Lot of Record Certification PL06-0290  
Parcel P22835

Lot of Record Certification PL06-0291  
Parcel P22833

Lot of Record Certification PL06-0292  
Parcel P22826

Dear Mr. Egbers:

Thank you for your patience during the lengthy review time of these applications. There have been an extremely large number of applications submitted as well as important Lot of Record Certification amendments to the Zoning Ordinance were adopted May 20, 2005.

The determination for a Lot of Record is based on a review of the conveyance documents submitted, including, but not necessarily limited to: the legal description contained in each conveyance document; assessing when parcels came together; when parcels were separated; and what County regulations, if any, were in effect at the time of conveyance of any specific legal description.

Review of the documents submitted has resulted in the following determinations:

1800 Continental Place • Mount Vernon, WA 98273 • Phc

Lot of Record Certification PL06-0063, Parcel P 22834:

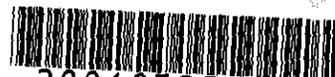

Parcel P22834, is considered a Lot of Record. The current zoning is Agricultural-Natural Resource Land. This zoning designation has a minimum lot size of 40 acres, at approximately 9.8 acres this Lot of Record is considered substandard in size to the zoning designation. Based on the Lot Certification amendments to the Zoning Ordinance, this Lot of Record may be conveyed individually, or in any combination with Lots of Record, PL06-0290, -0291, -0292 or the entire parcel may be combined as a total unit, for approximately 40 acres. A combining of all four parcels would allow one residential development right. However, individually, this Lot of Record is not eligible for residential development.

Lot of Record PL06-0290, Parcel P22835 (new):

Parcel P22835 is approximately 9.8 acres in size. Based on information submitted P22835 would also be considered a Lot of Record. Again, the zoning is Agricultural-Natural Resource Land. Parcel P22835, at approximately 9.8 acres is considered substandard to the zoning designation. Again, based on the Lot Certification amendments to the Zoning Ordinance, this parcel may be conveyed individually or in combination with any of the above noted Lots of Record. However, individually, this parcel is also not eligible for residential development.

Lot of Record PL06-0291, Parcel P22833 (new):

Parcel P22833 is approximately 19 acres in size. Based on information submitted P22833 would also be considered a Lot of Record. Again, the zoning is Agricultural-Natural Resource Land. Parcel P22833, at approximately 19 acres is considered substandard to the zoning designation. Again, based on the Lot Certification amendments to the Zoning Ordinance, this parcel may be conveyed individually or in combination with any of the above noted Lots of Record. However, individually, this parcel is also not eligible for residential development.

Page Three

Lot of Record PL06-0292, Parcel P22826 (new):

Parcel P22826 is approximately .29 acres in size. Based on information submitted P22826 would also be considered a Lot of Record. Again, the zoning is Agricultural-Natural Resource Land. Parcel P22826, at approximately .29 acres is considered substandard to the zoning designation. Again, based on the Lot Certification amendments to the Zoning Ordinance, this parcel may be conveyed individually or in combination with any of the above noted Lots of Record. However, individually, this parcel is also not eligible for residential development.

In order for a parcel that is determined to be a Lot of Record and located in the Agricultural-Natural Resource Land designation to be eligible for residential development, it must either have been designated a Lot of Record prior to May 20, 2005 or be a minimum of 40 acres. The amendments did not incorporate any variances to these items.

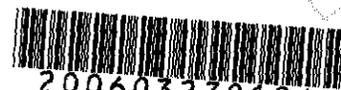

Enclosed please find copies of all documents submitted for review; copies of unrecorded Lots of Record PL06-0063, PL06-0290, PL06-0291, PL06-0292. The originals of these Lots of Record Certifications have been forwarded to the Skagit County Auditor's Office for recording. At such time as they are received by this office, the originals and invoices for recording and fees for Lot of Record review for the new Lot of Record Certifications will be forwarded. Also enclosed is a copy of the Lot Certification amendments to the Zoning Ordinance adopted May 20, 2005.

If you have any questions, please feel free to contact this office.

Sincerely,

  
Grace Roeder, Associate Planner
