

295.42

1. This survey has been prepared from a closed random traverse using a "topcon APL 1A" total station.
2. The purpose of this survey has been to locate, describe and set monuments to mark the four exterior corners of the below described property.
3. The deficiency in distance between found monuments was adjusted by direct proportion holding street and alley widths per plat.
4. The shed on the north boundary of this property appears to encroach.
5. No easements of record are noted in the below cited deed.

Situate in the City of Anacortes County of Skagit, State of Washington.
