RE: Lot of Record Certification PL06-0350
Parcels P63602

Dear Mr. & Mrs. Campbell:

Thank you for speaking with me this morning. Our discussion resolved several conflicting issues. This office has determined, based on the information submitted, that Parcel P63602, is a Lot of Record. However, it should be noted that the Lot of Record Certification is limited to conveyance only and at this time does not include Certification for development.

The determination of Conveyance Only is based on review of Skagit County Code 14.16.850 as amended May 2005. A copy of the complete Amendment is included.

Skagit County Code now requires processing of a Reasonable Use Application prior to residential development on a parcel less than the minimum lot size and not qualifying for any of the exemptions noted in the amended ordinance.

The subject property is currently zoned Rural Reserve with a minimum lot size of 10 acres. The subject property appears to be approximately 10,000 sq. ft. and is considered substandard to the zoning designation and does not appear to comply with any of the noted exemptions. Thus, in order for residential development to occur a Reasonable Use Certification will be necessary.

Enclosed please find a Reasonable Use Application. The fee for this application is \$ 183.00, plus approximately \$ 100.00 publishing cost, plus approximately \$ 33.00 for the recording of the final document. The basis for approving or denying a Reasonable Use Certification is the completed Lot

Certification process. The primary criteria for the approval of a Reasonable Use Certification, is if the review of the Lot Certification indicates there has not been contiguous property ownership at any time since July 1990. There does not appear to have been any contiguous property ownership since 1990.

The processing time of a Reasonable Use Application is approximately six weeks. Included in the processing is notification of all adjacent property owners within 300 ft and two separate notices published in the Skagit Valley Herald. In order to notify the adjacent property owners, the applicant of a Reasonable Use Application is required to provide stamped, addressed envelopes as part of the complete application.

Enclosed please find the originals of all documents submitted; an unrecorded copy of the Lot Certification. The original of the Lot Certification has been forwarded to the Skagit County Auditor's Office for recording. The original Lot Certification has been forwarded to the Skagit County Auditor for recording. When the original is received by this office from the Auditor, the original and an invoice for recording will be forwarded to you.

If you have any questions, please feel free to contact this office.

Sincerely,

Grace Roeder, Associate Planner
Planning & Development Services
