UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges.

Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to

Lender shall not charge Borrower for holding the Funds, unless Lender makes in writing or applicable Law permits Lender to make such a charge. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. It such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "capitive reinsurance." Further:

Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument, with such interest, upon notice from Lender to Borrower requesting disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

(c) paying reasonable attorney's fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, eliminate hazards, repair doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

19. Borrower's Right to Reinstate After Acceleration. If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. Sale of Note; Change of Loan Servicer; Notice of Grievance. The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

ADDENDUM TO UNIFORM DEED OF TRUST

Date: March 31st, 2003

Addendum attached to and forming part of the Deed of Trust ("Security Instrument") of even date by and between

THE GLOMAN FAMILY TRUST, DATED SEPTEMBER 8, 1992,

JOE M GLOMAN AND MARY JO GLOMAN, TRUSTORS AND/OR TRUSTEES

as Grantor/Borrower; **WASHINGTON SERVICES, INC., A WASHINGTON CORPORATION**
as Trustee; and **WASHINGTON FEDERAL SAVINGS** as Beneficiary/Lender.

1. OCCUPANCY OF THE PROPERTY BY BORROWER.

There are two alternative covenants stated below which refer to occupancy of the Property by the Borrower, and only one alternative shall be a part of this Addendum. Lender has determined which alternative is a covenant of the Borrower by checking below the appropriate box opposite the paragraph immediately preceding the paragraph Lender has determined to be applicable to Borrower, and Borrower has agreed to this chosen alternative by executing this Addendum to the Security Instrument and pursuant to the terms of Lender's loan commitment.

- Occupancy of Property by Borrower Required.** Uniform Covenant 6 of the Security Instrument is amended by substituting the following language:

"Borrower shall occupy, establish and use the Property as Borrower's principal residence within sixty (60) days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless lender otherwise agrees in writing and in its sole discretion; provided, however, that if the loan evidenced by the Security Instrument is a 'custom' construction loan as defined by a Construction Loan Agreement between Lender and Borrower, then Borrower shall begin to occupy, establish and use the Property as Borrower's principal residence within sixty (60) days after receipt of Certificate of Occupancy, or similar official document, from the applicable governmental authority, unless Lender in its discretion agrees in writing to waive any governmental requirement. Borrower acknowledges that Uniform Covenant 6, as here amended, is required by Lender in consideration of Lender extending Borrower an 'Occupancy Note Rate' which is less than the prevailing 'Non-Occupancy Note Rate'. If Borrower shall default on the terms of occupancy as stated above, Lender may elect, at its option and notwithstanding any other terms of the Security Instrument to the contrary, any of the following remedies: (a) Lender may accelerate the terms of the Note and, upon fifteen (15) days notice, call the loan immediately due and payable in full, and if Borrower fails to make payment in full, Lender may thereafter exercise any remedy permitted by the Security Instrument, including suit on the Note or foreclosure upon the Security Interest and the Property; or (b) Lender may adjust the interest rate on the Note (and any monthly payment occasioned by such adjustment) to Lender's 'Non-Occupancy Note Rate' which existed as of the date of the Note and Security Instrument and require further consideration for not calling the loan immediately due and payable, including but not limited to (i) having Borrower convey to Lender a Fannie Mae Multistate 1-4 Family Rider (Assignment of Rents) and (ii) having Borrower pay any amount of principal on the loan necessary (if at all) to make the loan conform to whatever loan-to-value ratio conditions Lender would have required of a 'Non-Owner-Occupied Loan' on the Property as of the date of the Note and Security Instrument."

- Occupancy of Property By Borrower Waived.** Uniform Covenant 6 of the Security Instrument is deleted.

2. ADDITIONAL SPECIAL COVENANTS.

A. Additional Advance(s)

This Security Instrument also secures the payment of any further sums advanced or loaned by Lender to Borrower, or any of its successors or assigns, if (1) the Note or other writing evidencing the future advance or loan specifically states that it is secured by this Security Instrument, or (2) the advance, including costs and expenses incurred by Lender, is made pursuant to this Security Instrument or any other documents executed by Borrower evidencing, securing, or relating to the Note and/or the Collateral, whether executed prior to, contemporaneously with, or subsequent to this Security Instrument (this Security Instrument, the Note and such other documents, including any construction loan, land loan or other loan agreement, are hereinafter collectively referred to as the "Loan Documents"), together with interest thereon at the rate set forth in the Note unless otherwise specified in the Loan Documents or agreed to in writing.

F. **E-Z Pay Option.** If Borrower elects the E-Z Pay option at the inception of this loan, then Lender shall temporarily defer the two hundred dollar (\$200) payment processing charge which is otherwise due and payable in full at closing. However, if at any time, Borrower's E-Z Pay bank account has insufficient funds to cover a payment when due, or if Borrower's E-Z Pay bank account has been closed or otherwise becomes unavailable to Lender for the loan, or in the event Borrower fails to pay the due and payable amount from Borrower's E-Z Pay bank account, then Lender shall inform Borrower in writing and demand the two hundred dollar (\$200) payment processing charge from Borrower in which even this charge shall be due and payable in full. Lender shall inform Borrower of this election in writing and then be due and payable in full. Lender shall bear interest at the Note rate and shall be liable to Borrower for the charge added to the loan. If the charge is added to the loan, then it shall become additional debt principal balance of the loan. If the charge is added to the loan, then it shall bear interest at the Note rate and shall be liable to Borrower for the charge added to the loan. Within 10 days of receipt of written notice or add the amount of the charge to the remaining principal balance of the loan. Lender may, at Lender's option, either require Borrower to pay the payment processing charge within 10 days of receipt of written notice or add the amount of the charge to the remaining principal balance of the loan. Then Lender shall inform Borrower in which even this charge shall be due and payable in full. Lender shall inform Borrower of this election in writing and hundred dollar (\$200) payment processing charge from Borrower in which even this charge shall be due and payable in full at closing. However, if at any time, Lender may remit the two hundred dollar (\$200) payment processing charge to Lender for the loan, or in the event Borrower fails to pay the due and payable amount from Borrower's E-Z Pay bank account, then Lender shall inform Borrower in writing and demand the two hundred dollar (\$200) payment processing charge which is otherwise due and payable in full at closing. Otherwise, if at any time, Borrower's E-Z Pay bank account has been closed or otherwise becomes unavailable to Lender for the loan, or in the event Borrower fails to pay the due and payable amount from Borrower's E-Z Pay bank account, then Lender shall inform Borrower in writing and demand the two hundred dollar (\$200) payment processing charge which is otherwise due and payable in full at closing.

E. **"Custom" Construction Loans.** If this Security Instrument secures permanent financing to construct or remodel a residential dwelling on the Property ("custom construction loan"), then the Construction Loan Agreement & Assignment of Account signed by Borrower along with this Security Instrument and Addendum shall be incorporated by reference in and be a part of this Security Instrument and Addendum shall be deemed to be in default of this Security Instrument such coverage to the principal balance of the loan or apply the payment as a "negative reserve", such coverage to the property improvements and, in so doing, either capitalize the cost of insurance coverage as part of said funds, Lender shall be entitled to obtain "forced place" flood insurance coverage for such determinations, that adequate flood insurance be maintained for the Flood Insurance premiums, and if Borrower does not voluntarily pay "escrow items" (reserves) for flood insurance premiums, and to the extent authorized by federal law and regulation, of the Funds defined under Covenant 3, and to the extent authorized by federal law and regulation, improvements of the Property at Borrower's expense, and Lender shall be entitled to collect, as part notice to Borrower of such determinations, that adequate flood insurance be maintained upon (SFHA), then to the extent flood insurance is available for the Property, Lender will require, upon Management Agency (FEMA), or its successor agency, to be within a Special Flood Hazard Area "If the Property is now or shall ever during this loan be determined by the Federal Emergency Mandatorily Flood Insurance for Property in Special Flood Hazard Areas. Uniform Covenants 3 and 5 are modified so as to add the following language which affects both covenants:

D. **Mandatory Flood Insurance for Property in Special Flood Hazard Areas.** Uniform Covenants 3 and 5 are modified so as to add the following language which affects both covenants:

"23. Release or Recouveryance. Upon payment of all sums secured by this Security Instrument Lender shall request Trustee to release or recouvery the Property and shall surrender this Security Instrument and all notes evidencing debt secured by this Security Instrument to Trustee. Trustee shall release or recouvery the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs and reasonable trustee's fee for release or recouveryance."

C. **Recouveryance After Payment of Loan in Full.** Non-Uniform Covenant 23 of the Security Instrument is revised to read as follows:

"Borrower acknowledges that the terms and conditions of Uniform Covenant 19 and Non-Uniform Covenant 22 are intended to avail Borrower of certain rights provided for in Uniform Covenant 19 and Non-Uniform Covenant 22."
Uniform Covenant 19 and Non-Uniform Covenant 22 provide for certain notices as provided for in Uniform Covenant 19 and Non-Uniform Covenant 22.
Securities non-judicial foreclosure under its power of sale in the event of default, and that Borrower has a statutory right of redemption protecting Borrower in the event of judicial foreclosure. Therefore, elects non-judicial foreclosure under its power of sale in the event of default, and that Borrower has not withheld standing any provision protecting Borrower in the event of judicial foreclosure. Notwithstanding any provision of Uniform Covenant 19 and Non-Uniform Covenant 22 of this instrument, if Lender, at its own option, elects to accelerate the Security Instrument by Securitizing instrument, it shall bear interest at the Note rate and remainder of this Security Instrument to certain notices as provided for in Uniform Covenant 19 and Non-Uniform Covenant 22.
Lender shall release the right of recouvery the Property and shall surrender this Security Instrument to Trustee to release or recouvery the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs and reasonable trustee's fee for release or recouveryance."

B. **Lender's Right of Acceleration and Judicial Foreclosure.** The addition of the following language, which shall modify the terms of Uniform Covenant 19 and Non-Uniform Covenant 22 to the extent set forth immediately below:
Uniform Covenant 19 and Non-Uniform Covenant 22 of the Security Instrument are amended by the addition of the following language, which shall modify the terms of Uniform Covenant 19 and Non-Uniform Covenant 22 to the extent set forth immediately below:

- G. **Hazard, Property, or Flood Insurance.** Without affecting the language contained in Covenants 3, 5, and 7 of the Security Instrument and paragraph D above, Borrower is advised as follows:

WARNING

Unless Borrower provides Lender with evidence of the insurance coverage as required by the deed of trust or loan agreement, Lender may purchase insurance at Borrower's expense to protect Lender's interest. This insurance may, but need not, also protect borrower's interest. If the collateral becomes damaged, the coverage Lender purchases may not pay any claim Borrower makes or any claim made against Borrower. Borrower may later cancel this coverage by providing evidence that it has obtained property coverage elsewhere.

Borrower is responsible for the cost of any insurance purchased by Lender. The cost of this insurance may be added to the loan balance. If the cost is added to the loan balance, the interest rate on the underlying loan will apply to this added amount. The effective date of coverage may be the date the prior coverage lapses or the date Borrower fails to provide proof of coverage.

The coverage Lender purchases may be considerably more expensive than insurance Borrower can obtain on its own and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.

- H. **Late Charges and Other Fees.** Lender may, at Lender's option, either require Borrower to pay any late charge for overdue payments or NSF/returned item fees related to any payments under the Note, or add the amount of any such charges or fees to the remaining principal balance of the loan. If these charges and/or fees are added to the loan, then they shall become additional debt of Borrower secured by this Security Instrument and shall bear interest at the Note rate and shall be payable in accordance with the terms of the Note.
- I. **Assignment of the Loan.** If Lender transfers its interest in or a right to receive loan payments under the Note secured by the Security Instrument, this Addendum, or any part of it, may be cancelled at the option of Lender and without advance notice to Borrower, and Lender may make and record any instrument, without signature of Borrower, which may be necessary to give record notice of such cancellation.

1 - 4 FAMILY COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. ADDITIONAL PROPERTY SUBJECT TO THE SECURITY INSTRUMENT. In addition to the Property described in the Security Instrument, the following items are added to the Property description, and shall also constitute the Property covered by the Security Instrument: building materials, appliances and goods of every nature whatsoever now or hereafter located in, on, or used, or intended to be used in connection with the Property, including, but not limited to, those for the purposes of supplying or distributing heating, cooling, electricity, gas, water, air and light, fire prevention and extinguishing apparatus, security and access control apparatus, plumbing, bath tubs, water heaters, water closets, sinks, ranges, stoves, refrigerators, dishwashers, disposals, washers, dryers, awnings, storm windows, storm doors, screens, blinds, shades, curtains and curtain rods, attached mirrors, cabinets, panelling and attached floor coverings now or hereafter attached to the Property, all of which, including replacements and additions thereto, shall be deemed to be and remain a part of the Property covered by the Security Instrument. All of the foregoing together with the Property described in the Security Instrument (or the leasehold estate if the Security Instrument is on a leasehold) are referred to in this 1-4 Family Rider and the Security Instrument as the "Property."

B. USE OF PROPERTY; COMPLIANCE WITH LAW. Borrower shall not seek, agree to or make a change in the use of the Property or its zoning classification, unless Lender has agreed in writing to the change. Borrower shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property.

C. SUBORDINATE LIENS. Except as permitted by federal law, Borrower shall not allow any lien inferior to the Security Instrument to be perfected against the Property without Lender's prior written permission.

E. "BORROWER'S RIGHT TO REINSTATE" DELETED. Uniform Covenant 18 is deleted.

F. BORROWER'S OCCUPANCY. Unless Lender and Borrower otherwise agree in writing, the first sentence in Uniform Covenant 6 concerning Borrower's occupancy of the Property is deleted. All remaining covenants and agreements set forth in Uniform Covenant 6 shall remain in effect.

G. ASSIGNMENT OF LEASES. Upon Lender's request, Borrower shall assign to Lender all leases of the Property and all security deposits made in connection with leases of the Property. Upon the assignment, Lender shall have the right to modify, extend or terminate the existing leases and to execute new leases, in Lender's sole discretion. As used in this paragraph G, the word "lease" shall mean "sublease" if the Security Instrument is on a leasehold.

H. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION. Borrower absolutely and unconditionally assigns and transfers to Lender all the rents and revenues ("Rents") of the Property, regardless of to whom the Rents of the Property are payable. However, Borrower shall receive the Rents until

This assignment of Rents of the Property shall terminate when all the sums secured by the Security Instrument are paid in full.

Lender, or Lender's agents or a judicially appointed receiver, shall not be required to enter upon, take control of or maintain the Property before or after giving notice of default to Borrower. However, Lender, or Lender's agents or a judicially appointed receiver, may do so at any time when a default occurs. Any application of Rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of Rents of the Property shall terminate when all the sums secured by the Security Instrument and Lender may invoke any remedy of Lender.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by the Security Instrument pursuant to Uniform Covenant 7. Borrower represents and warrants that Borrower has not executed any prior assignment of the Rents and has not and will not perform any act that would prevent Lender from exercising its rights under this paragraph.

If Lender gives notice of breach to Borrower: (i) all Rents received by Borrower shall be held by security only. This Assignment of Rents constitutes an absolute assignment and not an assignment for additional benefit of Lender only, to the tenant(s) that the Rents are to be paid to Lender or Lender's agent. (ii) Lender has given notice to the tenant(s) that the Rents are to be paid to Lender or Lender's agent. Borrower agrees that each tenant to collect and receive all of the Rents due and unpaid to Lender or Lender's agent upon Lender's written demand to the tenant; (iv) unless applicable law provides otherwise, all Rents collected by Lender or Lender's agents shall be applied first to the costs of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the Property, and then to the sums secured by the Security Instrument; (v) Lender, Lender's agents or any judicially appointed receiver shall be liable to account for only those Rents actually received; and (vi) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property only if Lender secures to Lender the same rights as to the adequacy of the Property as security.

If Lender gives notice of default pursuant to paragraph 21 of the Security Instrument and Lender has given Borrower notice of default pursuant to paragraph 21 of the Security Instrument and Lender gives notice of default only to the benefit of Lender only, to be applied to the sums secured by the Security instrument only.
