CONTINUING SERVICE POLICY

In consideration of payment of the Service Contract cost indicated below, this authorized service company agrees to the following:

During the service period From: 2-9-07 To: 2-09-09 to make 4ea inspection calls on the Aerobic system with:

Surface Application _____ Subsurface Application Parcel # 107824

Owners name: Dan Peth Telephone #: 770-2315
Owner's address: 13515 Bisquet ridge Ln
Bow WA. 98235

Inspection calls will include:

1. An effluent quality inspection consisting of visual check for color and examination for odor.
2. Ad adjustment and servicing of any mechanical and electrical components that are out of order.
3. Periodic sampling of the settled solids in the aeration chamber.
4. Additional service: check chlorine residual at each inspection when applicable.
5. If any improper operation is observed which cannot be corrected at that time, the user shall be notified in writing at the time.

The cost of this Service Contract will be included in sm plus sales tax per inspection call and is to be effective from date of signature for a period of two years.

Additional service, as ordered including replacement components, laboratory test work, and pumping of unit or pre-tank will be done upon written authority from the customer at an additional charge.

Important: This service agreement does not cover the cost of service calls, labor, or materials which are required due to misuse of the system; failure to maintain electrical power to the system; disposal of non-biodegradable materials, solvents, grease, oil, paint, etc; or any usage contrary to the requirement as stated in the "Operation Manual." Chlorine costs for the chlorinator are the homeowner's responsibility.

Note: We will monitor any and all components that are accessible and are to ground level. Components that are buried or located in garages, crawlspaces, etc and are not accessible will not be monitored. Non-Payment of services shall result in immediate release of obligations by provider.
