3.2 Liability Insurance. Comprehensive public liability insurance on an "occurrence basis" insuring against claims for bodily injury, death, or property damage occurring in, on, or about the Property and adjoining streets, sidewalks, and passageways arising out of or in any way connected with the use, occupancy, possession, ownership, or condition (whether or not now existing) of the same. The limits of such coverage shall be no less than \$1,000,000.00 per occurrence. Such policy shall insure performance of Grantor-Trustor's indemnity obligations hereunder and shall name Beneficiary as an additional insured, providing coverage for Beneficiary regardless of whether the asserted claim is also asserted against Beneficiary.

3.3 Worker's Compensation. Grantor-Trustor shall maintain worker's compensation insurance as required by state law.

3.4 General Requirements and Use of Proceeds. All insurance shall be carried in companies approved by Beneficiary; shall be subject to the approval of Beneficiary as to amount, content, form, and expiration date; shall contain a non-contributory standard mortgagee clause and lender's loss payable endorsement or the equivalent thereof in favor of Beneficiary; and shall provide that the proceeds thereof shall be payable to Beneficiary to the extent of Beneficiary's interest. All policies required hereunder shall be written for not less than one year with premiums prepaid and shall contain no co-insurance provisions, and shall contain a waiver of subrogation provision, a provision naming Beneficiary as an additional insured or loss payee, as appropriate, a primary insurance provision without right of contribution from Beneficiary, and a cross-liability provision. In the event of loss or change in ownership or occupancy, Grantor-Trustor shall give immediate notice thereof to Beneficiary. Grantor-Trustor hereby authorizes Beneficiary, at Beneficiary's option, to collect, adjust, and compromise any losses under any of the insurance aforesaid. The amount collected under any such insurance policy may be applied by Beneficiary upon the indebtedness and obligations secured hereby and in such order as Beneficiary may determine or, at the option of Beneficiary, the entire amount so collected, or any part thereof, may be released to Grantor-Trustor. Such application or release shall not cure or waive any default, or notice of default hereunder, or invalidate any act done pursuant to such notice. Nothing herein contained shall excuse Grantor-Trustor from repairing or maintaining the Property or restoring all damage or destruction to the same regardless of the existence, payment, or adequacy of insurance proceeds.

4. Defense of Security. To defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee, and to pay all costs and expenses, including cost of title search and attorneys' fees in a reasonable amount, in any such action or proceeding, and in any suit brought by Beneficiary to foreclose this Deed of Trust.

5. **Costs and Fees.** To pay all costs, fees, and expenses in connection with this Deed of Trust, including the expenses of Trustee incurred in enforcing the obligations secured hereby and Trustee's and attorneys' fees actually incurred, as provided by statute.

6. **Security Agreement.** To the extent any portion of the Property is, or is construed to be, personal property, this Deed of Trust shall constitute a security agreement between Grantor-Trustor, as debtor, and Beneficiary, as secured party, under the Uniform Commercial Code of the state in which the Property is located and any other applicable law. The grant of a security interest hereunder shall not be construed to derogate from or impair the lien or provisions of or rights of Beneficiary under this Deed of Trust with respect to any of the Property hereunder which is real property. Grantor-Trustor grants a security interest to Beneficiary in any of the Property or rents that are personal property and also grants a security interest in the following property now owned or hereafter acquired by Grantor-Trustor (the "Collateral"):

6.1 **Personal Property.** All furniture, furnishings, appliances, machinery, equipment, and other personal property, except personal property owned by tenants occupying the Property, of any kind now or hereafter located on the Property, used or intended to be used on the Property wherever actually located, and all rights of Grantor-Trustor as lessee of any personal property described above.

6.2 **Awards.** All unearned premiums under insurance policies now or hereafter obtained by Grantor-Trustor, all proceeds of the conversion, voluntary or involuntary, of any of the Property or the Collateral into cash or other liquidated claims, all refunds or rebates of taxes or assessments on the Property or Collateral, all rights of action in respect of the Property or Collateral, and all judgments, damages, awards, settlements, and compensation (including interest thereon) heretofore or hereafter made to the present and all subsequent owners of the Property or Collateral and any other property or rights conveyed or encumbered hereby for any injury to or decrease in the value thereof for any reason, or by any governmental or other lawful authority for the taking by eminent domain, condemnation, or otherwise of all or any part thereof.

6.3 **Plans.** All plans, specifications, contracts, agreements, and purchase orders pertaining or incidental to the design or construction of any improvements, Grantor-Trustor's rights under any payment, performance, or other bond in connection with construction of improvements, and all construction materials, supplies, and equipment delivered to the Property or intended to be used in connection with the construction of improvements

6.4 **Contracts.** All contracts and rights pertaining to or affecting the Property, including without limitation all options or contracts to acquire other property for use in connection with the operation or development of the Property, deposits, bank accounts, contract rights, accounts, general intangibles, trademarks, trade names and symbols, permits, licenses,

franchises, and certificates.

6.5 Loan Commitments. All commitments or agreements, now or hereafter in existence, intended by the obligor thereof to provide Grantor-Trustor with proceeds to satisfy the Note or improve the Property and the right to receive all proceeds due under such commitments or agreements including refundable deposits and fees.

6.6 Books and Records. All books, records, surveys, reports, and other documents related to the Property or Collateral.

6.7 Inventory. All inventory pertaining to or affecting the Property.

6.8 Proceeds. All additions, accessions, replacements, substitutions, proceeds, and products of the foregoing.

7. Beneficiary's Right to Protect Security. Should Grantor fail to pay when due any taxes, assessments, insurance premiums, liens, encumbrances, or other charges against the Property hereinabove described, Beneficiary may, at Beneficiary's sole option, pay the same, and the amount so paid, with Beneficiary's costs and expenses together with interest at the rate set forth in the note secured hereby, shall be added to and become a part of the debt secured by this Deed of Trust.

8. Assignment of Rents. As additional security, Grantor-Trustor hereby gives to and confers upon Beneficiary the right, power, and authority, during the continuance of this Deed of Trust, to collect the rents, issues, and profits of the Property, reserving unto Grantor-Trustor the right, prior to any default by Grantor-Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues, and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said Property or any part thereof; in Beneficiary's own name sue for or otherwise collect such rents, issues, and profits, including those past due and unpaid; and apply the same, less costs and expenses of operation and collection, including actual attorneys' fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine. Failure or discontinuance of Beneficiary at any time, or from time to time, to collect any such amounts shall not in any manner affect the subsequent enforcement by Beneficiary of the right, power, and authority to collect the same. The entering upon and taking possession of said Property, the collection of such rents, issues, and profits, and the application thereof as aforesaid shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. Grantor-Trustor shall not collect rent from any tenant for any reason more than one month in advance of the accrual thereof unless approved in writing by Beneficiary. Nothing contained herein, nor the exercise of the right by Beneficiary to collect, shall be or be construed to be an affirmation by Beneficiary of any tenancy, lease, or option, nor an

assumption of liability under, nor a subordination of the lien or charge of this Deed of Trust to any such tenancy, lease, or option. Grantor-Trustor shall not enter into any leases of the Property or any portion thereof, except on the terms and conditions first approved by Beneficiary in writing.

9. **Subordination of the Leases.** At any time, and from time to time, without liability therefor, upon written request by Beneficiary and presentation for endorsement of this Deed of Trust and the Note secured hereby, Trustee may execute a subordination agreement whereby this Deed of Trust shall become subject and subordinate, in whole or in part (but not with respect to the priority of entitlement to insurance proceeds or any award in condemnation) to any and all leases of all or any part of the Property, upon recording thereof in the county in which the Property is situated.

10. **Eminent Domain.** In the event any portion of the Property is taken or damaged in an eminent domain proceeding, the entire amount of the award or such portion thereof as may be necessary to satisfy fully the obligation secured hereby, shall be paid to Beneficiary to be applied to said obligation.

11. **No Waiver.** By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive its right to require prompt payment when due of all other sums so secured or to declare default for failure to so pay.

12. **Reconveyance upon Satisfaction.** Trustee shall reconvey all or any part of the Property covered by this Deed of Trust to the person entitled thereto on written request of Grantor and Beneficiary, or upon satisfaction of the obligations secured and written request for reconveyance made by Beneficiary or the person entitled thereto

13. **Books and Records.** Grantor-Trustor will keep and maintain or cause to be kept and maintained at the Property or Grantor-Trustor's address, as set forth herein, proper and accurate books, records, and accounts reflecting all items of income and expenses with respect to the operation of the Property and in connection with any services, equipment, or furnishings provided with respect to the operation of the Property. Beneficiary or Beneficiary's representatives shall have the right to inspect such books, records, and accounts during normal business hours upon reasonable request, and to make copies or extracts thereof. Grantor-Trustor agrees, upon receipt of written request from Beneficiary, to furnish Beneficiary an annual operating statement of the Property within 90 days after the close of each fiscal year of the operation of the Property in form and detail satisfactory to Beneficiary. The annual operating statement shall be supported by the affidavit of Grantor-Trustor as the owner of the Property. Beneficiary shall have the right to examine the supporting books and records at any time and from time to time on reasonable request.

14. **Financial Statements and Credit Reports.** Upon request, Grantor-Trustor shall furnish Beneficiary with copies of a current Financial Statement for Grantor-Trustor, prepared by a certified public accountant and certified by Grantor-Trustor as being an accurate, true, and complete statement

of Grantor-Trustor and, in addition, Grantor-Trustor shall furnish Beneficiary, at Grantor-Trustor's request, with copies of current credit reports for Grantor-Trustor. Such reports and statements shall be in form and content satisfactory to Beneficiary.

15. **Inspection of Property.** Grantor-Trustor shall allow Beneficiary and Beneficiary's representatives to inspect the Property and the Collateral at any reasonable time and from time to time.

16. **Late Charge.** In the event that any payment or portion thereof is not paid within 10 days from the date the same is due, Grantor-Trustor agrees to pay a late charge of \$.10 for each dollar so overdue, if charged by Beneficiary.

17. **Default.** Upon default by Grantor in the payment of any indebtedness secured hereby or in the performance of any agreement contained herein, all sums secured hereby shall immediately become due and payable at the option of Beneficiary. In such event and upon written request of Beneficiary, Trustee shall sell the trust Property, in accordance with the Deed of Trust Act of the state in which the Property is located, at public auction to the highest bidder. Any person except Trustee may bid at Trustee's sale. Trustee shall apply the proceeds of the sale as follows: (1) to the expense of sale, including a reasonable Trustee's fee and attorneys' fee; (2) to the obligations secured by this Deed of Trust; and (3) the surplus, if any, to the parties entitled thereto.

18. **Title at Trustee's Sale.** Trustee shall deliver its deed, without warranty, to the purchaser at the sale, which deed shall convey to the purchaser the interest in the Property which Grantor had or had the power to convey at the time of Grantor's execution of this Deed of Trust, and such as Grantor may have acquired thereafter. Trustee's deed shall recite the facts showing that the sale was conducted in compliance with all the requirements of law and of this Deed of Trust, which recital shall be prima facie evidence of such compliance and conclusive evidence thereof in favor of bona fide purchasers and encumbrancers for value.

19. **Non-exclusivity of Remedy.** No remedy granted herein is intended to be exclusive of any other remedy provided herein or in law or equity, but each shall be cumulative. Each such remedy may be exercised singly, collectively, or seriatim, and as often as may be deemed expedient by Trustee or Beneficiary. If there exists additional security for the performance of the obligations secured hereby, Beneficiary, at Beneficiary's sole option and without limiting or affecting any rights or remedies hereunder, may exercise any of the rights or remedies hereunder, may exercise any of the rights and remedies to which Beneficiary may be entitled hereunder either concurrently with whatever or other rights Beneficiary may have in connection with such other security or in such order as Beneficiary may determine. In addition, Beneficiary shall have the following remedies:

19.1 **Foreclosure as a Mortgage.** Beneficiary may cause this Deed of Trust to be foreclosed as a mortgage.

19.2 Possession and Receiver. Trustee or Beneficiary personally or by its agents or attorneys, or through a duly appointed receiver, may enter into and upon all or any part of the Property, and each and every part thereof, and may exclude Grantor-Trustor and Grantor-Trustor's agents wholly therefrom; and, having and holding the same, may use, operate, manage, improve, and control the Property and conduct the business thereof; and Trustee or Beneficiary shall be entitled to collect and receive all earnings, revenues, rents, issues, profits, and income of the Property and every part thereof, whether or not Beneficiary, Trustee, or a receiver is in possession of the Property. Beneficiary shall be entitled to the appointment of a receiver as a matter of right, whether or not the apparent value of the Property exceeds the indebtedness secured hereby, and any receiver appointed may serve without bond. Employment by Beneficiary shall not disqualify a person from serving as a receiver. The exercise of any right under this Section 14 shall not be deemed an election of remedies or a "pending action" so as to preclude the exercise of any other right or remedy. Upon taking possession of all or any part of the Property, the receiver may:

19.2.1 Use, operate, manage, control, and conduct the business of the Property and make expenditures for all maintenance and improvements as in the receiver's judgment are proper;

19.2.2 Collect all rents, revenues, income, issues, and profits from the Property and apply such sums to the expenses of use, operation, and management; and

19.2.3 Complete any construction in progress and in that connection pay bills, borrow funds, employ contractors, and make any changes in plans or specifications as the receiver deems appropriate.

If the revenues produced by the Property are insufficient to pay expenses, the receiver may borrow, from Beneficiary or otherwise, such sums as the receiver deems necessary for the purposes stated herein and repayment of such sums shall be secured by the lien hereof. The amounts borrowed from or advanced by Beneficiary shall bear interest at the rate set forth in the Note from the date of expenditure until repaid, and such amounts and interest shall be an indebtedness of Grantor-Trustor secured hereby.

19.3 Uniform Commercial Code. Beneficiary shall have all of the remedies of a secured party under the Uniform Commercial Code of the state in which the Property is located and any other applicable law. To the extent permitted by law, Grantor-Trustor expressly waives any notice of sale or other disposition and any other right or remedy of Beneficiary existing after an event of default hereunder, and to the extent any such notice is required and cannot be waived, Grantor-Trustor agrees that as it relates to this Section 14, only if such notice is marked, postage prepaid, to Grantor-Trustor at the above address at least five days before the time of the sale or disposition, such notice shall be deemed reasonable and shall fully satisfy

any requirement for giving of said notice.

20. **Sale, Transfer or Encumbrance of Property.** If Grantor-Trustor or any successor in interest to the Property should, without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld, sell, convey, transfer, encumber, or alienate the Property, any part thereof, or any interest therein or be divested of Grantor-Trustor's title or any interest therein in any manner, whether voluntary or involuntary, or if in the case Grantor-Trustor, Grantor-Trustor's successors or assigns is a corporation or partnership and Grantor-Trustor's principal shareholders or partners, or any one of them should, without the prior written consent of Beneficiary, which consent shall not be unreasonably withheld, sell, convey, transfer, encumber, pledge, or alienate a substantial portion of their shares in the corporation or interest in the partnership, either voluntarily or involuntarily, then in recognition of the reliance by Beneficiary on the ownership and management of the Property by Grantor-Trustor which is a material inducement to Beneficiary to extend credit to Grantor-Trustor and in recognition of the increased risk to Beneficiary upon the conveyance of the Property, shares, or interest, as the case may be, by Grantor-Trustor, Grantor-Trustor's principal shareholders or partners, Beneficiary, at Beneficiary's sole option, shall have the right to declare all sums secured hereby forthwith due and payable, or at Beneficiary's sole option, Beneficiary may increase the interest rate of the Note by an amount then to be determined by Beneficiary to compensate Beneficiary for Beneficiary's increased risk. The following shall not be deemed to constitute a sale, transfer, or encumbrance for purposes hereof: (a) creation of a purchase money security interest in items which may become affixed or attached to the Property; (b) a transfer by devise, descent, or operation of law upon the death of a joint tenant, if any; and (c) the grant of any leasehold interest of not more than five years, including any extension or renewal options, which does not involve or contain any purchase rights, options, or obligations in either the instrument granting the leasehold interest or any other agreement. If the interest rate on the Note is increased pursuant to this Section 13, any amortizing payments required on the Note shall automatically be increased by an amount sufficient to cover the increased interest charges arising as a result hereof. In addition, prior to the passage of title to or control of or an interest in the Property, Grantor-Trustor shall give not less than 30 days' prior written notice to Beneficiary of any such sale, transfer, or encumbrance and deliver such information concerning the financial capability and experience of the party acquiring such title, control, or interest, as Beneficiary may in Beneficiary's discretion require. Waiver of any right granted to Beneficiary herein as to one transaction, event, or occurrence shall not be deemed to be a waiver of right as to any subsequent transaction, event, or occurrence.

21. **Condemnation.** Grantor-Trustor, immediately upon obtaining knowledge of any contemplated condemnation of the Property or any portion thereof, or of the institution of any proceeding for the condemnation of the Property or any portion thereof, shall notify Beneficiary of the pendency thereof. Grantor-Trustor hereby assigns, transfers, and sets over unto Beneficiary all compensation, rights of action, the entire proceeds of any award, and any claim for damages for any of the Property taken or damaged under the power of eminent domain or by condemnation or by sale in lieu thereof, excluding the portion of any award made to tenants in accordance with the leases

thereof. Beneficiary may, at Beneficiary's option, commence, appear in, and prosecute, in Beneficiary's own name, any action or proceeding, or make any compromise or settlement, in connection with such condemnation, taking under the power of eminent domain, or sale in lieu thereof. After deducting therefrom all of Beneficiary's expenses, including attorneys' fees, the net proceeds of the award which have been paid to Beneficiary shall be applied to the payment of the indebtedness secured hereby, or, at the election of Beneficiary, in Beneficiary's sole and absolute discretion, may be made available to Grantor-Trustor for restoration or rebuilding of the Property if such restoration is feasible in such a way as to restore the Property to the same use and at least the condition and quality as the Property existed prior to the condemnation, the value of which shall exceed the sum of the then unpaid balance of the debt secured hereby. To the extent that such proceeds are paid to Beneficiary but are either not made available to Grantor-Trustor under the preceding sentence, or are not used by Grantor-Trustor for such purpose within 180 days, such proceeds shall be applied to the indebtedness and obligations secured hereby in such manner as Beneficiary may determine. Grantor-Trustor agrees to execute such further assignments of any compensation, award, damages, rights of action, and proceeds, as Beneficiary may require.

22. **Successor Trustee.** In the event of the death, incapacity, disability, or resignation of Trustee, Beneficiary may appoint, in writing, a successor Trustee, and upon the recording of such appointment in the mortgage records of the county in which this Deed of Trust is recorded, the successor Trustee shall be vested with all powers of the original Trustee. The Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Grantor, Trustee, or Beneficiary shall be party unless such action or proceeding is brought by Trustee.

23. **Applicability to Successors.** This Deed of Trust applies to, inures to the benefit of, and is binding not only on the parties hereto, but on their heirs, devisees, legatees, administrators, executors, successors and assigns. The term Beneficiary shall mean the holder and owner of the note secured hereby, whether or not named as Beneficiary herein.

24. **Execution of Further Instruments.** Within 15 days of written request, Grantor-Trustor shall execute, acknowledge, and deliver to Beneficiary a security agreement or other similar security instrument, in form satisfactory to Beneficiary, covering all property of any kind whatsoever owned by Grantor-Trustor which, in the reasonable opinion of Beneficiary, is essential to the operation of the Property described herein and concerning which there may be any doubt whether the title to same has been conveyed by and included within this Deed of Trust under the laws of the state in which the Property is located, and will further execute, acknowledge, and deliver any financing statement, affidavit, continuation statement, or certificate or other document as Beneficiary may reasonably request in order to perfect, preserve, maintain, continue, and extend the security interest thereunder and the priority of such security instrument. Grantor-Trustor further agrees to pay to Beneficiary on demand all reasonable costs and expenses incurred by Beneficiary in connection with the preparation, execution, and filing of any such document.

25. **Environmental Laws.** For the purposes hereof, the phrase "Hazardous Materials" shall mean and include any oil, hazardous substance, pollutant, contaminant, hazardous waste, hazardous material, dangerous waste, extremely hazardous waste, toxic waste, asbestos, or air pollution, as any such term or similar term as now or hereafter defined, used or understood in or under any federal, state, county, city, or other governmental statute, rule, ordinance, order, or regulation which relates in any way to the protection of the environment ("Environmental Laws"). Grantor-Trustor warrants and covenants to the best of Grantor-Trustor's knowledge as follows: There are no Hazardous Materials in, upon, or buried on or beneath the Real Property or the improvements thereof, nor have any Hazardous Materials been emitted or released therefrom in violation of any Environmental Laws. In no event shall Grantor-Trustor bring onto, store upon, bury, use upon, emit, or release from, nor allow to be brought onto, stored upon, buried, used upon, emitted, or released from the Real Property or the improvements thereon, any Hazardous Materials in violation of any Environmental Laws. There are no underground storage tanks located on the Real Property, including any storage tanks which contain or previously contained any Hazardous Materials. Grantor-Trustor shall not cause or permit any such tanks to be installed. Grantor-Trustor shall indemnify and hold Beneficiary, Beneficiary's officers, directors, agents, and the Property harmless from any claim, cost, damage, expense, including attorneys' fees, monitoring costs, response costs, and penalties with respect to any breach or alleged breach of these warranties and covenants. These warranties and covenants shall survive the exercise of any remedies by Beneficiary, including without limitation foreclosure or obtaining title in lieu of foreclosure.

26. **Attorneys' Fees.** If any litigation is instituted to enforce or interpret any provision hereof, or to foreclose this Deed of Trust, the prevailing party shall be entitled to collect, in addition to all other amounts and relief, its court costs, title search costs, and reasonable attorneys' fees incurred both at and in preparation for trial and any appeal or review, such amount to be set by the court before which the matter is heard. If Beneficiary is the prevailing party, such costs and attorneys' fees shall be secured by this Deed of Trust.
