Any proceeds of any such disposition shall not cure any Event of Default or reinstate any Secured Obligation.

**6.2.7.2 Trustee's Sales of Real Property or Mixed Collateral.** Lender may also choose to dispose of some or all of the Collateral that consists solely of real property in any manner then permitted by applicable law. In its discretion, Lender may also or alternatively choose to dispose of some or all of the Collateral in any combination consisting of both real and personal property, together in one sale to be held in accordance with the law and procedures applicable to real property, if and as permitted in the Project State. Borrower agrees that such a sale of personal property constitutes a commercially reasonable sale of the personal property. For purposes of this power of sale, either a sale of real property alone, or a sale of both real and personal property together, will sometimes be referred to as a "*Trustee's Sale*".

**6.2.7.3 Trustee's Sale Procedures.** Before any Trustee's Sale, Lender or Trustee shall give and record such notice of default and election to sell as may then be required by law. When all legally mandated time periods have elapsed, Trustee shall sell the property being sold at a public auction to be held at the time and place specified in the notice of sale, and Lender may impose such terms and conditions of sale as are permitted or allowed by applicable law. From time to time in accordance with then applicable law, Trustee may, and in any event at Lender's request shall, continue any Trustee's Sale by public announcement at the time and place scheduled for that sale, or may, in its discretion, give a new notice of sale. Also, Lender may from time to time discontinue or rescind any notice of default or notice of sale before any Trustee's Sale as provided above, by executing and delivering to Trustee a written notice of such discontinuance or rescission. The exercise by Lender of such right of rescission shall not constitute a waiver of any breach or default then existing or subsequently occurring, or impair the right of Lender to execute and deliver to Trustee, as above provided, other declarations or notices of default to satisfy the Secured Obligations, nor otherwise affect any provision, covenant, or condition of any Loan Document or Related Loan Documents, or any of the rights, obligations, or remedies of Trustee or Lender hereunder or thereunder.

**6.2.7.4 Bidding at Trustee's Sale.** At any Trustee's Sale, Trustee shall sell to the highest bidder at public auction for cash in lawful money of the United States, unless other terms and conditions of sale are prescribed by Lender in accordance with and as permitted by applicable law. Any person, including, without limitation, Borrower or Lender, may purchase at such sale, and Borrower hereby covenants to warrant and defend the title of such purchaser or purchasers. Trustee shall execute and deliver to the purchaser(s) at such sale a deed or deeds conveying the property being sold without any covenant or warranty whatsoever, express or implied. The recitals in any such deed of any matters or facts, including any facts bearing upon the regularity or validity of any Trustee's Sale, shall be conclusive proof of their truthfulness.

**6.2.8. Single or Multiple Foreclosure Sales.** If the Collateral consists of more than one lot, parcel or item of property, Lender may: (i) designate the order in which the lots, parcels and/or items shall be sold or disposed of or offered for sale or disposition; and (ii) elect to dispose of the lots, parcels and/or items through a single consolidated sale or disposition to be held or made under the power of sale granted herein, or in connection with judicial proceedings, or by virtue of a judgment and decree of foreclosure and sale; or through two or more such sales or dispositions, each of which may be separately noticed if so elected by Lender and permitted by applicable law; or in any other manner Lender may deem to be in its best interests (any such sale or disposition, a "*Foreclosure Sale*"). If it chooses to have more than one Foreclosure Sale, Lender at its option may cause the Foreclosure Sales to be held simultaneously

or successively, on the same day, or on such different days and at such different times and places and in such order as it may deem to be in its best interests, all as may be permitted under applicable law. No Foreclosure Sale shall terminate or affect the lien of this Deed of Trust on any part of the Collateral that has not been sold until all of the Secured Obligations have been paid in full.

**6.2.9. Releases, Extensions, Modification and Additional Security.** Without affecting the liability of any person for payment of any of the Secured Obligations, Lender may make any agreement or take any action extending the maturity or otherwise altering the terms or increasing the amount of any of the Secured Obligations, and accept additional security or release all or a portion of the Collateral and/or other security for the Secured Obligations.

**6.2.10. Acceleration Not Required.** Lender may take any of the actions permitted under Sections 6.2.1 and/or 6.2.3 regardless of the adequacy of the security for the Secured Obligations, or whether any or all of the Secured Obligations have been declared to be immediately due and payable, or whether notice of default and election to sell has been given under this Deed of Trust.

**6.3. Payment of Costs, Expenses, and Attorneys' Fees.** All costs and expenses reasonably incurred by Trustee and Lender in enforcing the remedies available to them hereunder or otherwise protecting the Collateral or other rights or interests of Lender (including, without limitation, court costs and attorneys' fees, whether incurred in litigation or not, expenses for evidence of title, appraisals and surveys and trustees' fees, and costs and fees relating to any bankruptcy, reorganization, or insolvency proceeding) shall constitute an additional obligation of Borrower to Lender. Borrower shall immediately reimburse Lender and Trustee for all costs and expenses that Lender or Trustee may incur by reason of, or arising out of, or in connection with: (a) any Default; (b) any action or proceeding in which Lender or Trustee may appear or commence to protect, preserve, exercise or enforce their rights, remedies or security interests under this Deed of Trust, or under any document or instrument evidencing the Secured Obligations secured by this Deed of Trust, or which otherwise relates to the Project, including all appeals therefrom; (c) the performance of any act authorized or permitted hereunder; and (d) the exercise of any other rights or remedies under this Deed of Trust, or under any document or instrument evidencing the Secured Obligations secured by this Deed of Trust, or otherwise relating, to the protection of Lender's or Trustee's rights and interest hereunder or under any document or instrument evidencing the Secured Obligations secured hereby, whether or not a suit or proceeding is instituted. Such costs and expenses shall include without limitation the fees, charges and expenses of attorneys, engineers, accountants, appraisers, expert witnesses, consultants and other professional assistants and advisors, costs and expenses of searching records, examining title and determining rights in, title to, or the value of, the Project, or the boundaries thereof, including but not limited to title company charges, title insurance premiums, survey costs, publication costs, and other charges incident thereto, all whether or not a suit or proceeding is instituted. Borrower agrees to and shall pay, immediately and without demand, all sums so expended by Lender or Trustee, together with interest from the date of expenditure, at the highest legal interest rate then payable under the Loan Documents, all of which sums plus interest shall constitute additional Secured Obligations secured by this Deed of Trust.

**6.4. Remedies Not Exclusive.** Trustee and/or Lender shall be entitled to enforce the payment and performance of any Secured Obligations and to exercise any and all rights and powers under this Deed of Trust, any other Loan Document, or any Related Loan Document, notwithstanding the fact that some or all of the Secured Obligations may now or hereafter be otherwise secured. Trustee and/or Lender shall be entitled to enforce all such rights concurrently or separately, in such order and manner as they or either of them may in their absolute discretion determine. No remedy is intended to be exclusive of any other remedy, but each shall be cumulative and in addition to the others, to the fullest extent permitted by law.

## ARTICLE 7. ASSIGNMENT

**7.1. No Assignment or Encumbrance by Borrower Without Lender's Consent.** Borrower acknowledges and agrees that the Secured Obligations are personal to Borrower and that the identity of

Borrower and its partners and employees, and of any guarantors, and the relationship between Borrower and Lender, Borrower's creditworthiness, business expertise, financial condition, and continued control of the Collateral were material inducements upon which Lender relied in arranging the Secured Obligations. Accordingly, Borrower shall not, without Lender's prior written consent or as otherwise expressly permitted in this Agreement: (i) sell, convey, assign, encumber, or otherwise transfer any of its right, title, or interest in and to the Collateral or any other Project asset, whether such transfer or encumbrance is voluntary or by operation of law, other than as specifically permitted under the Loan Documents, (ii) sell, assign, or transfer its interest as borrower under the Secured Obligations, or (iii) transfer any stock or other ownership interest that would cause a material change in the control of Borrower (excluding, however, transfers of the interests of limited partners or non-managing members of Borrower if such transfers do not materially diminish the powers of the general partner or manager of Borrower or otherwise cause a material change in the rights to manage and control Borrower). Any attempted assignment without such prior written consent shall be null and void, and of no effect, and shall also constitute, at Lender's option, an Event of Default by Borrower under this Agreement.

**7.2. Conditions to Approval of Assignment.** As a condition of approving any assignment, Lender may impose such requirements and conditions as it determines are appropriate in its sole discretion, including but not limited to the requirement that Borrower and the assuming party pay, in advance, any and all reasonable costs and expenses, including reasonable attorney's and accountant's fees, incurred by the Lender in connection therewith. No approval of any assignment shall cause a release of Borrower from any liability under the Loan Documents without Lender's prior written consent, which consent may be withheld in Lender's sole discretion.

**7.3. Loan Due upon Prohibited Transfer or Encumbrance.** Upon any transfer, assignment, or encumbrance, as described in Section 7.1 for which Lender's written approval is required but has not been obtained, the entire outstanding balance owing under the Note, including principal, accrued interest, and any other amounts owing under the Loan Documents shall become due and payable at Lender's option, without any requirement for notice or demand, and Lender may pursue any remedies granted to it under this Deed of Trust or any of the other Loan Documents.

**7.4. Assignment and Participation by Lender.** Lender shall have the right, at any time and from time to time and upon notice to Borrower, to assign or sell the Secured Obligations, and/or any one or more participations in the Secured Obligations, or to include such obligations in a securitized pool of indebtedness, accompanied by an assignment and/or delegation of any or all related rights or obligations of Lender under the Loan Documents, without the need for any form of consent from Borrower.

## ARTICLE 8. MISCELLANEOUS PROVISIONS

**8.1. Additional Provisions.** The Loan Documents fully state all of the terms and conditions of the parties' agreement regarding the matters mentioned in or incidental to this Deed of Trust. The Loan Documents also grant further rights to Lender and contain further agreements and affirmative and negative covenants by Borrower that apply to this Deed of Trust and to the Collateral.

**8.2. Limitation on Interest and Charges.** Borrower agrees to an effective rate of interest that is the rate provided for in the Note, plus any additional rate of interest resulting from any other charges in the nature of interest paid or to be paid by or on behalf of Borrower, or any benefit received or to be received by Lender, in connection with the Secured Obligations. The interest, fees and charges under the Loan Documents shall not exceed the maximum amounts permitted by any applicable law. If any such interest, fee or charge exceeds the maximum, the interest, fee or charge shall be reduced by the excess and any excess amounts already collected from Borrower shall be refunded. Lender may refund such excess either by treating the excess as a prepayment of principal under the Note or by making a direct payment to Borrower. The provisions of this paragraph shall control over any inconsistent provision in the Loan Documents.

**8.3. Permitted Contests.** Borrower may contest or object in good faith to the amount or validity of any tax, assessment, claim, demand, levy, lien, encumbrance, charge or notice of noncompliance asserted by a third party (collectively, a "**Claim**"), but only in accordance with the following conditions: (i) Borrower shall first give written notice to Lender and deposit with Lender a bond or other security satisfactory to Lender in such amount as Lender shall reasonably require, up to 150% of the amount of the Claim or other sum in controversy, and shall have demonstrated to Lender's reasonable satisfaction that no portion of the Collateral will be sold to satisfy the Claim prior to final resolution; (ii) Borrower shall promptly and diligently proceed to cause the Claim to be settled and discharged in a manner not prejudicial to Lender or its rights hereunder; (iii) if Borrower shall fail to proceed diligently to discharge the Claim, then, in addition to any other right or remedy of Lender, Lender may, but shall not be obligated to, discharge the same, by paying the amount claimed to be due, or by depositing in court a bond or the amount claimed or otherwise giving security for such Claim, or in such manner as is or may be prescribed by law, at Borrower's expense; (iv) Lender may employ an attorney or attorneys to protect its rights hereunder, and in such event, Borrower shall pay Lender the attorneys' fees and expenses incurred by Lender, whether or not an action is actually commenced against Borrower by reason of any default hereunder; and (v) Borrower shall have provided such good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any legal proceedings then pending in connection with the Claim.

**8.4. Cooperation.** Borrower shall, upon request, cooperate with Lender or Trustee to correct any defect, error or omission that may be discovered in the contents of this Deed of Trust or in the execution or acknowledgment hereof, and will execute, acknowledge, and deliver such further instruments and take such further actions as may be reasonably requested by Lender or Trustee to carry out more effectively the purposes of this Deed of Trust.

**8.5. Obligations of Borrower, Joint and Several.** If more than one person has executed this Deed of Trust as Borrower, the obligations of all such persons hereunder shall be joint and several.

**8.6. Severability.** If any term of this Deed of Trust, or the application thereof to any person or circumstances, shall, to any extent, be invalid, void or unenforceable, the remainder of this Deed of Trust, or the application of such term to persons or circumstances other than those as to which it is invalid, void or unenforceable, shall not be affected thereby, and each term of this Deed of Trust shall be valid and enforceable to the fullest extent permitted by law. If the lien of this Deed of Trust is invalid, void or unenforceable as to any part of the Secured Obligations, or if the lien is invalid, void or unenforceable as to any part of the Collateral, the unsecured or partially secured portion of such indebtedness shall be completely paid prior to the payment of the remaining and secured or partially secured portion of such Secured Obligations, and all payments made on such Secured Obligations shall be considered to have been first paid on and applied to the full payment of that portion of such indebtedness that is not secured or fully secured by the lien of this Deed of Trust.

**8.7. No Waiver or Cure.** No waiver or delay or omission in the exercise or enforcement by Lender of any of its rights or remedies hereunder or under any of the other Loan Documents shall be considered a waiver of any subsequent application of, or right to enforce, such right or remedy, or of the right to enforce any other right or remedy of Lender in another instance. Furthermore, no waiver of Lender's rights or remedies in one or more instances shall establish a course of dealing or other agreement that will bind Lender or prohibit Lender from enforcing the terms of this Deed of Trust or any other Loan Document in another instance.

**8.8. Additional Security.** If Lender at any time holds additional security for any of the Secured Obligations, all such security shall be taken, considered, and held as cumulative, and Lender may enforce the sale thereof or otherwise realize upon the same, at its option, either before or concurrently with the exercise of any of its rights or remedies hereunder or after a sale is made hereunder. The taking of additional security, the execution of partial releases of the security, or any extension of the time of payment of the Secured Obligations shall not diminish the force, effect, or lien of this Deed of Trust and shall not affect or impair the liability of any maker, surety, or endorser for the payment of any such indebtedness.

**8.9. Imposition of Tax.** For purposes of this Section, "Tax" shall mean: (a) a specific tax on deeds of trust or on all or any part of the indebtedness secured by a deed of trust; or (b) a specific tax on the owner of the Collateral covered by a deed of trust which the taxpayer is authorized or required to deduct from payments on the deed of trust; or (c) a tax on property covered by a deed of trust chargeable against a beneficiary or trustee under the deed of trust or the holder of the note secured by the deed of trust; or (d) a specific tax (other than an income tax or a gross receipts tax) on all or any portion of the obligations secured hereby or on payments of principal and interest made by a grantor under a deed of trust. If any Tax is enacted subsequent to the date of this Deed of Trust, enactment of the Tax shall constitute an Event of Default, and Lender may exercise any or all of the remedies available to it upon the occurrence of any Event of Default, unless the following conditions are met: (i) Borrower may lawfully pay the Tax without causing any resulting economic disadvantage or increase of tax to Lender or Trustee; and (ii) Borrower pays the Tax (including any tax on the payment made) within thirty (30) days after notice from Lender that the tax law has been enacted.

**8.10. No Offset.** Borrower's obligation to timely pay and perform all obligations under the Note, this Deed of Trust, and the other Loan Documents shall be absolute and unconditional and shall not be affected by any event or circumstance; including without limitation any setoff, counterclaim, abatement, suspension, recoupment, deduction, defense or any other right that Borrower or any guarantor may have or claim against Lender or any other person or entity. The foregoing shall not constitute a waiver of any claim or demand which Borrower or any guarantor may have in damages or otherwise against Lender or any other person or entity; provided that Borrower shall maintain a separate action thereon.

**8.11. Accommodations to Successors.** The liability of the original Borrower shall not be released or changed if Lender grants any successor in interest to Borrower any extension of time for payment, or modification of the terms of payment, of any Secured Obligation. Lender shall not be required to comply with any demand by the original Borrower that Lender refuse to grant such an extension or modification to, or commence proceedings against, any such successor in interest.

**8.12. Amendments.** This Deed of Trust cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought.

**8.13. Successors in Interest.** Subject to the limitations on transfer contained in the Loan Documents, the terms, covenants, and conditions herein contained shall be binding upon and inure to the benefit of the heirs, legatees, devisees, administrators, executors, successors and assigns of the parties hereto.

**8.14. Modification and Extensions.** References to the Note, the Loan Agreement, the Loan Documents and the Related Loan Documents in this document shall be deemed to include all modifications, extensions, and renewals thereof.

**8.15. Applicable Law.** The provisions of this Deed of Trust shall be governed by and construed in accordance with the laws of the Project State, without regard to the choice of law rules of the Project State and except to the extent that federal laws preempt the laws of the Project State.

**8.16. Merger.** No merger shall occur as a result of Lender's acquiring any other estate in or any other lien on the Collateral unless Lender consents to a merger in writing.

**8.17. Notice.** All notices required or permitted under the Loan Documents shall be in writing, effective upon delivery, and shall be: (i) delivered in person, (ii) sent by recognized courier or overnight delivery service, or (iii) sent by certified mail, postage prepaid, with return receipt requested, (such mailing to be deemed received on the sooner of actual receipt or three (3) days after mailing) to the appropriate party at its address set forth above. Any party may designate in writing different mailing addresses or persons to which or to whom such notices or demands are thereafter to be addressed, but such change of address or change of party to be addressed notices shall be effective only upon actual receipt.

**8.18. Waiver of Marshaling.** Borrower waives all rights, legal and equitable, it may now or hereafter have to require marshaling of assets or to require upon foreclosure sales of assets in a particular order. Each successor and assign of Borrower, including any holder of a lien subordinate to this Deed of Trust, by acceptance of its interest or lien agrees that it shall be bound by the above waiver, as if it had given the waiver itself.

**8.19. Waiver Of Jury Trial.** LENDER AND BORROWER EACH HEREBY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED UPON, OR RELATED TO, THE SUBJECT MATTER OF THIS DEED OF TRUST. THIS WAIVER IS KNOWINGLY, INTENTIONALLY, AND VOLUNTARILY MADE BY LENDER AND BORROWER, AND LENDER AND BORROWER ACKNOWLEDGE THAT NO PERSON ACTING ON BEHALF OF THE OTHER PARTY TO THIS NOTE HAS MADE ANY REPRESENTATIONS OF FACT TO INDUCE THIS WAIVER OF TRIAL BY JURY OR IN ANY WAY TO MODIFY OR NULLIFY ITS EFFECT. LENDER AND BORROWER FURTHER ACKNOWLEDGE THAT THEY HAVE BEEN REPRESENTED (OR HAVE HAD THE OPPORTUNITY TO BE REPRESENTED) IN THE SIGNING OF THIS DEED OF TRUST AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL, SELECTED OF THEIR OWN FREE WILL, AND THAT THEY HAVE HAD THE OPPORTUNITY TO DISCUSS THIS WAIVER WITH COUNSEL.

**8.20 Oral Agreements Notice.**

**ORAL AGREEMENTS OR ORAL COMMITMENTS TO LOAN MONEY, EXTEND CREDIT, OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT ARE NOT ENFORCEABLE UNDER WASHINGTON LAW.**

IN WITNESS WHEREOF, Borrowers have executed this Deed of Trust, Security Agreement, and Fixture Filing as the Grantors/Trustors hereunder, and as Debtors under the Uniform Commercial Code, as of the date set forth above.

## THIRD PARTY GRANTOR RIDER TO DEED OF TRUST

**Dated:** August 26, 2002

**Grantors:** KABALO HEIGHTS, L.L.C., a Washington limited liability company  
("Property Owner")  
RURAL OLYMPIC VIEW PROPERTY, LLC,  
a Washington limited liability company ("Obligor")

**Trustee:** PSM FINANCIAL MANAGEMENT CORP.

**Beneficiary:** KEYBANK NATIONAL ASSOCIATION ("Beneficiary" or  
"Lender")

THIS RIDER is incorporated into and modifies that certain Construction Deed of Trust, Security Agreement, Assignment of Leases and Rents, and Fixture Filing ("*Deed of Trust*") dated as set forth above and made by Grantors in favor of Lender. To the extent the provisions of this Rider are inconsistent with provisions in the Deed of Trust, the provisions of this Rider shall prevail. Capitalized terms used in this Rider and not defined herein shall have the same meaning given them in the Deed of Trust.

The Deed of Trust secures Obligor's obligations under the Loan Documents, among other Secured Obligations, and is executed as additional consideration for Lender's agreement to extend the Loan. Property Owner is executing the Deed of Trust as a grantor in consideration for certain benefits to be derived by Property Owner as an affiliate of Borrower from the extension of the Loan and Obligor and Property Owner agree as follows:

1. Obligations Under Deed of Trust. The Note and related Loan Documents are executed by Obligor and not by Property Owner and all references in the Deed of Trust to Borrower and Borrower's obligations to Lender in describing such obligations are intended to reference Obligor only and not include Property Owner. Conversely, Property Owner and not Obligor holds fee title to the Property and all references to Borrower as owner of the Property are intended to reference Property Owner and not include Obligor. For all other purposes, however, the term Borrower as used in the Deed of Trust shall include both Obligor and Property Owner, and Obligor shall be fully obligated to Lender for all obligations arising under the Deed of Trust as though it were the owner of the Property.

2. Modification of Loan Documents. At any time and in such manner and on such terms as it considers desirable, and with or without notice to Property Owner, Lender may amend, modify, compromise, accelerate, extend, change the time or manner for payment, increase or reduce the rate of interest, release or add borrowers, guarantors, or Obligor, accept additional or substituted security, or release or subordinate any security for, the Secured Obligations.

3. Waivers. Property Owner waives any right to require Lender to proceed against Obligor or any other person or entity, or to proceed against or exhaust any other security held by it at any time, or to pursue any other remedy available to it; Property Owner agrees that Lender shall not be obligated to resort to any other security (including security given by Obligor) in any particular order, even if such action impairs or destroys any subrogation rights of Property Owner and/or any right of Property Owner to proceed against Obligor for reimbursement.

4. Representations of Property Owner. Property Owner represents and warrants to Lender that it will derive material financial benefits from Obligor's financing arrangements with Lender and that the relationship between Property Owner and Obligor is such that Property Owner has access to all relevant facts and information concerning the Secured Obligations and agrees that Lender has no duty or obligation to inform Property Owner in any way about Obligor, the

Property, or the Secured Obligations. Property Owner shall be solely and fully responsible for keeping informed of Obligor's financial condition and all circumstances that might affect the Property and Property Owners' obligations hereunder.

5. Limited Recourse Against Property Owner. Property Owner's obligations and liability under the Deed of Trust are limited to Property Owner's interest in the Property, and Property Owner shall have no personal liability to Lender by reason of Property Owner's execution of this Deed of Trust.

6. Release Provisions. Lender shall release individual separately conveyable lots from the lien of this Deed of Trust only in accordance with the release provisions set forth in the Loan Documents as amended contemporaneously herewith.

7. Second Lien. Notwithstanding the first lien language of the Deed of Trust, until Lender's existing acquisition and development loan to Property Owner secured by the Property (the "*Kabalo Loan*") has been paid in full, the Deed of Trust shall constitute a second lien against the Property, subordinate only to the deed of trust securing the Kabalo Loan.
