Order No: B87358

11. Short Plat number and date of approval shall be included in all deeds and contracts.

12. Sewage Disposal: Individual septic systems.

13. This plat is served drinking water by the Cavanaugh Vista Water System ID # AB529K. The water system was approved by the State Department of Health and is required to have a Satellite Management Agency (SMA), if available. At the time of the system approval, the SMA is King Water Management. See easement recorded as Auditor's File No. 200612080127 regarding the wells 100-foot radius Well Protection Area. For more information on this Group B water system, see the "Skagit County Public Health Department". Accessory Dwelling Units (ADU) shall be limited by approved capacity of the water system. Activities within the Well Protection Zone (WPZ) on Lots 1 and 2 shall not impact the public water system.

14. No building permit shall be issued for any residential and/or commercial structures which are not, at the time of application, determined to be within an official designated boundary of a Skagit County Fire District.

15. Change in location of access may necessitate a change of address. Contact Skagit County Planning and Development Services. A Skagit County address range has been applied to the road system in this subdivision. At the time of application for building and/or access, Skagit County GIS will assign individual addresses in accordance with the provisions of Skagit County Code 15.24.

16. This parcel lies within an area or within 500 feet of an area designated as Natural Resource Lands (agricultural, forest and mineral resource lands of long term commercial significance) in Skagit County. A variety of natural resource land commercial activities occur or may occur in the area that may not be compatible with non-resource uses and may be inconvenient or cause discomfort to area residents. This may arise from the use of chemicals, or from spraying, pruning, harvesting, or mineral extraction with associated activities which occasionally generates traffic, dust, smoke, noise and odor. Skagit County has established natural resource management operations as a priority use on designated natural resource lands, and area residents should be prepared to accept such incompatibilities, inconveniences or discomfort from normal, necessary natural resource land operations when performed in compliance with best management practices and local, state and federal law. In the case of mineral lands, application might be made for mining-related activities, including extraction, washing, crushing, stockpiling, blasting, transporting and recycling of minerals. In addition, greater setbacks than typical may be required from the resource area, consistent with SCC 14.16.810. Contact Skagit County Planning and Development services for details. See Auditor's File No. 200608100073.

17. Lot Setbacks: Front: 35 feet, 25 feet on minor access and dead end streets.  
Side: 8 feet on interior lot, 20 feet on street right-of-way.  
Rear: 25 feet.  
Accessory: See Skagit County Code 14.16.310. 5(IV)

18. A Lot of Record Certification has been issued for all lots included in this land division. By virtue of recording this land division and issuance of the Lot Certification, all lots herein shall be considered lots of record for conveyance and development purposes unless otherwise restricted. See Auditor's File No. 200612080122.

Order No: B87358

19. Parcels of land outside and immediately adjacent to natural resource lands (rural resource – NRL, agriculture – NRL, industrial forest – NRL, secondary forest – NRL, and mineral resource overlay zones) shall observe a minimum building setback of 200 feet from such natural resource lands. This setback may be waived if the applicant for the building permit on the adjacent non-resource land acknowledges in writing the possible occurrence of agricultural, forestry or mining activity on the adjacent property and waives, in writing, for all current and future owners, any claim for damages that may occur to the building or occupants because of such activities which are conducted in accordance with applicable state regulations. In the case of industrial forest – NRL lands, this waiver must also be approved by the owner of the adjacent industrial forest – NRL lands. The acknowledgment and waiver discussed herein shall be recorded by the applicant with the County Auditor.

20. All runoff from impervious surfaces, roof drains shall be directed so as not to adversely affect adjacent properties.

21. A PCAE is on file with the Skagit County Planning and Development Services and has been recorded under Skagit County Auditor's File No. 200612080125.
