A. Know all men by these presents that we, the undersigned owners in the fee simple or contract purchaser and mortgage holder of the land hereby platted, hereby declare this Kulshan Ridge P.U.D. and dedicate to the public forever, all streets, avenues, ways, boulevards, drives, places, circles, courts, lanes and loops shown thereon and the use thereof for all public purposes not inconsistent with the use thereof for public highway purposes; also the right to make all necessary slopes for cuts and fills upon the lots and blocks shown on this plat in the original reasonable grading of the streets, avenues, ways, boulevards, drives, places, circles, courts, lanes and loops shown hereon. Tracts 997 and 999 (Detention Ponds) and Tract 998 (Protected Critical Area) as shown on the face of this plat is hereby dedicated.

B. An easement for the purpose of conveying local stormwater runoff is hereby granted in favor of all abutting lot owners in the areas designated as private drainage easements. The maintenance of private drainage easements established and granted herein shall be the responsibility of, the cost thereof shall be borne equally by, the present and future owners of the abutting property and their heirs, personal representatives, and assigns.

The City of Mount Vernon is hereby granted the right to enter said easements for emergency purposes at its own discretion.

- C. Open Space Tract 998 shall be owned by the City. This open space tract contains wetlands, stream corridors and native growth protection areas. All lots within the development shall have the right to an easement for the maintenance of the open space tract. The cost of maintenance of the open space tract shall be borne by the Homeowners Association. Removal of trees within these native growth protection areas, wetlands and stream corridors shall be limited to those which after consultation of the City, are determined to be dead, diseased, or hazardous. No clearing, grading or filling of any kind, building construction, dumping of yard debris, or road construction shall occur within the open space Tract 998, except for vegetation replacement, or utility installation. No adjustment to the boundary of these areas shall occur unless approved through the formal replatting process.
- D. Detention Pond Tracts 997 and 999 shall be owned by the City. The detention ponds and drainage systems located within these tracts shall be maintained by the City. The Homeowner's Association shall be responsible for the maintenance and upkeep of the landscaped areas within these tracts.
- E. A 15' No-Cut Vegetation Easement is hereby reserved along the South 15 feet of Lots 3-7 and 13-16. The individual property owners of these lots are responsible for the maintenance of the trees within this easement. Trees may be removed and replaced only if, after consultation with the City, they are found to be dead, diseased or hazardous. No structures except for fences may be placed within the easement.
- F. A native growth protection area is located in the rear yards of Lots 7-11 and Lots 16-24. The boundary is defined by the split rail fence. No clearing, grading or filling of any kind, building construction, fences or dumping of yard debris are allowed within these areas. Removal of trees within these native growth protection areas shall be limited to those which after consultation of the City are determined to be dead, diseased, or hazardous.
- G. No clearing, grading or filling of any kind, building construction, dumping of yard debris, or road construction shall occur within the wetland buffer, except for vegetation replacement, or utility installation.
