EXCEPTIONS:

A. EASEMENT AND THE TERMS AND CONDITIONS THEREOF:

Grantee: Puget Sound Power & Light Company, a Washington Corporation
Purpose: The right to construct, operate, maintain, repair, replace and enlarge an underground electric transmission and/or distribution system
Area Affected: A strip of land 10 feet in width across all lots, tracts and spaces located within the above described property being parallel to and coincident with the boundaries of all private/public street and road right-of-ways
Dated: September 10, 1992
Recorded: September 17, 1992
Auditor's No.: 9209170092

B. Easement provisions contained on the face of the Plat, as follows:

An easement is hereby reserved for and granted to the City of Mount Vernon, Puget Sound Power and Light Company, Cascade Natural Gas, G.T.E. Northwest, Skagit County P.U.D. No. 1 and their respective successors and assigns under and upon the exterior ten feet along the perimeter of all roads of all lots and tracts, and twenty foot easements where utility lines are not located in the street right-of-way, in which to install, lay, construct, renew, operate, maintain and remove utility systems, lines fixtures and appurtenances attached thereto, for the purposes of providing utility services to the subdivision and other property, together with the right to enter upon the lots and tracts at all times for the purposes stated, with the understanding that any grantee shall be responsible for the unnecessary damage it causes to any real property owner in the subdivision by the exercise of rights and privileges herein granted.

Drainage easements designated on the plat are hereby reserved for and granted to the City of Mount Vernon, EXCEPT those designated on the plat as private easements, together with the right of ingress and egress and the right to excavate, construct, operate, maintain, repair and/or rebuild an enclosed or open channel storm water conveyance system and/or other drainage facilities, under upon or through the drainage easement.

Dedication of a native growth protection easement conveys to the public a beneficial interest in the land within the easement. This interest includes the preservation of native vegetation for all purposes that benefit the public health, safety and welfare, including the control of surface water and erosion, maintenance of slope stability, visual and aural buffering, and protection of plant and animal habitat. The NGPE imposes upon all present and future owners and occupiers of land subject to the easement, the obligation enforceable on behalf of the public by City of Mt. Vernon, to leave undisturbed all trees and other vegetation within the easement, the vegetation within the easement may not be cut, pruned covered by fill removed or damaged without express permission from the City of Mount Vernon, which permission must be obtained in writing from the City of Mt. Vernon.
