AGREEMENT

1. Grant of Easement. Anlia, on behalf of itself and its successors and assigns, hereby grants and conveys to Padilla, and its agents, tenants, successors and assigns, a non-exclusive easement over, under, across and through the Easement Area for the purpose of installing, constructing, operating, maintaining, repairing, adding to, altering or replacing, present or future irrigation equipment and systems, including but not limited to, pipe, electrical wiring, electrical control boxes, wells, well heads, pump heads, pump houses, valves, meters, connections, retention ponds and other appurtenant facilities, for the withdrawal, transmission and distribution of water, through, upon and across the Anlia Property (collectively, "Equipment"). Padilla, on behalf of itself and its agents, successors and assigns, shall also have the right of ingress and egress to the Easement Area.

2. Conditions of Easement. This easement is granted subject to and conditioned upon the following terms, conditions and covenants which Padilla, its agents, tenants, successors and assigns, promise to faithfully and fully observe and perform:

2.1 Rights of Easement. Padilla, its agents, tenants, successors and assigns, shall have the non-exclusive use of the Easement Area, and right of way to and from the Easement Area, for the purposes identified in paragraph 1 above, and shall have the right to use abutting land adjoining the Easement Area when necessary, provided, however, that the right to use abutting land shall be exercised only during periods of actual installation or maintenance, and then only to the minimum extent necessary for such installation and maintenance. Padilla, its agents, tenants, successors and assigns shall exercise their rights under this Agreement so as to minimize and avoid interference with Anlia and its use of the Anlia Property. Padilla shall also take care to minimize any negative impact, whether functional or aesthetic, on the Easement Area and the Anlia Property.

2.2 Anlia's Rights. Anlia reserves the right to itself to make any use of the Easement Area that is not inconsistent with the rights conveyed to Padilla under this Agreement or that does not interfere with the use of the Easement Area by Padilla, including the construction and maintenance of roadways and fencing over the Easement Area. Padilla acknowledges Anlia has a residence, office, garage and other outbuildings on its property in addition to roadways, fencing, walls, trails and extensive landscaping and nothing in this Agreement shall prevent or preclude Padilla from its use, maintenance, repair or improvement of those existing improvements or undertaking any future improvements. Padilla shall not be liable to Anlia or to Anlia's agents, tenants, successors, assigns, contractors or users of the Equipment for loss or injury resulting from any damage or destruction of the Equipment, directly or indirectly caused by Padilla.

2.3 Permissible Use. Padilla agrees it will use the Easement Area only for permissible purposes consistent with the rights and usage set forth in this Agreement. Padilla, its agents, successors and assigns may not use or permit the use of the Easement Area for any purpose prohibited by any law, ordinance, regulation, covenant, condition or restriction.

2.4 As-Built Survey. Upon Anlia's request, Padilla shall, at its own expense, promptly provide Anlia with as-built drawings and surveys showing the location and depth of the Equipment ("Survey"). Upon completion of the Survey, at Anlia's option, this Agreement shall be amended to limit the Easement Area to those areas in which the Equipment is located, as depicted in the Survey.

2.5 Equipment and Activities. The following provisions shall apply with respect to the Equipment and Padilla's activities:

2.5.1 Ownership. The Equipment installed in the Easement Area shall be and remain the property of Padilla, its successors and assigns.

2.5.2 Maintenance. The expense of installation, construction, operation, maintenance, repair, replacement and use of the Equipment shall be paid entirely by Padilla.

2.5.3 Changes in Location of Equipment. Should Padilla's use of the Easement Area or the Equipment in any way interfere with Anlia's use or enjoyment of the Anlia Property, Anlia may, at its discretion, require Padilla to relocate, alter or make any changes to the Equipment, and its location, that Anlia shall deem necessary. In such case, Padilla shall promptly undertake the relocation or alteration at Padilla's sole cost and expense, including all direct and indirect cost of materials, labor and services.

2.5.4 Approval. From and after the Effective Date, prior to the construction or installation of any Equipment or any other substantial activity by Padilla, its agents, tenants, successors and assigns, on or around the Easement Area, Padilla shall submit to Anlia notice of the proposed activity, together with written plans for the activity and no such work shall be commenced without Anlia's prior written approval of the plans. Any changes or revisions in the plans shall also be subject to Anlia's prior written approval. Nothing in this Agreement shall be deemed to impose any duty or obligation on Anlia to determine the adequacy or sufficiency of Padilla's plans and designs, or to ascertain whether Padilla's work is in conformance with the plans and specifications approved by Anlia.

2.5.5 Work Standards. Padilla shall coordinate with Anlia the dates of installation, construction and major repair or maintenance of the Equipment, as well as other major activities. All work to be performed by Padilla in the Easement Area shall be completed in a careful and workmanlike manner, to Anlia's satisfaction, and free of claims and liens.

2.5.6 Restoration Obligation. Padilla shall have the right to trim, cut and remove trees, shrubbery, fences, or other facilities in or abutting the Easement Area if they interfere with the efficient installation, operation and maintenance of the Equipment. Padilla, however, shall, at its own expense, restore, as nearly as possibly, to their original condition, all land and facilities within the Easement Area or abutting the Easement Area that are disturbed in any manner by the installation, operation and maintenance of the Equipment. This restoration obligation shall extend to, but shall not be limited to, the backfilling of trenches, the replacement of fences, the reseeding or resodding of lawns or pasture areas, the replacement of shrubbery,

trees, and landscaping and the repair and replacement of drainage and roadways and other facilities located within the Easement Area.

2.6 Hazardous Substances and Waste. Both parties, and their successors and assigns, covenant and agree they will not use, store or dispose of any hazardous substances or waste in or around the Easement Area and further covenant and agree they shall strictly comply with any and all governmental laws, regulations and ordinances regarding the handling, transportation and storage of hazardous substances and hazardous wastes.

2.7 Indemnification.

2.7.1 Right to Indemnification. The parties shall defend, indemnify and hold one another harmless from and against liabilities, claims, actions, damages, demands, costs and expenses of any kind or nature, including but not limited to legal fees and costs and other professional expenses, arising out of or in connection with the other party's acts or omissions. The indemnification rights set forth in this Agreement shall survive the termination date of this Agreement and the termination date of the easement.

2.7.2 Procedure Regarding Indemnification Rights. In the event either party receives notice of a claim or demand against which it is entitled to indemnification pursuant to this paragraph, it shall immediately give written notice of the claim to the other party. The party obligated to indemnify shall immediately take such measures as may be reasonably required to properly and effectively defend against the claim, and may defend the claim with counsel of its own choosing, approved by the other party provided such approval is not unreasonably withheld or delayed. In the event the party obligated to indemnify fails to properly and effectively defend the claim, then the party entitled to indemnification may defend the claim with counsel of its own choosing at the expense of the party obligated to provide a defense.

2.8 Insurance. The parties shall each obtain, at their own expense, commercial general liability insurance with liability limits of at least Two Million Dollars (\$2,000,000) for any one occurrence. At the request of the other party, each party shall be obligated to: (a) name the requesting party as a named insured under the other party's commercial general liability insurance policy; and/or (b) provide the other with a certificate of insurance, fifteen (15) days from the date of request, reflecting that such insurance is in place.

2.9 Termination. In the event Padilla, its agents, tenants, successors or assigns, fails to cure a breach or default under this Agreement within twenty (20) days of Padilla giving Anlia written notice of the breach or default, Anlia may terminate Padilla's rights under this Agreement in addition to any other remedy. In the event Padilla ceases to use the Equipment for a period of five (5) successive years, this Agreement, and Padilla's rights under this Agreement, shall terminate and revert to Anlia. Upon termination of this Agreement, Padilla shall, at the option of Anlia, remove the Equipment and restore the ground to its prior conditions, or, in the alternative, restore the Anlia Property or take such other mutually agreed upon measures to minimize the impact of the Equipment. This work shall be done at the sole cost and expense of Padilla and in a manner satisfactory to Anlia. In case of Padilla's failure to remove the Equipment or take such other mutually agreed upon measures, Anlia may, after reasonable

notice to Anlia, remove the Equipment, restore the ground or take other measures at Padilla's expense.

2.10 Third Party Rights. Anlia reserves all rights with respect to the Anlia Property, including, without limitation, the right to grant easements, licenses and permits to others subject to the rights granted in this Agreement.

2.11 Assignment and Successors. Padilla shall not assign any rights under this Agreement without the prior written consent of Anlia. Any assignment without the prior written consent of Anlia shall be invalid. Subject to the preceding, the rights and obligations of the parties shown inure to the benefit of and be binding upon their respective successors and assigns.

3. General Provisions. The following general provisions shall apply with respect to this Agreement:

3.1 Successors and Assigns. The rights and obligations created pursuant to this Agreement shall bind all subsequent owners of the Anlia Property, as described in **Exhibit A**, as well as subsequent owners of the Anlia Property, as described in **Exhibit B**.

3.2 Running Covenants. This Agreement is, and in all events shall be, understood to relate to the properties described in **Exhibit A** and **Exhibit B** and shall be deemed to be covenants running with the land and shall inure to and be binding upon successors, assigns, heirs and personal representatives of the parties.

3.3 Entire Agreement; Modifications. This Agreement is the entire understanding between the parties with respect to the transactions contemplated herein and all prior or contemporaneous agreements, understandings, representations and statements, oral or written, are merged into this Agreement. Neither this Agreement nor any provision in this Agreement may be waived, modified, amended, discharged or terminated, except by an instrument in writing signed by both parties and then, only to the extent set forth in such instrument.

3.4 Notices. Any notice required or permitted to be delivered under this Agreement shall be in writing and shall be validly given and made to another party if delivered either personally or by Federal Express or other overnight delivery service of recognized standing. If such notice is personally delivered, it shall be deemed given and received at the time of such delivery. If such notice is delivered by Federal Express, or other overnight delivery service of recognized standing, it shall be deemed given one (1) business day after the deposit with such delivery service. Each such notice shall be deemed given only if properly addressed to the party to whom such notice is given, as follows:

3.6 Severability. If one or more of the provisions of this Agreement, or its application, is determined to be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions or any other application shall in no way be affected or impaired.
