Legal Description: Sec. 25 Twp. 36N Rng. 4E / Plat Name: Prairie Acres III Lot 3 Block —
(when applicable)

Subject: Aquifer Recharge Mitigation Summary to be recorded with Title.

The following is a mitigation summary as required as a condition of issuance for Permit # BP04-1262
Pursuant to Skagit County Code 14.24.350 sections (7) this summary shall be recorded with the title.

In that this development/project is within 1/2 mile of a "low-flow" stream as designated by the Washington State Department of Ecology, I, Arthur A. Bailey, the undersigned attest and agree to the following:

- I. The total impervious surface of the property is less than and shall remain less than 5% of the total lot area, unless the proposed development/project provides mitigation that will collect runoff from the proposed development/project, will treat that runoff, if necessary to protect groundwater quality and discharge that collected runoff into a groundwater infiltration system on site.
- II. No lawn watering will be performed from June 1 to September 30. This condition shall remain in effect until the well is abandoned in accordance with Chapter 173-160 WAC and the property is connected to an approved public water supply or a Hydrogeologist confirms that the water source is from a confined aquifer and there is no continuity with a "low-flow" stream. (Skagit County recommends landscaping with native vegetation as much as possible)
