Recorded: March 23, 2004  
Auditor's No.: 200403230030  
(Copy attached)

Said matters include but are not limited to the following:

1. The right to make all necessary slopes for cuts and fills and the right to continue to drain said roads and ways over and across any Lot or Lots, where water might take a natural course, in the original reasonable grading of the roads and ways shown hereon. Following original reasonable grading of roads and ways hereon, no drainage waters on any Lot or Lots shall be diverted or blocked from their natural course so as to discharge upon any public road right-of-way or to hamper road drainage. Any enclosing of drainage waters in culverts or drains or rerouting shall be done by and at the expense of such owner.
2. All maintenance and construction of private roads are the responsibility of the Lot owners and the responsibility of maintenance shall be in direct relationship to usage of road.
3. Short Plat Number and Date of Approval shall be included in all deeds and contracts.
4. Sewage Disposal – City of Burlington sanitary sewer system  
Water – P.U.D. No. 1  
Power – Puget Sound Energy  
Telephone – Verizon  
T.V. – Comcast  
Drainage – City of Burlington storm drainage system
5. Buyer should be aware that this Short Plat is located in the floodplain of the Skagit River and the floodway of Gages Slough and significant elevation may be required for the first floor of residential construction.
6. No certificate of occupancy will be given for any new construction until all required utilities and roadway are approved and installed to the satisfaction of the City of Burlington Public Works Department.

Order No: B82955

7. The "Plat of First Addition to Burlington" dimensions Rio Vista Avenue as being 80 feet wide, Lot dimensions on the Plat, existing road centerline monumentation and previous surveys and Short Plats in Block 135 of "First Addition to Burlington" indicate that a 30 foot right-of-way (Half Street) is being used contiguous to Block 135. This Survey holds the 30 foot Half Street width for Rio Vista Avenue.

8. Comply with Title 14, Surface Water Management Standards for temporary construction and long-term runoff quantity and quality and prevent any adverse impact on adjacent properties.

9. Construct utility and access improvements as required by the City Engineer. Sewer is required to be a minimum of 8 inches in diameter.

10. Access easement shall be paved throughout the Short Plats, provide a sidewalk on one side, and comply with Fire Department standards for construction, turnarounds and location of two required fire hydrants.

11. The East line of Lot 1 of the Montgomery Short Plat will need to be moved 6 inches or so to the East meet the 9,600 square foot minimum Lot size requirement.

12. A screening fence six feet in height is required adjacent to or near abutting property lines. The fence will be cedar pressure-treated wood.

13. New homes shall be limited to one story in height to protect privacy of adjacent residences.

14. The easement and entrance driveway shall be installed as close as possible to the existing rental home and paved as far as possible from the property line to the South, to protect existing bedrooms.

15. Landscaping and maintenance standards shall be met, including planting at least one tree per Lot and grass seeding the lawns before final building permits are issued.

16. New homes shall be constructed on site.

17. A homeowner's association shall be formed to maintain the driveways.

18. A streetlight shall be installed and a private street sign.

19. Easement for ingress, egress and utilities affects Lots 1 and 3.

20. Typical building setbacks.

21. Location of concrete wall and fences.
