office is considering Parcel P34425 as part of this Lot of Record Certification in conjunction with Parcels P34424 and 34427. Thus, Lot of Record Certification PL05-0644 is comprised of all three parcels and considered as one total unit. As a "unit" these three parcels have been continuously described as the West 1/2 of the West 1/2 of the Northeast 1/4 of Section 17, Twp. 35, Rge 3.

PL05-0645, Parcels P34431 and 34435, Sec. 17, Twp. 35, Rge. 3

During review of the conveyance documents as submitted, it has been noted that these two parcels have been conveyed as a single unit and continuously described as the East 1/2 of the East 1/2 of the Northwest 1/4. Thus, Lot of Record Certification PL05-0645 is comprised of Parcels P34431 and 34435 and considered as one total unit. There is one development right associated with this "unit".

It should be noted that the Assessor's data base indicates that there are two residences on Lot of Record Certification PL05-0644. Due to Parcel P34425 having been created out of compliance with Skagit County Code, the placement of the residence associated with this parcel is also considered out of compliance with Skagit County Code. There may be subdivision or boundary line adjustment options available to separate these two residences, in order for each residence to be associated with its own "lot of record". Please feel free to contact this office to investigate those options.

Enclosed please find all documents submitted for review as well as unrecorded copies of the above noted Certifications. The originals have been forwarded to the Skagit County Auditor for recording. Upon receipt, the originals as well as invoices for recording will be forwarded for payment.

If you have any questions, please feel free to contact this office.

Sincerely,
