DRINKING WATER SYSTEM STATUS REPORT for Parcel 19249 for Dr. Mary Rose

x MARY H. ROSS NESW 12-34-1

I, the undersigned property owner, in making an application for a home based medical consulting business acknowledge that this public notice is being signed, notarized and recorded in compliance with Skagit County Code Section 12.48.270 in regards to the drinking water source (dug well).

1. I agree to record this public notice with the Skagit County Auditor's Office for the purpose of it being made a part of the record of title.

2. I understand that this public notice will appear on any title search or record search, and I have no objection nor will I make claims against Skagit County as a consequence of this recording.

3. The house is served water by a substandard, pre-existing six foot dug well that is unapprovable. According to Assessor records, the house was built in 1905. The water source is probably of the same era. In 1991, Dr. Rose drilled a 300 foot dry well on her property. Public water is not available at this time. Dr. Rose's expertise is in medical diagnostic logic which involves literature research, telephone conversations and maybe a single visit to her office. Dr. Rose began her business in 2000.

4. For purposes of this approval, this water supply is not considered a public source and WAC 246-291 is not applicable.

5. The Health Officer will allow this use with the following conditions.

a. A one micron filter will be installed at the bathroom sink by the exam room.

b. Purchased bottled water will be provided to clients.

c. Dr. Rose will utilize disposable supplies and high quality medical examination gloves for all skin-to-skin or internal examinations. Office equipment and surfaces will be sanitized appropriately.

d. Dr. Rose will provide 62% ethyl alcohol hand sanitizer, ^{or equivalent} for both herself and her clients.

e. The population served is no more than 10 per week. ^{MA}

f. There are no employees.

g. No food utilizing the water shall be provided to customers, including fruit washed with the water.

h. Dr. Rose will connect to public water at the earliest opportunity as long as the cost is reasonable.

i. **This approval is for this request only and is not transferable. Any change to the business type or quantity will render this limited approval null and void.**

6. Properties with water systems with filed status reports will not be used as justification for the creation of new lots and can not be further subdivided.

7. Specific drinking water system information for this lot may be on file at the Skagit County Department of Health.
