Contract Daily Flow Amendment No. 01-10

Subject to the terms and conditions of the **CONTRACT FOR WASTEWATER TREATMENT AND DISPOSAL** dated January 23, 2001, between Samish Water District and the City of Burlington and which is recorded under Skagit County Auditor's File No. 200102020095, that payment of a connection charge to the City for a connection to the District's downstream system shall constitute an amendment to the Contract increasing the daily flow capacity in the amount equal to the number of ERU's for which the connection charge is paid.

Attached as "Exhibit A" are approved Applications for Sewer Service/Sewer Availability pursuant to the Interlocal Cooperative Agreement with Skagit County for one single-family resident located within the Samish Water District's sewer service area.

The current Contract Daily Flow for the District is 251,958 gallons per day; and the District has made payment for 1 ERU (178 gallons per day); and now the Contract Daily Flow for the District is amended to 252,136 gallons per day on this 15 day of SEPT., 2005.
