RE: Lot of Record Certifications:

PL05-0246, Parcel P48499  
PL05-0515, Parcel P48497  
PL05-0517, Parcel P48507

Dear Mrs. Davis:

The Staff have completed review of your "innocent Purchaser" request. It is the determination of this office that Innocent Purchaser status can be applied to Parcels P48499, Lot Certification PL05-0246; P48507, Lot Certification PL05-0517; as well as Parcel P48560, currently owned by Hans Timmer. The current zoning of these parcels is Agricultural-Natural Resource Land. In May 2005, Skagit County adopted a variety of amendments to the Skagit County Code that impacts development and uses for Agricultural-Natural Resource Land. A copy of those amendments is enclosed. These and all other applicable Skagit County regulations continue to be applicable to the subject parcels.

However, Innocent Purchaser status cannot be applied to Parcel P48497, Lot Certification PL05-0515. The reason is that Wayne Spiller has continued partial ownership in this parcel and it was Mr. Spiller that created the illegal segregation by conveying Parcel P48560 in 1993. Mr. Spiller has had extensive on-going involvement with this office and zoning regulations. Thus, based on this, it is the determination of this office that Innocent Purchaser cannot apply to Parcel P48497, Lot Certification PL05-0515. The method to correct this would be a Short Subdivision to complete the legal division of Parcels P48497 and P48560. A Short Subdivision may include agricultural covenants and/or easements. Please feel free to contact Marge Swint of this office for further information regarding a Short Subdivision.

It should also be noted, by Skagit County Code Section 14.18.000(9) Innocent Purchaser Status may only be granted one time.

Enclosed please find copies of the applicable unrecorded Revised Lot Certifications. The Revised Lot Certifications are the result of recognition of Innocent Purchaser status. The originals have been forwarded to the Skagit County Auditor for recording. At such time as the originals are received by this office, the originals and invoices for recording will be forwarded to you. Please submit a copy of this letter and a copy of the Revised Lot Certification with any future development permit applications.

Oscar & I would like to meet with you in order to more fully discuss the current situation and any possible future plans. Please contact this office in January to set a meeting date.

If you have any questions, please feel free to contact this office.

Sincerely
