Designer: Linda Benjamin

ADDRESS: 701 Cascade Palms Crt.

The Purpose for this contract is to insure the continued service and operation of the TRD
Wastewater System installed at: ADDRESS: 32857 South Shore Drive

This contract documents the agreement between the property owner and the service provider for
the maintenance and inspection of the TRD-1000 plant. This document shall be properly recorded
with the title for the real property, subsequent to system installation.

This contract is in effect upon installation of the plant, and shall be in effect, until the system, is
decommissioned by the property owner or service provider. The service provider or the property
owner has the right to transfer this contract to another service provider as long as the new service
provider has been certified to service the system.

The service provider will annually inspect the plant to ensure the proper operation. This
inspection will consist of a visual inspection of the plant internals, observance of the plant effluent
for odor, color, and turbidity, and recording the results.

1. The property owner will notify the service provider in the event of any alarms or other abnormal conditions relevant to the TRD and Operate the system in accordance with the guidelines set down by the State of Washington or () and local D.O.H.
2. Any effluent samples required by local D.O.H. jurisdiction and costs thereof are the direct responsibility of the property owner. Pumping costs are the direct responsibility of the property owners
3. All residential TRD 1000 systems installed will be serviced at the rate of \$20.00 per month. Billed annually on July 1 of each year for a total of \$240.00. The first bill will be due two years after the date of installation, and will be prorated from said date to July 1. Thereafter, billing will be annually and due July 1 of each year. It must be noted that this \$20.00 per month or \$240.00 per year is subject to change, to keep pace with the cost of materials, labor and change in state and local D.O.H. or permitting agency requirements. Commercial properties will be monitored and semi-annually serviced at a cost to be determined at the time of site evaluation.
4. Your state Health Department may require additional separate equipment to function in conjunction with equipment manufactured by A.S.T.S., Inc. A.S.T.S., Inc. is not responsible for servicing, mechanical, or electrical safety of such equipment that is not manufactured or supplied with the aerobic treatment unit by A.S.T.S., Inc. Particular care should be used in evaluating the electrical or mechanical safety of equipment manufactured by separate manufacturers. This may include, but not be limited to electrical control panels or pumps.
5. At the option of A.S.T.S., Inc. the sole and exclusive liability of this company shall be a refund of the service contract purchase price for the year. In no event shall A.S.T.S., Inc. be liable for any direct or indirect, incidental, consequential or special damage whatsoever arising out of this agreement by a prevailing party in any arbitration, action or appeal. Court awarded decisions will be assigned by the County of Skagit, in Washington State. This agreement will be governed by and construed under the laws of the State of Washington.
6. The owner of the residence or facility served by the A.T.U. is responsible for assuring the proper operation and providing timely maintenance of the A.T.U. and all other components of the onsite Wastewater Treatment and Disposal System. Your state may have other recommendations and/or requirements, other than those listed above. These must be addressed by your designer.
