DEED OF RIGHT TO USE LAND FOR SALMON RECOVERY

The Grantor, Skagit Land Trust, for and in consideration of monies coming in whole or in part from the Salmon Recovery Funding Board of the State of Washington and in fulfillment of terms of the Project Agreement identified below, conveys and grants to the State of Washington individually and as the representative of the people of the State, the right to use the real property, legally described in Exhibit A, hereto herein forever for salmon recovery and conservation purposes.

Those purposes are described in the Project Agreement entered into between the Grantor and the State of Washington through the Salmon Recovery Funding Board, titled Minkler Lake Acquisition, Project Number 02-1620A signed by the Grantor on the 25th day of September 2003 and by the Salmon Recovery Funding Board on the 16th day of September 2003, and the application and supporting materials which are on file with the Grantor and the State in connection with the Project Agreement.

The Grantor will not make or permit to be made any use of the real property described in this deed, or any part of it, which is inconsistent with the right to use for salmon recovery and conservation purposes herein granted unless the State, through the Salmon Recovery Funding Board or its successors, consents to the inconsistent use. This consent shall be granted only upon the following conditions, which will ensure other land will be substituted.

The conditions are that the substituted salmon recovery and conservation land must be: (1) of at least equal fair market value at the time of change of use and of as nearly as feasible equivalent (2) qualities, (3) characteristics and (4) location for salmon recovery and conservation purposes for which state assistance was originally granted.

This deed shall in no way modify or extinguish the functions of the Grantor under the Project Agreement, including the Grantor's functions to operate and maintain the land as set out in the Project Agreement.

Dated this 23rd day of August 2004.
