C. Right of the public to make necessary slopes for cuts or fills upon property herein described in the reasonable original grading of streets, avenues, alleys and roads, as dedicated in the plat.

D. Conditions shown on face of Plat, as follows:

NATIVE GROWTH PROTECTION EASEMENT/BUFFER ZONE

A Native Growth Protection Easement (NGPE) is hereby dedicated to the public for Tracts A, B, D, E, F, G, I and K, a beneficial interest in the land within the easement. This interest includes the preservation of a native vegetation for all purposes that benefit the public health, safety and welfare, including control of the surface water and erosion, maintenance of slope stability, visual and rural buffering, and protection of plant and animal habitat. The NGPE imposes upon all present and future owners and occupiers of the land subject to the easement obligation, enforceable on behalf of the public by the City of Anacortes, to leave undisturbed all trees and other vegetation within the easement. The vegetation within the easement may not be cut, pruned, covered by fill, removed or damaged without express permission from the City of Anacortes, which permission must be obtained in writing from the City of Anacortes Planning Department.

Before and during the course at any grading, building construction, or other development activity on a lot subject to the NGPE, the common boundary between the easement and the area at development activity must be fenced or otherwise marked to the satisfaction of the City of Anacortes.

The above tracts contain storm water conveyance systems and may require maintenance and/or repair by the City of Anacortes.

STORM WATER DETENTION PONDS

Two Storm Water Detention Ponds and access roads are hereby dedicated to the City of Anacortes for Tracts C and H for operation and maintenance by the City of Anacortes.

CITY RIGHT-OF-WAY

Tract "B" is hereby dedicated to the City of Anacortes for purposes as a road and utility access and for purposes of operation and maintenance by the City of Anacortes
