RE: Lot of Record Certification PL06-0057REV  
Portion of P71277, Lots 6-9

Dear Mr. Lee:

This office has determined, based on the information reviewed, the Parcel described as Lots 6-9, of Brown's Addition to Bow, a Portion of P71277, resulting from Boundary Line Adjustment PL06-0058, is a Lot of Record. However, it should be noted that the Lot of Record Certification is limited to conveyance only and at this time does not include Certification for development.

The determination of Conveyance Only is based on review of Skagit County Code 14.16.850 as amended May 2005. A copy of the complete amendment is included.

In order for development to occur it will be necessary to submit an application for and receive an approved Reasonable Use Certification. Enclosed please find a Reasonable Use Application. The fee for this application is \$ 183.00. The basis for approving or denying a Reasonable Use Certification is the completed Lot Certification process. The primary criteria for approval of a Reasonable Use Certification is whether or not the Lot Certification indicates that there had been contiguous property ownership at any time since July 1990, or as in this situation, resulting from a Boundary Line Adjustment. However, Skagit County Code now requires processing of a Reasonable Use Application prior to residential development for a parcel less than the minimum lot size and not qualifying for any of the exemptions noted in the amended ordinance.

The processing time of a Reasonable Use Application is approximately six weeks. Included in the processing is notification of all adjacent property owners within 300 ft, and two separate notices advertised in the newspaper.

Enclosed please find the originals of all documents submitted; an unrecorded copy of the two Lot Certifications, as well as the approved Boundary Line Adjustment. The original of the Lot Certifications have been forwarded to the Skagit County Auditor's Office for recording. At such time as received by this office, the originals and invoices for recording will be mailed.

If you have any questions, please feel free to contact this office.

Sincerely,
