Dear MR. Berg

The Correspondence goes on! We agreed to your Letter of intent, JAN 19 2006. ALL of your proposed contracts have had other wording that stray from the original letter.

I wrote you, March 20 Expressing concern for the "can of worms" that ~~the~~ might be lurking underground. In your words (letter of April 26) you were satisfied that there were issues that might occur.

Yes, with the closure of our gate your problem should be "extinguished." Now. WHAT Do you intend to do about our problem? The one where the commercial building (5711 Gilkey Ave, Edison) # D 72959 (I think) Along with its lean and eve overhang occupies approximately 50 % of our deeded driveway.

As A possible remedy we may have to look into the quiet title. Sincerely Ralph Sawyer, 5711 Gilkey Ave

Edison, WA
