RE: Lot of Record Certifications:

PL05-0246, Parcel P48499

PL05-0515, Parcel P48497

PL05-0517, Parcel P48507

Dear Mr. & Mrs. Davis:

The determination for a Lot of Record is based on a review of the conveyance documents submitted, including, but not necessarily limited to: the legal description contained in each conveyance document; assessing when parcels came together; when parcels were separated; and what County regulations, if any, were in effect at the time of conveyance of any specific legal description.

Review of the documents submitted has resulted in the following determination:

Parcels, P48499, 48497 and 48507 were each created as individual parcels by conveyance documents recorded in January 2000.

However, there was a sequence of events previous to January 2000 that has adversely impacted the potential "lot of record" status. The events are as follow:

Previous to January 2000 the subject property had always been conveyed as a single unit. The single unit had also included a portion of Government Lot 2 in Section 33, Township 36 North, Range 3, and described as Parcel P48560. Parcel P48560 was sold and conveyed in 1993 without benefit of a Short Plat. The conveyance action in 1993 created an illegal segregation. The division of the property without a short plat affected not only Parcel P48560, but also all of the remaining property in Section 33.

The situation is such that at this time none of the three, 40+ acre parcels created in January 2000 is considered a "legal lot of record". However, if it can be shown that in January 2000 there was no knowledge of the previous event (conveyance of Parcel P48560); the acquisition of the parent parcel of 120+/- acres, and the subsequent creation of three, 40+ acre parcels could be considered as actions of an "innocent purchaser".

Enclosed please find a copy of each Lot of Record Certification indicating the non-compliance status. The originals are in the process of being recorded and will be forwarded with a Recording Invoice upon receipt of the originals from the Skagit County Auditor's Office. Also enclosed please find three Declaration of Innocent Purchaser forms. At such time as it would be chosen to utilize the Innocent Purchaser process please provide a letter describing the status of knowledge of the events, as well as current ownership.

If you have any questions, please feel free to contact this office.

Sincerely,

Grace Roeder, Associate Planner
