In consideration of the mutual promises and agreements exchanged, the parties hereto agree as follows (notwithstanding anything to the contrary contained in the Note and Security Instrument):

1. As of 5/23/2005, the amount payable under the Note and the Security Instrument (the "Unpaid Principal Balance") is U.S. \$ 240,000.00. Borrower hereby renews and extends such indebtedness and promises to pay jointly and severally to the order of the Lender the sum of U.S. \$ 240,000.00 (the "Principal Balance"), consisting of the amount(s) loaned to Borrower by Lender and any interest capitalized to date.
2. Borrower promises to pay the Principal Balance, plus interest, to the order of Lender. Interest will be charged on the Principal Balance at the yearly rate of 5.125 %, from 5/31/2005. The interest rate Borrower will pay will change in accordance with Paragraph 7 of this Agreement. The interest rate required by this Paragraph 2 and Paragraph 7 of this Agreement is the rate Borrower will pay both before and after any default under the terms of the Note, as amended by this Agreement.
3. Borrower promises to make initial monthly payments of U.S. \$ 1,025.00, beginning on 7/01/2005, until the first principal and interest payment due date on the first day of JULY, 2015 and thereafter will make monthly payments in an amount sufficient to repay the principal and interest at the rate determined as described in Paragraph 7. If on 6/01/2035, ("Modified Maturity Date"), Borrower still owes amounts under the Note and the Security Instrument, as amended by this Agreement, Borrower will pay these amounts in full on the Maturity Date. Borrower will make such payments at PO BOX 809, MEMPHIS, TN 38101 or at such other place as Lender may require.
4. The first principal and interest payment will be due on the first day of JULY, 2015. The interest rate Borrower will pay may change on the first day of JUNE, 2010, and on that day every twelve (12) months thereafter. Changes in the monthly payment will reflect changes in the unpaid principal of the loan and in the interest rate Borrower must pay. Lender will determine the new interest rate and the changed amount of the monthly payment in accordance with Paragraph 7 of this Agreement. Each date on which the interest rate could change is called a "Change Date".
5. Beginning with the first change Date, the interest rate will be based on an Index. The "Index" is based on a weekly average yield on United States Treasury Securities adjusted to constant maturity of one (1) year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date forty-five (45) days before each Change Date is called the "Current Index". If the Index is no longer available, Lender will choose a new index which is based upon comparable information. Lender will give Borrower notice of this choice.
6. Seller assigns and transfers to Borrower both the casualty insurance policy on the Property and all funds on deposit for payment of taxes, homeowner association dues, insurance premiums and any applicable refunds.
7. Before each change date, Lender will calculate the new interest rate by adding 2.750 % to the Current Index. Lender will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%) Subject to the limits stated below; this rounded amount will be the new interest rate until the next Change Date. Lender will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that Borrower is

expected to owe at the change Date in full on the maturity date at the new interest rate in substantially equal payments. The result of this calculation will be the new amount of the monthly payment. Borrower will pay the amount of the new monthly payment beginning on the first monthly payment date after the change date until the amount of the monthly payment changes again. The monthly payments will be applied first to the payment of interest due and then to principal.

The interest rate Borrower is required to pay at the first Change date will not be greater than 10.125 % or less than 2.750 %. Thereafter, the interest rate will never be increased or decreased on any single change date by more than 2.00 % from the rate of interest Borrower has been paying for the preceding twelve (12) months. The interest rate will never be greater than 10.125 %.

8. Before the effective date of any change, lender will deliver or mail to Borrower a notice of any changes in the interest rate and the amount of the monthly payment. The notice will include information required by law to be given to Borrower and the title and telephone number of a person who will answer any questions Borrower may have. Unless applicable law requires a different method, any notice that must be given to Borrower under this agreement will be given by delivering it or mailing it by first class mail to Borrower at the Property address stated above or at a different address if Borrower gives Lender a notice of Borrower's different address. Any notice that must be given to Lender at the address stated in Paragraph 3 above or at a different address if Borrower is given a notice of that different address.
9. If Lender has not received the full amount of any monthly payment by the end of 15 calendar days after the due date, Borrower will pay a late charge to Lender. The amount of the charge will be % of the overdue payment of principal and interest. Borrower will pay this late charge promptly but only once on each late payment. The late charge is not in lieu of any other remedy of Lender, including any default remedy, and will not be charged if such charge would constitute interest in the excess of the maximum permitted by state law.
10. Borrower has the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment". When Borrower makes a prepayment, Borrower will notify the Lender in writing that Borrower is doing so.
11. The lien and security interest secured by this Agreement is a "Renewal and Extension" effective as of 5/23/2005 . It is the intention of the parties that all liens and security interests described in the Security Instrument are hereby renewed and extended until the Indebtedness evidenced by the Note, as renewed, modified, and extended hereby, has been fully paid. Lender and Borrower acknowledge and agree that such extension, renewal, amendment, modification or rearrangement shall in no manner affect or impair the Note or the liens and security interests securing same, the purpose of this Agreement being simply to extend, modify, amend or rearrange the time and the manner of payment of the Note and the indebtedness evidenced thereby, and to carry forward all liens and security interests securing the Note (including if applicable any and all vendor's liens securing the Note), which are expressly acknowledged by the Borrower to be valid and subsisting, and in full force and effect so as to fully secure the payment of the Note. The Borrower hereby expressly waives the benefit of any and all statutes of limitation which might otherwise inure to Borrower's benefit, or be in any way applicable to Borrower's obligations under the terms of any and all instruments described herein.

12. If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which the Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

13. Borrower also will comply with all other covenants, agreements and requirements of the Security Instrument, including without limitation, Borrower's covenants and agreements to make all payments of taxes, insurance premiums, assessments, escrow items, impounds, and all other payments that Borrower is obligated to make under the Security Instrument; however, the following terms and provisions are forever canceled, null and void, as of the date specified in paragraph No. 1 above:

- (a) all terms and provisions of the Note and Security Instrument (if any) providing for, implementing, or relating to, any change or adjustment in the rate of interest payable under the Note; and
- (b) all terms and provisions of any adjustable rate rider, or other instrument or documents that is affixed to, wholly or partially incorporated into, or is part of, the Note or Security Instrument and that contains any such terms and provisions as those referred to in (a) above.

14. No provisions of this Agreement or the Note or any instrument evidencing or securing the Note, or otherwise relating to the indebtedness evidenced by the Note, shall require the payment of permit the demand, collection, application or receipt of interest in excess of the maximum permitted by applicable state or federal law. If any excess of interest in such respect is herein or in any such other instrument provided for, or shall be adjudicated to be so provided for herein or in any such instrument, the provisions of this paragraph shall govern, and neither Borrower nor any endorser or guarantor of the Note nor their respective heirs, personal representatives, successors or assigns shall be obligated to pay the amount of such interest to the extent it is in excess of the amount permitted by applicable law. It is expressly stipulated and agreed to be the intent of Borrower and Lender to at all times comply with the usury and other laws relating to the Note and the Security Instrument and any subsequent revisions, repeals or judicial interpretations hereof, to the extent applicable thereto. In the event Lender ever receives, collects or applies as interest any such excess, including but not limited to any "late charges" collected, such amount which would be excessive interest shall be applied to the reduction of the unpaid principal balance of the Note, and, of upon such application the principal balance of the Note is paid in full, any remaining excess shall be forthwith paid to

Borrower and the provisions of the Note and the Security Instrument shall immediately be deemed reformed and the amounts thereafter collectible there under reduced, without the necessity of execution of any new document, so as to comply with the then applicable law, but so as to permit the recovery of the fullest amount otherwise called for there under. In determining whether or not the interest paid or payable under any specific contingency exceeds the maximum interest allowed to be charged by applicable law, Borrower and Lender shall, to

the maximum extent permitted under applicable law, amortize, prorate, allocate and spread the total amount of interest throughout the entire term of the Note so that the amount or rate of interest charged for any and all periods of time during the term of the Note is to the greatest extent possible less than the maximum amount or rate of interest allowed to be charged by law during the relevant period of time.

15. In consideration of the modification of certain provisions of the Note and Security Instrument, all as herein provided, and the other benefits received by Borrower hereunder, Borrower hereby RELEASES, RELINQUISHES, and forever DISCHARGES lender, as well as its predecessors, successors, assigns, agents, officers, directors, employees and representatives, of and from any and all claims, demands, actions and causes of action of any and every kind of character, whether known or unknown, present or future, which Borrower may have against Lender, and its predecessors, successors, assigns, agents, officers, directors, employees and representatives, arising out of or with respect to any and all transactions relating to the Note and Security Instrument occurring prior to the date hereof, including any loss, cost or damage, of any kind or character, arising out of or in any way connected with or in any way resulting from the acts, actions or omissions of lender, and its predecessors, successors, assigns, agents, officers, directors, employees, and representatives, including any breach of fiduciary duty, breach of any duty of fair dealing, breach of confidence, breach of funding commitment, undue influence, duress, economic coercion, conflict of interest, negligence, bad faith, malpractice, violations of the Racketeer Influenced and Corrupt Organizations Act, intentional or negligent infliction of mental distress, tortious interference with contractual relations, tortious interference with corporate governance or prospective business advantage, breach of contract, deceptive trade practices, libel, slander, conspiracy or any claim for wrongfully accelerating the Note or wrongfully attempting to foreclose on any collateral relating to the Note, but in each case only to the extent permitted by the applicable law, of this state.

**INTEREST-ONLY ADDENDUM  
TO LOAN MODIFICATION AGREEMENT  
(PROVIDING FOR ADJUSTABLE RATE)**

LOAN NUMBER: 0050182278

PROPERTY ADDRESS: 7827 VALERIA PLACE, SEDRO WOOLLEY, Washington 98284

THIS ADDENDUM is made this 23rd day of May, 2005, and is incorporated into and intended to form a part of the Loan Modification Agreement dated the same date as this Addendum executed by the undersigned and payable to First Horizon Home Loan Corporation, (the "Lender").

THIS ADDENDUM supersedes Section 7 of the Loan Modification Agreement. None of the other provisions of the Loan Modification Agreement are changed by this Addendum.

**7. INTEREST RATE AND MONTHLY PAYMENT CHANGES**

**Calculation of Changes**

Before each Change Date, the Note Holder will calculate my new interest rate by adding TWO AND THREE-QUARTERS percentage point(s) (2.750) to the Current Index for such Change Date. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 7, this rounded amount will be my new interest rate until the next Change Date.

During the Interest-Only Period, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay accrued interest. This will be the amount of the monthly payment until the earlier of the next Change Date or the end of the Interest-Only Period unless I make a voluntary prepayment of principal during such period. If I make a partial Prepayment, there will be no changes in the due date of my monthly payment unless the Note Holder agrees in writing to those changes. However if the partial Prepayment is made during the Interest-Only Period when my monthly payments consist only of interest, the amount of the monthly payment will decrease for the remainder of the term when my payments consist only of interest as well as during the time that my payments consist of principal and interest. At the end of the Interest-Only Period and on each Change Date thereafter, the Note Holder will determine the amount of the monthly payment that would be sufficient to repay in full the unpaid principal that I am expected to owe at the end of the Interest-Only Period or Change Date, as applicable, in equal monthly payments over the remaining term of the Note. The result of this calculation will be the new amount of my monthly payment. After the end of the Interest-Only Period, my payment amount will not be reduced due to voluntary prepayments.
