5. Water - Individual Wells; Water will be supplied from individual water systems. Contact the Health Department to determine if additional water quality or quantity testing will be required for building permit approvals. Skagit County requires a 100 foot radius well protection zone for new individual water systems. The zone must be contained entirely on the lot owned in fee simple and/or be provided through appropriate covenants or easements. Present and future owners of lots with an existing well shall preserve a 100 foot radius well protection zone for existing well improvement or replacement.

Future buyers should be aware that (at EPA and State Department of Health direction). The maximum contaminant level (MCL) of Arsenic in drinking water is in the process of being changed to 0.01 MG/L and that levels above this may be hazardous to health. Since detectable levels of Arsenic have been recorded with this plat, property owners are advised to annually test their water for Arsenic and if a level of 0.01 MG/L or higher is detected, treatment should be provided on the water system.

6. Maintenance and operation of all drainage facilities located on private property within the specified drainage easements of this plat shall be the responsibility of a homeowners association with the lot owners as members. See "Skyview Dream Acres Operation and Maintenance Manual" prepared by Skagit Surveyors & Engineers, dated February 2003 recorded under Auditor's File No. 200305280144.

7. This property lies within 300 feet of land designated resource lands by Skagit County. A variety of natural resource land activities occur in the area that may be inconvenient or cause discomfort to area residents. This may arise from the use of chemicals or from spraying, pruning, harvesting or extraction, which occasionally generates dust, smoke, noise and odor. Skagit County has established resource uses as priority uses on designated natural resource lands and residents of adjacent property should be prepared to accept such inconveniences or discomfort from normal necessary natural resource land operations when performed in compliance with best management practices and local, state and federal law.

8. The plat name, number and date of approval shall be included in all Deeds and Contracts.

9. Know all men by these presents that Western Washington Corporation of Seventh Day Adventists, Arthur Berryman and Amy Berryman, husband and wife, do hereby declare this plat and dedicate to the public forever all roads and ways, except private and corporate roads, shown hereon with the rights to make all necessary slopes for cuts and fills, and the right to continue to drain said roads and ways over and across any lot or lots, where water might take a natural course in the original reasonable grading of roads and ways shown hereon. Following original reasonable grading of roads and ways hereon, no drainage waters on any lot or lots shall be diverted or blocked from their natural course so as to discharge upon any public road right-of-way, or to hamper road drainage. Any enclosing of drainage waters in culverts or drains or rerouting shall be done by and at the expense of such owner.

10. Well protection zone(s)

11. Utility, access and drainage easement(s)
