9. Easement delineated on the face of said Short Plat No. L99-0003;
For: Building setbacks

10. Easement provisions contained on the face of said plat, as follows:

Easements are granted to Public Utility District No. 1 of Skagit County, Washington, a municipal corporation, its successors or assigns, the perpetual right, privilege, and authority enabling the PUD to do all things necessary or proper in the construction and maintenance of a water line, lines or related facilities, including the right to construct, operate, maintain, inspect, improve, remove, restore, alter, replace, relocate, connect to and locate at any time a pipe or pipes, line or lines or related facilities, along with necessary appurtenances for the transportation of water over, across, along, in and under the lands as shown on this plat together with the right of ingress to and egress from said lands across adjacent lands of the grantor, also, the right to cut and/or trim all brush, timber, trees or other growth standing or growing upon the lands of the grantor which in the opinion of the district, constitutes a menace or danger to said line or to persons or property by reason of proximity to the line. The grantor agrees that title to all timber, brush trees, other vegetation or debris trimmed, cut and removed from the easement pursuant to this agreement is vested in the district.

Grantor, its heirs, successors or assigns hereby conveys and agrees not to construct or permit to be constructed structures of any kind on the easement area without written approval of the general manager of the district. Grantor shall conduct its activities and all other activities on grantor's property so as not to interfere with, obstruct or endanger the usefulness of any improvements or other facilities, now or hereafter maintained upon the easement or in any way interfere with, obstruct or endanger the districts use of the easement.

11. Easement provisions contained on the face of said plat, as follows:

An easement is hereby reserved for and granted to Public Utility District No. 1, Puget Sound Power and Light Company, TCI Cablevision of Washington Inc., Verizon and their respective successors and assigns, under and upon the 10 feet adjoining Lots 1 through 9, inclusive, as shown, in which to install, lay, construct, renew, operate, maintain and remove utility systems, drainage systems, lines, fixtures and appurtenances attached thereto, for the purpose of providing utility services to the subdivision and other property. Together with the right to enter upon the lots and tracts at all times for the purposes stated, with the understanding that any grantee shall be responsible for all unnecessary damage it causes to any real property owner in the subdivision by the exercise of rights and privileges herein granted.

13. Notes on the face of said short plat;

- A. The binding site plan number and date of approval shall be included in all deeds and contracts.
- B. No building permits shall be issued for residential and or commercial structures that are not at the time of application, determined to be within an official designated boundary of Skagit County Fire District.
- C. Change in location of access may necessitate a change of address. Contact Skagit County Permit center.
- D. Water – Supplied by Skagit County P.U.D.
- E. This site is located within flood zone AD, as shown on firm map Panel No. 530151-0425-C dated January 1, 1985. The lowest floor (including basement) is to be elevated above the highest adjacent grade of the building site. One foot or more above the depth number specified on the firm map.
- F. For PCA easement agreement. See Auditor's File No. 200207010181, records of Skagit County, Washington.
- G. Building setback requirements for each lot shall conform to the City of Mount Vernon code in effect at the time of building permit application.
- H. Tract A is the detention pond tract and is for the benefit of Lots 1 through 9 inclusive. Together with ingress and egress for the maintenance thereof, as shown hereon.
- I. This parcel lies within 300 feet of land designated as resource lands by Skagit County. A variety of natural resource land activities occur in the area that may be inconvenient or cause discomfort to area residents. This arise from the use of chemicals, including spraying, pruning and harvesting, which occasionally generate dust, smoke, noise and odor. Skagit County has established resource uses as priority uses on designated natural resource lands and residents of adjacent property should be prepared to accept such inconveniences or discomfort from normal necessary agricultural and forestry operations when performed in compliance with best management practices and local, state and federal laws.
- J. Landscaping requirements for each lot shall conform to the City of Mount Vernon Landscaping requirements in effect at the time of building permit application.
- K. The detention pond tract shown hereon as "Tract A" will be conveyed to the City of Mount Vernon following the finalization of this plat. The City of Mount Vernon will maintain the detention and water quality facilities contained in said Tract A in perpetuity or will provide the lots within this plat with a similar facility at another location.
- L. Lots 1 through 9 are hereby granted the right and ability to drain their stormwater into Tract A via the Publicity maintained storm sewer system. Where it will be detained and treated, or to an alternative location. To be provided by the City of Mount Vernon of Tract A ever ceases to be used for said purposes.
