## PROTECTED CRITICAL AREA EASEMENT AGREEMENT

In consideration of Skagit County Code (SCC) 14.24.170, requirements for recording of Protected Critical Area easements (PCA), for areas included under SP97-0028, and mutual benefits herein Grantor(s) project does hereby grant, convey and warrant to Skagit County, a political subdivision of the State of Washington, a non-exclusive perpetual easement establishing a PCA over, along and across that portion of the project, denoted as PCA and described, hereinafter together with the right of ingress and egress to and from these easements for the sole purpose of monitoring and enforcing proper operation and maintenance of the PCA described herein.

These easements are granted subject to and conditioned upon the following terms, conditions and covenants:

1. The PCA legal descriptions are as follows:

Tracts A and B of Short Plat No. 97-0028

2. Grantor(s) shall here after be responsible for maintaining and repairing PCA areas as described herein and is hereby required to leave the PCA undisturbed in a natural state. No clearing, grading, filling, logging or removal of woody material, building, construction or road construction of any kind or planting of non-native vegetation is allowed within the PCA's except as currently exists, is noted in "3." herein or is specifically permitted by Skagit County on a case-by-case basis consistent with SCC 14.24.

3. Grantor(s) and Skagit County agree to the following special conditions requested by the Grantor(s) or required as part of mitigation pursuant to SCC 14.24.

- a. To the extent allowed under 14.24.100, permit the continuation of the existing uses within the buffer area.
- b. Grantor(s) shall be held harmless from any damage or injury to any property or person by any person entering the easement areas not expressly authorized to do so by the Grantor(s).

4. Grantor(s) retains the right to the use and possession of the real property over which the easements are granted to the extent permitted by Skagit County. Low impact uses and activities, which are consistent with the purpose and function of the PCA and do not detract from its integrity, may be permitted in the PCA depending on the sensitivity of the habitat involved. Examples of uses and activities which may be permitted in appropriate cases, with prior County written approval separate from this agreement, include pedestrian trails, viewing platforms, stormwater management facilities and utility easements. Provided further that the grantor(s) agrees not to interfere with, obstruct or endanger Skagit County's use of the easement.

5. Should any human disturbance of the PCA occur, the fee owners shall have the obligation to restore and return the affected area to its natural state immediately, under the provisions of a County approved mitigation plan.

6. The parties recognize that this easement is created, granted and accepted for the benefit of the inherent natural functions provided by the PCA but shall not be construed to provide open or
