This property is located in the wellhead protection area for the Wildlife Acres public water system. Special precautions must be taken to protect the source of this public water system. These precautions are associated with Permit #: PL06-0357 and include:

1. Store all chemicals (solvents, fuels, oils, pesticides etc.) with secondary containment or in a building with a concrete floor. It is assumed that these are normal household quantities only.
2. All application and disposal of all chemicals will be according to the manufacturer's label directions or best available County disposal practice. See Skagit County Health Department for more information.
3. No industrial, commercial or agricultural activities that utilize chemicals that could injure the aquifer will be conducted on this property.
