Escrow No.: 5110160

SUBJECT TO:

Easement provisions contained on the face of said plat, as follows:

Known all men by these presents that Coast Pacific Trading Incorporated do hereby declare this plat and declare all roads and ways as shown hereon as Tract A to be corporate roads. Tract A without acreage is to be held in individual ownership by the owners of the lots served by corporate roads with the rights to make all necessary slopes for cuts and fills, and the right to continue to drain said roads and ways over and across any lot or lots where water might take a natural course in the original reasonable grading of the roads and ways shown hereon. No drainage waters on any lot or lots shall be diverted or blocked from their natural course so as to discharge upon any public road right-of-way, or the hamper road drainage. Any enclosing of drainage waters in culverts or drains or rerouting shall be done by and at the expense of such owner.

The cost of construction and maintaining all roads not herein dedicated as county roads and all access roads to the plat, unless the same are dedicated as county roads, shall be the obligation of all the owners of the lots in the plat and/or of any additional plats that may be served by said roads, streets, and/or alleys, and that the obligation to maintain shall be concurrently the obligation of the corporation under the declaration of covenants, conditions, and restrictions for Lake McMurray Estates contained in the instrument recorded under Auditor's File No. 9409190112, records of Skagit County, Washington, in whom title of said roads, streets, and/or alleys be held. In the event that the owners of any of these lots or the corporate owners of any of the roads, streets, and/or alleys of this plat or any additional plats served by these roads, streets, and/or alleys shall petition to the Board of County Commissioners to include these roads, streets, and/or alleys in the road system. Said petitioner shall be obligated to bring the same to the county road standards in all respects prior to acceptance by the county.

Utility notes on the face of said plat, as follows:

- A. Lot 1 will require an alternative on-site sewage system which may have special design, construction, and maintenance requirements. See Skagit County Health Officer for details.
- B. Water will be from individual water systems. Contact the Health Department to determine if additional water quality or quantity testing will be required for building permit approval.

Notes on the face of said plat, as follows:

- A. All construction of the driveways, single family residences and accessory structures shall maintain a minimum setback of 50 feet from any wetland identified on this plat. The natural vegetation within said setback shall be maintained in an undisturbed and undeveloped state.
- B. All construction of driveways, single family residences, and accessory structures shall maintain a minimum setback of 50 feet from any wetland identified on this plat. The natural vegetation within said setback areas and within the delineated/surveyed wetlands shall be maintained in an undisturbed and undeveloped state.
- C. No construction on slopes exceeding 30% (outside of "buildable area limits" as shown further on), unless the proposal is accompanied by a slope stability report specifying methods of construction.
- D. Addresses correspond to the location of driveways as shown on this map. Relocation of a driveway requires review by Skagit County Public Works for potential address revision.
