7. A drainage report was prepared for this property by Donald R. Semrau, P.E., P.L.S. dated January 14, 1998, a copy of which is available at Skagit County Planning. The report recommends that splash blocks be utilized by all proposed buildings. It is also recommended that channalization of runoff should be avoided to allow drainage to follow its most natural path.

8. According to the coastal zone atlas for Skagit County, portions of the subject property may be unstable and subject to slides. Additional soils evaluations may be required prior to the issuance of any building permits on the subject property.

9. Foundation setback line is based upon GEO Engineers, Inc. Site Assessment Report dated April 10, 1998, see Skagit County Planning for report information.

10. This Short Plat shows protected critical areas (PCAE) per requirements of Skagit County Code (SCC) Chapter 14.24.170 Critical Areas Ordinance. The PCA tracts shown thereon represent critical areas together with their buffers as delineated by Wetland Resources, Inc. report dated September 27, 1997 and Supplemental Critical Areas Site Assessment Report prepared by John Gold & Company, Consulting Foresters, dated February 4, 2004, which are on file with Skagit County Planning and Permit Center. The reports recommend buffer areas as shown hereon. A PCAE was filed under Auditor's File No. 200608040037, to protect the area shown hereon. The area of the PCAE is 94,654 Square feet (2.2 Acres).

11. This property is subject to and together with easements, reservations, restrictions, covenants, liens, leases, court causes and other instruments of record including but not limited to those instruments described in the title report mentioned above and being recorded under Skagit County Auditor's File Nos. 91418, 125619, 8704090001, 9120060002, 9705040106, 9506120078, 9506100080, 8102200151 and 9810160116.

12. This property is subject to and together with those certain covenants, conditions, restrictions and reservations recorded under Skagit County Auditor's File No. 200608040039.

13. A lot of record certification has been issued for all lots included in this land division. By virtue of recording this land division and issuance of the Lot Certification, all lots therein shall be considered lots of record for conveyance and development purposes unless otherwise restricted. See Auditor's File No. 200608040038.
