**UNIFORM COVENANTS.** Borrower and Lender covenant and agree as follows:

**1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges.**

Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

**2. Application of Payments or Proceeds.** Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

**3. Funds for Escrow Items.** Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to

Within 10 days of the date on which notice is given, Borrower shall subordinate to the lien to this Security Instrument. If Lender determines that any part of the Property is subordinate to the lien to the extent that Lender receives payment of the lien in full such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender operate to prevent the enforcement of the lien while those proceedings are pending, but only until such good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion acceptable to Lender, but only so long as Borrower is performing such agreement; (b) consents the lien in a manner unless Borrower: (a) agrees in writing to the obligation secured by the lien in a manner

charge, an annual accounting of the Funds as required by RESPA. However, that interest shall be paid on the Funds. Lender shall give to Borrower, without writing, however, any interest or earnings on the Funds. Borrower and Lender can agree in writing or Applicable Law requires Lender to make such a charge. Unless Lender shall not be made in writing or Applicable Law permits Lender to make such a charge. Unless an agreement is interest on the Funds and Escrow account, or verifying the Escrow Items, unless Lender pays Borrower annually analyzing the escrow account, or verifying the Escrow Items, unless Lender holds the Funds, time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the institutionally, or entity (including Lender, if Lender is an institution whose deposits are so insured) or current data and reasonable estimates of expenditures of future Escrow Items or otherwise in Lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of a Lender can require under RESPA, and (b) not to exceed the maximum amount to apply the Funds at the time specified under RESPA, and (a) sufficient to permit Lender to repay all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply all Funds, and in such amounts, that are then required under this Section 3. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

**6. Occupancy.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

**7. Preservation, Maintenance and Protection of the Property; Inspections.** Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

**8. Borrower's Loan Application.** Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

**9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument.** If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower unless Lender agrees to the merger in writing. Mortgagee reserves the right to pay Borrower any interest or earnings on such a loss reserve. Lender can no longer require non-refundable payments as a condition of making the Loan and Borrower was required to make separately reserve payments if Mortgagee insurance coverage (in the amount and for the period that were due when the insurance coverage ceased to be in effect. **11. Assignment of Miscellaneous Proceeds; Forfeiture.** All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

**12. Borrower Not Released; Forbearance By Lender Not a Waiver.** Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

**13. Joint and Several Liability; Co-signers; Successors and Assigns Bound.** Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"); (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

## WASHINGTON - Single Family - Fannie Mae/Freddie Mac UNIFORM INSTRUMENT

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. **19. Borrower's Right to Reinstate After Acceleration.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

**20. Sale of Note; Change of Loan Servicer; Notice of Grievance.** The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

**21. Hazardous Substances.** As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

26. Attorney's Fees. Lender shall be entitled to recover its reasonable attorney's fees and costs in any action or proceeding to constitute or enforce any term of this Security Instrument. The term "attorneys' fees", whenever used in this Security Instrument, shall include without limitation attorneys' fees incurred by Lender in any bankruptcy proceeding or on appeal.

Trustee shall deliver to the purchaser Trustee's deed conveying the Property without any covenant or warranty, expressed or implied. The recitals in the Trustee's deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable attorney's fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it or to the superior court of the county in which the sale took place.

If Lender invokes the power of sale, Lender shall give written notice to Trustee of the occurrence of an event of default and of Lender's election to cause the Property to be sold. Trustee and Lender shall take such action regarding notice of sale and shall give such notices to Borrower and to other persons as Applicable Law may require. After the time required by Applicable Law and after publication of the notice of sale, Trustee, without demand on Borrower, shall sell the Property at public auction or to the highest bidder at the time and place and under the terms and conditions set forth in the notice of sale. Trustee shall sell the Property at public auction to the highest bidder at the time and place and under the terms and conditions set forth in the notice of sale. Trustee or its designee may purchase the Property at any sale.

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement to Borrower prior to acceleration under Section 18 unless Applicable Law provides otherwise. The notice shall specify: (a) the date the default is given to Borrower, by which the default must be cured; and (d) that from the date the notice is given to Borrower, to cure the default (c) a date, not less than 30 days prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall provide for the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property at a date not less than 120 days in the future. The notice shall further inform Borrower of the right to accelerate after acceleration, the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale, and any other matters required to be included in the notice by Applicable Law. If the default is not cured on or before the date specified in the notice, Lender at its option, may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale and/or any other remedies permitted by Applicable Law. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorney fees and costs of title evidence.

## ADDENDUM TO UNIFORM DEED OF TRUST

Date: July 27th, 2006

Addendum attached to and forming part of the Deed of Trust ("Security Instrument") of even date by and between

**ERIK L BOWMAN AND DULCIE A BOWMAN, HUSBAND AND WIFE**

as Grantor/Borrower; **WASHINGTON SERVICES, INC., A WASHINGTON CORPORATION** as Trustee; and **WASHINGTON FEDERAL SAVINGS** as Beneficiary/Lender.

### 1. OCCUPANCY OF THE PROPERTY BY BORROWER.

There are two alternative covenants stated below which refer to occupancy of the Property by the Borrower, and only one alternative shall be a part of this Addendum. Lender has determined which alternative is a covenant of the Borrower by checking below the appropriate box opposite the paragraph immediately preceding the paragraph Lender has determined to be applicable to Borrower, and Borrower has agreed to this chosen alternative by executing this Addendum to the Security Instrument and pursuant to the terms of Lender's loan commitment.

**Occupancy of Property by Borrower Required.** Uniform Covenant 6 of the Security Instrument is amended by substituting the following language:

"Borrower shall occupy, establish and use the Property as Borrower's principal residence within sixty (60) days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless lender otherwise agrees in writing and in its sole discretion; provided, however, that if the loan evidenced by the Security Instrument is a 'custom' construction loan as defined by a Construction Loan Agreement between Lender and Borrower, then Borrower shall begin to occupy, establish and use the Property as Borrower's principal residence within sixty (60) days after receipt of Certificate of Occupancy, or similar official document, from the applicable governmental authority, unless Lender in its discretion agrees in writing to waive any governmental requirement. Borrower acknowledges that Uniform Covenant 6, as here amended, is required by Lender in consideration of Lender extending Borrower an 'Occupancy Note Rate' which is less than the prevailing 'Non-Occupancy Note Rate'. If Borrower shall default on the terms of occupancy as stated above, Lender may elect, at its option and notwithstanding any other terms of the Security Instrument to the contrary, any of the following remedies: (a) Lender may accelerate the terms of the Note and, upon fifteen (15) days notice, call the loan immediately due and payable in full, and if Borrower fails to make payment in full, Lender may thereafter exercise any remedy permitted by the Security Instrument, including suit on the Note or foreclosure upon the Security Interest and the Property; or (b) Lender may adjust the interest rate on the Note (and any monthly payment occasioned by such adjustment) to Lender's 'Non-Occupancy Note Rate' which existed as of the date of the Note and Security Instrument and require further consideration for not calling the loan immediately due and payable, including but not limited to (i) having Borrower convey to Lender a Fannie Mae Multistate 1-4 Family Rider (Assignment of Rents) and (ii) having Borrower pay any amount of principal on the loan necessary (if at all) to make the loan conform to whatever loan-to-value ratio conditions Lender would have required of a 'Non-Owner-Occupied Loan' on the Property as of the date of the Note and Security Instrument."

**Occupancy of Property By Borrower Waived.** Uniform Covenant 6 of the Security Instrument is deleted.

### 2. ADDITIONAL SPECIAL COVENANTS.

#### A. Additional Advance(s)

This Security Instrument also secures the payment of any further sums advanced or loaned by Lender to Borrower, or any of its successors or assigns, if (1) the Note or other writing evidencing the future advance or loan specifically states that it is secured by this Security Instrument, or (2) the advance, including costs and expenses incurred by Lender, is made pursuant to this Security Instrument or any other documents executed by Borrower evidencing, securing, or relating to the Note and/or the Collateral, whether executed prior to, contemporaneously with, or subsequent to this Security Instrument (this Security Instrument, the Note and such other documents, including any construction loan, land loan or other loan agreement, are hereinafter collectively referred to as the "Loan Documents"), together with interest thereon at the rate set forth in the Note unless otherwise specified in the Loan Documents or agreed to in writing.

**H. E-Z Pay Option.** If Borrower elects the E-Z Pay option at the inception of this loan, then Lender shall temporarily defer the two hundred dollar (\$200) payment processing charge which is otherwise due and payable in full at closing. However, if at any time, Borrower's E-Z Pay bank account has insufficient funds to cover a payment when due, or if Borrower's E-Z Pay bank account is closed or otherwise becomes unavailable to Lender for the payment of the loan, or if the event Borrower elects, at any time, to terminate the E-Z Pay option, then Lender may remit late and demand the two hundred dollar (\$200) payment processing charge from Borrower in which event Lender shall then be due and payable in full. Lender shall inform Borrower of this election in writing and Lender may, at Lender's option, either require Borrower to pay the payment processing charge within 10 days of receipt of written notice or add the amount of the charge to the remaining principal balance of the loan. If the charge is added to the loan, then it shall become additional debt of Borrower secured by this Security Instrument and shall bear interest at the Note rate and shall be payable in accordance with the terms of the Note.

"If the Property is now or shall ever during this loan be determined by the Federal Emergency Management Agency (FEMA), or its successor agency, to be within a Special Flood Hazard Area (SFHA), then to the extent flood insurance is available for the Property, Lender will require, upon notice to Borrower of such determination, that adequate flood insurance be maintained for the improvements of the Property at Borrower's expense, and Lender shall be entitled to collect, as part of the Funds defined under Covenant 3, and to the extent authorized by federal law and regulation, "Escrow Items" (reserves) for flood insurance premiums; and if Borrower does not voluntarily pay for the flood insurance premiums, and if Lender shall be entitled to obtain "forced place" flood insurance coverage as part of said Funds, Lender shall be entitled to deduct the cost of such coverage to the principal balance of the loan or apply the payment as a "negative reserve", whereupon Borrower shall be deemed to be in default of this Security Instrument.

D. Mandatory Flood Insurance for Property in Special Flood Hazard Areas. Uniform Code of Governmental Units and § are modified so as to add the following language which affects both counties:

"23. Release or Recouveryance. Upon payment of all sums secured by this Security instrument, Lender shall release Trustee to recover the Property and shall surrender this Security instrument and all notes evidencing debt secured by this Security instrument to Trustee. Trustee shall release or recover the Property without warranty to the person or persons legally entitled to it. Such person or persons shall pay any recordation costs and reasonable trustee's fee for release or reconveyance."

**C.** Reconvalescence After Payment of Loan in Full. Non-Uniform Covenant 23 of the Security Instrument is revised to read as follows:

"Borrower acknowledges that the terms and conditions of Unitform Covenant 19 and Non-Unitform Covenant 22 are intended to avail Borrower of certain notice and reinstatement rights if Lender elects non-judicial foreclosure under its power of sale in the event of default, and that Borrower has a statutory right of redemption prior to the event of judicial foreclosure. Therefore, notwithstanding any provision of Unitform Covenant 19 and Non-Unitform Covenant 22 of this Security Instrument, if Lender, at its own option, elects to accelerate the Security Instrument by commencement of judicial foreclosure for any default or breach by Borrower, the Borrower shall have the right of reestimate or entitlement or reclosure for certain notices as provided for in Unitform Covenant 19 and Non-Unitform Covenant 22."

**Lender's Right of Acceleration and Judicial Foreclosure.** Uniform Convention 19 and Non-Uniform Convention 22 of the Security Instrument are amended by the addition of the following language, which shall modify the terms of Uniform Convention 19 and Non-Uniform Convention 22 to the extent set forth immediately below:

- G. **Hazard, Property, or Flood Insurance.** Without affecting the language contained in Covenants 3, 5, and 7 of the Security Instrument and paragraph D above, Borrower is advised as follows:

**WARNING**

Unless Borrower provides Lender with evidence of the insurance coverage as required by the deed of trust or loan agreement, Lender may purchase insurance at Borrower's expense to protect Lender's interest. This insurance may, but need not, also protect borrower's interest. If the collateral becomes damaged, the coverage Lender purchases may not pay any claim Borrower makes or any claim made against Borrower. Borrower may later cancel this coverage by providing evidence that it has obtained property coverage elsewhere.

Borrower is responsible for the cost of any insurance purchased by Lender. The cost of this insurance may be added to the loan balance. If the cost is added to the loan balance, the interest rate on the underlying loan will apply to this added amount. The effective date of coverage may be the date the prior coverage lapses or the date Borrower fails to provide proof of coverage.

The coverage Lender purchases may be considerably more expensive than insurance Borrower can obtain on its own and may not satisfy any need for property damage coverage or any mandatory liability insurance requirements imposed by applicable law.

- H. **Late Charges and Other Fees.** Lender may, at Lender's option, either require Borrower to pay any late charge for overdue payments or NSF/returned item fees related to any payments under the Note, or add the amount of any such charges or fees to the remaining principal balance of the loan. If these charges and/or fees are added to the loan, then they shall become additional debt of Borrower secured by this Security Instrument and shall bear interest at the Note rate and shall be payable in accordance with the terms of the Note.
- I. **Assignment of the Loan.** If Lender transfers its interest in or a right to receive loan payments under the Note secured by the Security Instrument, this Addendum, or any part of it, may be cancelled at the option of Lender and without advance notice to Borrower, and Lender may make and record any instrument, without signature of Borrower, which may be necessary to give record notice of such cancellation.
