D. WATER PIPELINE EASEMENT SHOWN ON FACE OF PLAT:

Easements are granted to Public Utility District No. 1 of Skagit County, Washington, a municipal corporation, its successors or assigns, the perpetual right, privilege and authority enabling the PUD to do all things necessary or proper in the construction or maintenance of a water line, lines or related facilities, including the right to construct, operate, maintain, inspect, improve, remove, restore, alter, replace, relocated, connect to, and locate at any time a pipe or pipes, line or lines or related facilities, along with necessary appurtenances for the transportation of water over, across, along, in, and under the lands as shown on this plat together with the right of ingress to and egress from said lands across adjacent lands of the grantor; also, the right to cut and/or trim all brush, timber, trees, or other growth standing or growing upon the lands of the Grantor which, in the opinion of the district, constitutes a menace or danger to said line or to persons or property by reason of proximity to the line. The grantor agrees that title to all timber, brush, trees, other vegetation or debris trimmed, cut, and removed from the easement pursuant to this agreement is vested in the district.

Grantor, its heirs, successors, or assigns hereby conveys and agrees not to construct or permit to be constructed structures of any kind on the easement area without written approval of the general manager of the district. Grantor shall conduct its activities and all other activities on grantor's property so as not to interfere with, obstruct or endanger the usefulness of any improvements or other facilities, now or hereafter maintained upon the easement or in any way interfere with, obstruct or endanger the districts use of the easement.

E. Dedication on face of Plat, as follows:

"...rights to make all necessary slopes for cuts and fills, and the right to continue to drain said roads and ways over and across any lot or lots, where water might take a natural course, in the original reasonable grading of roads and ways shown hereon.

Following original reasonable grading of roads and ways hereon, no drainage waters on any lot or lots shall be diverted or blocked from their natural course so as to discharge upon any public road right of way, or to hamper road drainage. Any enclosing of drainage waters in culverts or drains or re-routing shall be done by and at the expense of such owner."

F. EASEMENTS SHOWN ON FACE OF PLAT:

For: Drainage, utilities and driveway access
Affects: As shown on face of plat
